Money Macroeconomics And Economic Policy Essays In Honor Of James Tobin

R. Dimand

Money Macroeconomics And Economic Policy Essays In Honor Of James Tobin:

Money, Macroeconomics, and Economic Policy William C. Brainard, William D. Nordhaus, Harold W. Watts, 1991 These original contributions celebrate and extend Tobin's contributions to macroeconomics international economics finance and economic policy

Handbook on the History of Economic Analysis Volume I Gilbert Faccarello, Heinz D. Kurz, 2016-07-27 Volume I contains original biographical profiles of many of the most important and influential economists from the seventeenth century to the present day These inform the reader about their lives works and impact on the further development of the discipline The emphasis is on their lasting contributions to our understanding of the complex system known as the economy The entries also shed light on the means and ways in which the functioning of this system can be improved and its dysfunction reduced

James Tobin R. Dimand, 2014-10-30 James Tobin 1981 Nobel laureate in economics was the outstanding monetary economist among American Keynesian economists This book the first written about James Tobin examines his leading role as a Keynesian macroeconomist and monetary economist and considers the continuing relevance of his ideas

My Journeys in Economic Theory Edmund Phelps, 2023-05-16 Edmund Phelps is among the most important economists of his generation He developed a new understanding of unemployment and inflation and went on to rethink the roots of innovation His work represents a lifelong project to put people as we know them into economic theory In this book Phelps tells the story of his role in reshaping economic theory offering a powerful personal account of a creative and rewarding career My Journeys in Economic Theory charts two major phases of Phelps's work illuminating the breadth of his contributions to the field First introducing the expectations of wage setters and cofounding the equilibrium rate of unemployment he built the microeconomic foundations for the employment theory pioneered by Keynes and Hicks More recently he conceived a theory of mass flourishing superseding Schumpeter and Solow's conception of the process of innovating a theory in which individuals creativity and society's dynamism fuel grassroots innovation and generate job satisfaction in the process Phelps recounts his vivid experiences in the world of economics fierce arguments competition and collaboration and the good fortune of time spent among some great figures as well as his relationships with luminaries such as John Rawls Thomas Nagel Paul Samuelson and Paul Volcker At its core this book shares the joy of intellectual achievement the excitement of coming up with a new idea that radically departs from prevailing views and the satisfaction of exercising one's own ingenuity instead of applying or developing others models Telling the story of a life packed with intellectual adventure My Journeys in Economic Theory provides a profound vision of a dynamic modern economy that offers lives rich with creativity and meaning

Pluralist Readings in Economics: Key Concepts and Policy Tools for the 21st Century Maria Alejandra Madi, 2017-06-15 The era of globalization has brought about unprecedented social political and environmental challenges for policy makers around the world due to the global impact of economic decisions In view of these challenges economics as a discipline needs to be taught with the goal of broadening the dialogue on social responsibility and developing

a new pluralist culture of decision making which is inclusive to different schools of economic thought Pluralist Readings in Economics Key concepts and policy tools for the 21st century highlights the long standing debates regarding economic systems business models criteria of justice and economic policies by providing conceptual openings to economic theory in an engaging and accessible way The author provides broad coverage of relevant topics through the selection of influential economic thinkers and introduces the reader to their ideas context and relevant interpretations While dealing with complex problems the author goes beyond commonly known concepts by presenting questions on the historical context of globalization The study of economic concepts in this way leads to asking new questions concerning various issues relevant to economics The goal of the text is to provide an interdisciplinary perspective to readers in order to equip them with information that is key to address global economic challenges Thus this pluralist approach calls for a reflection of the evolution of global social and economic conditions to demonstrate problem solving approaches that align with the goal of addressing these challenges Pluralist Readings in Economics Key concepts and policy tools for the 21st century is suitable to a broad interdisciplinary readership as it will benefit all those who seek to better understand the complex stakes of the capitalist system in the tensions between regulatory policies free market equilibria and participatory openings in governance This introductory work also prepares the reader for debates and discussion in economic theory aimed at shaping policy transformations towards a more equitable just and sustainable world

Frontiers of Economics Abu N. Wahid,2002-06-30

Economics Nobel laureates are the pioneers of the science of economics They are the most brilliant products of the discipline and have made enormous original contributions to the field of economics and oftentimes history political science business and other subjects Their works struggles successes and failures are fascinating and readers are given a glimpse into each laureate s life where and when they were born and raised what schools they attended and who influenced their intellectual development Most importantly each laureate s often complex corpus of work is described as succinctly as possible without losing the work s original flavor what it contributed to the field and how it was received by peers and how it affected the world A list of selected further readings concludes each entry directing the reader to the primary and secondary works essential to understanding the works of these towering figures Arranged chronologically by year of award all 44 entries cogently explain the laureate s life s work in language even non economists can follow Economists interested in the intellectual history of their discipline and professors and students of business will find Wahid s book a very useful resource when seeking out the basic outlines of the thoughts of the scholars who have shaped the fields of economic inquiry practice and research Also any student in the social sciences thumbing through this book will instantly recognize many currents of thought that have influenced the way scholars in their discipline approach their craft

Monetary Policy and

Unemployment Willi Semmler,2004-08-02 This book pulls together papers presented at a conference in honour of the 1981 Nobel Prize Winner for Economic Science the late James Tobin Among the contributors are Olivier Blanchard Edmund Phelps

Charles Goodhart and Marco Buti One of the main aims of the conference was to discuss what potential role monetary policy has on economic activity and unemployment reduction in three key currency zones the United States European Union and Japan

Evolution of an Economic Crisis? United States. Congress. Joint Economic Committee,2008 *Who's who in Economics* Mark Blaug,1999 This standard reference text is a guide to economists both past and present who have made a substantial contribution to the subject It provides biographical bibliographical and critical information on over 1000 living economists and approximately 500 deceased economists

Money Macroeconomics And Economic Policy Essays In Honor Of James Tobin Introduction

In today's digital age, the availability of Money Macroeconomics And Economic Policy Essays In Honor Of James Tobin books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Money Macroeconomics And Economic Policy Essays In Honor Of James Tobin books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Money Macroeconomics And Economic Policy Essays In Honor Of James Tobin books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Money Macroeconomics And Economic Policy Essays In Honor Of James Tobin versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Money Macroeconomics And Economic Policy Essays In Honor Of James Tobin books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Money Macroeconomics And Economic Policy Essays In Honor Of James Tobin books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they

can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Money Macroeconomics And Economic Policy Essays In Honor Of James Tobin books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Money Macroeconomics And Economic Policy Essays In Honor Of James Tobin books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Money Macroeconomics And Economic Policy Essays In Honor Of James Tobin books and manuals for download and embark on your journey of knowledge?
