

MONEY TALKS

A detailed illustration in a classic, slightly somber style. It depicts a person, possibly a woman, with dark hair and glasses, focused on counting money. Her hands are visible, one holding a coin. In front of her is a large, open ledger or account book with handwritten entries. To the left of the book is a small, ornate brass container, likely for a quill. The surface she is working on is covered with various coins and banknotes, suggesting a significant sum of money. The background is dark, making the scene of the ledger and money the central focus.
