Money Isn't God So Why Is The Church Worshiping It:

Money Isn't God John White, 1993 John White describes the ways in which materialism has infiltrated the contemporary church he offers a careful examination of the church's relationship with money and property and calls Christians and church leaders to repentance 203 pages paper Money Isn't God John White, 1993-01-01 *Rethinking Materialism* Robert Wuthnow, 1995 This collection of essays by ten of the nation's prominent social scientists and theologians offers serious commentary on our culture's obsession with material goods and examines the uneasy relation of materialism to religion The contributors assess the ways in which materialism has been understood in recent analyses of American character how the economy shapes our understandings of ourselves the ways in which religious thought is being reshaped by economic circumstances and the nature of consumerism The complement to Wuthnow's *God and Mammon in America* this volume challenges us all to look at materialism in new ways and suggests viable means for reversing our country's prevailing material fixation and its destructive effects on our spiritual lives Neither Poverty Nor Riches Craig L. Blomberg, 2020-05-21 One of the most difficult questions facing us today is that of the proper attitude toward possessions In wealthy nations such as Britain and the USA individuals accumulate much and yet are daily exposed to the plight of the poor whether the homeless on their own city streets or starving children on their TV screens What action should they take on behalf of the poor What should they do with their own possessions In *Neither Poverty nor Riches* Craig Blomberg asks what the Bible has to say to these issues He avoids easy answers and instead seeks a comprehensive biblical theology of possessions Beginning with the groundwork laid by the Old Testament and the ideas developed in the intertestamental period he draws out what the whole New Testament has to say on the subject and finally offers conclusions and applications relevant to the modern world This is a book that all concerned with issues of poverty and wealth should read **1-2**

Timothy & Titus Philip H. Towner, 1994 Questions about the nature of Christian leadership and authority attitudes toward wealth and materialism proper responses to cults the role of women in the church and even the validity of the institution of marriage are not new Paul addressed these issues in personal letters to Timothy and Titus as leaders of first century congregations in Ephesus and Crete What he had to say to them is as relevant to us as today's newspaper headlines In this clear pastorally oriented commentary readers will find helpful background material on authorship date and purpose as well as an overview of theological themes in the Pastoral Epistles The introductory material is followed by passage by passage explanation of the meaning these letters had for their first century hearers in order to pave the way for understanding their significance for readers today Students pastors Bible teachers and everyone who wants to understand the message of the Pastoral Epistles for the church will benefit from this excellent resource Contemporary Christian Authors Janice DeLong, Rachel E. Schwedt, 2000 Finally a summary section provides a brief synopsis of at least one title representative of the author's style and several of the writers have provided personal annotations of their works **BOOK JACKET Common**

Christianity / Uncommon Commentary Bob Walters, 2011-11-28 This book is a compilation of five years of weekly Christian newspaper columns with thoughtful and often wry reflections on Christianity Christian life and modern culture Written by late to the faith journalist and communications executive Bob Walters the columns have been published in the weekly Current local general interest newspapers in Carmel Westfield Noblesville and Fishers Indiana on the northside of Indianapolis since the paper s founding in October 2006 It s uncommon for a newspaper to provide this kind of direct believer s commentary on common Christian themes hence the title Common Christianity Uncommon Commentary Foreword by Dr David Faust President Cincinnati Christian University

God's Unfaithful Wife Raymond C. Ortlund, 2016-02-10 Raymond Ortlund s contribution to the New Studies in Biblical Theology series argues that the vision of human marriage coming down to us through the book of Genesis provides a hermeneutic key for understanding Israel s historical relationship with God and Christ s ultimate transforming relationship with us

Raising Disciples Natalie Frisk, 2019-09-17 Children and youth will just catch the faith of their parents right Not necessarily Talking with kids about Jesus no longer comes naturally to many Christian parents In Raising Disciples pastor Natalie Frisk helps us reconnect faith and parenting equipping parents to model what following Jesus looks like in daily life Filled with authenticity flexibility humor and prayer Frisk outlines how parents can make openings for their children to experience God in their daily lives As curriculum pastor at The Meeting House one of the largest churches in Canada Frisk calls parents who follow Christ to ask the big questions about the spiritual formation of children and teens In practical and thoughtful ways she equips parents to disciple their kids in various stages of childhood adolescence and young adulthood Raising Disciples will awaken parents to the possibility of Jesus centered parenting and encourage us to engage in the lost art of discipling our own kids

Worshipful James C. Howell, 2017-02-08 What does it look and feel like to be worshipful Can we find a way to worship in such a robust thoughtful way that when we aren t in worship the worship might linger and invigorate us Is it possible to live in the world doing the dishes listening to music being stuck in traffic enmeshed in a thicket of meetings at work with a serene abiding sense of God s presence despite all the racket that we might do whatever we do for God and sense God s presence And maybe more importantly could all we do between Sundays grocery shopping paying bills listening to music taking a walk visiting aging parents actually enrich and inform what we do on Sunday morning making worship itself more vigorous profound just plain real and memorable and thus heightening the likelihood that the worship will linger through the rest of the week This book is about living a worshipful life understanding why we do what we do in Sunday morning worship and then re enacting those moods and actions all week long
