Monetarism And The Labour Market:

Monetarism and the Labour Market Derek Robinson,1986 A critical examination of the role of labor markets in monetarist theory and policy this book considers how monetarist explanations of wages unemployment and inflation fit in with labor market analysis

Real Wages and Employment Andres Drobny,1988-10-06 With both Monetarist and Keynesian economic theory so closely bound up with employment levels and inflation the contrast between the two models is here given thorough examination in light of real post war data Following the development of Monetarism as a reaction against Keynesian analysis Drobny focuses on the importance of relative pricing with *Real Wages and Employment* Andr s Drobny,1988

The Political Economy of Labour Market Reforms  zg n Sar?mehmet Duman,2014-11-12 Duman examines the transition from Keynesianism to monetarism by presenting an analysis of labour market reforms in Greece and Turkey questioning the role of class struggle on the implementation process She also scrutinises the influence of the global economic crisis and the execution of reform policies in these two countries

Handbook of Labour Market Policy in Advanced Democracies Daniel Clegg,Niccolo Durazzi,2023-10-06 Bringing together contributions from leading labour market policy scholars from across the globe this state of the art Handbook offers extensive and compelling analyses of labour market policy in advanced democracies This title contains one or more Open Access chapters

Labour Market Planning Revisited M. Hopkins,2002-09-05 This book enables the reader to understand labour markets and shows how to forecast the need for skills in developing countries The forecasting of these skills has recently fallen into disrepute with the notion that all forecasting techniques that assessed the labour market requirements of the future were dubious and that the future lay with labour market analysis and labour market signalling This book disputes this but acknowledges that the models of the past should be supplemented with better data and improved labour market analysis and in doing so produces its own model for analysing the needs of labour markets

Markets, Unemployment and Economic Policy Philip Arestis,Gabriel Palma,Malcolm Sawyer,2005-10-19 In this volume more than 40 leading economists pay tribute to and critically evaluate Geoff Harcourt's work Contributors include Tony Atkinson Tony Lawson Edward Nell and Ian Steedman

Capitalism's Inflation and Unemployment Crisis Sidney Weintraub,1978

Political Economy and Global Capitalism Robert Albritton,Bob Jessop,Richard Westra,2010 This volume brings together original and timely writings by internationally renowned scholars that reflect on the current trajectories of global capitalism and in the light of these consider likely possible or desirable futures It offers theory informed writing that contextualizes empirical research on current world historic events and trends with an eye towards realizing a future of human social and economic betterment

Labour Market Theory Ben Fine,2002-09-11 This book is a commanding assessment of labour market theory across the social sciences It provides a radically original critique of labour market theory which draws constructively but critically on existing literature The work contributes to the debates on key issues in labour economics such as unemployment gender equal pay

and the minimum theory illustrates the policy implications in empirical studies supplements existing orthodox labour market theory texts
