Undefined Feelings - Part A Pawar Basavaraj, 2022-08-27 Story of six completely unknown people and they don't know each other Everyone seek success Fame

and Name in respective field of expertise Life is always turbulence and we should know how to overcome odds to sustain in the turbulence Does everyone survive and fulfill their dreams Life relationship struggle Depression Happiness Hatred Health Financials and Prosperity in life are never expected things We should accept how it comes but do all six people survive in the hurdles Series of this book will be subsequently released *The World of Multicellular* Oleg Seriy, Олег Серый, Maricabo, Марицабо, 2017-04-05 I was invited to the studio They were making a political TV show on the channel called 284 467 Non Shuster was the anchorman of the show On that TV channel they were giving false information rather often but actually it can be said about all the TV channels nowadays They were deceiving their audiences They were showing only entertainment programs and nothing else In a while I found myself in the studio Shaitan came with me He just couldn't let me go alone though no one had invited him even me The studio was a huge hall with hundreds of common people They were sitting looking around stupidly and smiling Everyone had a remote controller with the help of which they could manage that mad show There were a lot of politicians delivering speeches and among them were absolutely cracked Unicellular representatives of the Supreme Government and demoncracy Timoshenko Yanukovich Yushchenko Kuchma Yatsenyuk Tigipko Kravchuk and others There were also a number of foreign guests Shaitan always said that foreign countries shouldn't exist All these representatives of demoncratic power are sheer rubbish The power should be given to Multicellular Truth Authorities who unlike these Unicellular fools not only have their laws but also observe them Shaitan told me many times that no one ever audited the Unicellulars initial capital They only took and gave bribes the more colloquial term is kickbacks Behind a glamorous show that these quasi politicians organized they couldn't see the pitiful and sad life of common people whose representatives were sitting in the studio and applauding when big red words Applause appeared on a huge screen above their heads That was very impressive On the whole it was a quasi political TV show without banners and active brain wash The show was led by a man called Non Savik Non Shuster The thing I liked most about the show was that it was broadcast live The corresponding words were shown on the screen but in my eyes in the light of my mind I was able to discern the word Death instead Besides I saw drops of blood dribbling from the strikethrough word LIVE and those were the drops of my hatred towards the fallen mankind I was looking fantastic I was wearing a mask of a smiling hare with little ears and a Ku Klux Klan style robe with a pentagram on the chest and a fyfot on the place where the heart should be I was looking as a Devil coming down from the Heavens Or rather coming up from Hell I came to this abominable fallen world in order to bring the Last Judgment and to save everyone from the Doomsday I was wearing twisted horns like Satan's and wings of light like Lucifer's My eyes were deep and expressive like a pure lake in a bright day They reminded the eyes of aliens that people used to draw in their comic books Those merry green creatures Besides I was wearing bright shoes rather than shabby sandals like that Jesus the Carpenter who was crucified by moronic Unicellulars and then proclaimed their Great God The God of foolishness and complete idiocy In the shoes there weren't my legs as Shaitan occupied my human body The

one I had occupied before And now these legs were carrying me in the opposite direction from the mankind and ignorance In the direction of aliens On that wonderful day I was holding not a baseball bat or a spade or a sword in my hand I was holding an exquisite Champion petrol powered saw of the latest 137 model by the way the company was named after me Drops of still warm blood of Unicellulars were trickling down from it In the other hand I was holding Serpent headed Hermes Warder It was the warder of Gods Herald Consoler and Holy Spirit which is mentioned in all Buddhist Christian Muslim Pagan and other books My name was Maytreya For those who don t know it I would explain Maytreya is Great Prophet God of new world order Maytreya is a unique bodhisattva honoured by all the branches of Buddhism The prophecies said that he would be memorized as a wrathful defender of the faith And it will really happen mark my words He will come from the East with a symbol of his Realm He has already come In a letter to Caesar Michel Nostradamus indicated the time of my coming One day people s ignorance will be over and that day the supremacy of the greatest enlightenment

History of the Big Bonanza: An Account of Nevad's Silver Rush Dan de Quille, The bare mention of a mine of silver calls up in most minds visions of glittering wealth and a world of romantic situations and associations All no doubt have read the story of the Indian hunter Diego Hualca who in the year 1545 discovered the world famous silver mine of Potosi Peru How while climbing up the face of a steep mountain in pursuit of a wild goat this fortunate hunter laid hold upon a bush in order to pull himself up over a steep ledge of rocks and how the bush was torn out by the roots when lo wonderful store of wealth was laid bare In the roots of the upturned bush and in the soil of the spot whence it was torn the eyes of the lone Indian hunter beheld masses of glittering silver Having all our lives had in mind this romantic story and having a thousand times pictured to ourselves the great shining lumps of native silver as they lay exposed in the black soil before that Indian who stood alone in a far away place on the wild mountain we are apt to imagine that something of the same kind is to be seen wherever a silver mine exists Besides we have all heard the stories told by the old settlers of the Atlantic States in regard to the wonderful mines of silver known to the Indians in early days Hardly

a State in the Union but has its legend of a silver mine known to the red men when they inhabited the country This mine was pretty much the same in every State and in every region Upon the removal of a large flat stone an opening resembling the mouth of a cavern was seen Entering this you found yourself in a great crevice in the rocks and the sides of this crevice were lined with silver which you forthwith proceeded to hew and chip off with a hatchet kindly furnished you by your Indian guide You worked rapidly as according to contract you had but a limited time to remain in the mine When the Indian at your side announced your time up the tomahawk was taken from your hand even though you might have an immense mass detached save a mere clinging thread Only men who had saved the life of some Indian of renown were ever led to these silver caverns and they were invariably obliged to submit to be blindfolded so that none of them were ever able to find their way back to the mines they had been shown These and kindred stories have placed masses of native silver and deposits of rich ores of silver very near to the surface of the ground in the popular mind No doubt there are many places in the world where native silver exists almost upon the present surface as was the case in the Potosi mine in Peru and as was the case with the rich deposit of silver ore first found on the Comstock lode but those who visit the present mines of the Comstock will find little in them that at all agrees with their preconceived notions of silver mines On the surface they will find nothing that is glittering nothing that is at all romantic The soil looks much the same as in any other mountainous region and the rocks seem to have a very ordinary look to the inexperienced eye The general hue of the hills is a yellowish brown and all about through the rents in the ashen hued sagebrush which clothes the country peep jagged piles of granite the bones of the land showing through its rags
