Levinson, 2011-11-16 War brings them to life. Send them out on leave and they're a ragged band of losers who will tear any town apart. Bring them back and they're the most effective bloodletting machine the Japanese have ever had to face. The Rat Bastards. The MPs can't bust them because the Army needs them to win the war. This time they're faced with their bloodiest challenge ever as the brass sends them on a trip to the closest thing to hell on earth. The Pacific war zone known as Nightmare Alley. The Rat Bastards. A Ranger Born Robert W. Black, 2007-12-18 Even as a boy growing up amid the green hills of rural Pennsylvania, Robert W. Black knew he was destined to become a Ranger. With their three hundred year history of peerless courage and independence of spirit, Rangers are a uniquely American brand of soldier: one foot in the military, one in the wilderness, and that is what fired Black's imagination. In this searing, inspiring memoir, Black recounts how he devoted himself body and soul to his proud service as an elite U.S. Army Ranger in Korea and Vietnam, and what those years have taught him about himself, his country, and our future. Born at the start of the Great Depression, Black grew up on a farm at a time of great hardship but also tremendous national determination. He was a kid who toughened up fast, who learned the hard way to rely on his strength and his wits, who saw the country go to war with Germany and Japan and wept because he was too young to serve. As soon as the army would take him, Black enlisted. And as soon as he could muscle his way in, he became a Ranger. As a private first class in the 82d Airborne Division headquarters, Black withstood the humiliations of enlisted service in the peacetime brown shoe army. When the Korean War began, he volunteered and trained to be an Airborne Ranger. In

Korea this young warrior his mind and body bursting with the lusts of adolescence grew up fast literally in the line of fire In clean vivid prose Black describes the hell of giving his all for a country that lacked the political resolve to give its all to a war against the North Koreans and the Chinese If Korea was frustrating Vietnam was maddening The heart of this book is devoted to the years of action that Black saw in Long An Province starting in 1967 Black writes of the perplexity of collaborating with South Vietnamese officers whose culture and motives he never fully understood he conjures up the sudden shock of the Tet Offensive and the daily horror of seeing fellow soldiers and innocent civilians slaughtered sometimes by stray bullets often by carelessness or treachery Vietnam challenged everything Black had come to believe in and left him totally unprepared for the hostility he would face when he returned to a war weary America Written with extraordinary candor and passion A Ranger Born is the memoir of a man who dedicated the best of his life to everything that is great and enduring about America At once intimate in its revelations and universal in its themes it is a book with profound relevance to our own troubled time in history Finally.. RE-BORN! MAHENDRA KAPADIA,2025-02-18 Finally RE BORN will boost your engine power The book ushers you into a smooth Transformational journey helping you re fill your mind space with determination and commitment You will start experiencing power towards achieving your personal victory in 21 days A Treasure house of nuggets and practical tips facilitates your transformation leading to significantly increased levels of creativity decisiveness and performance The Workbook Format will drive you towards regaining your faith in yourself and bringing out your Genius With a daily empowering routine you will be oozing with hope passion courage action and be Finally RE BORN into a new victorious avatar **Born of War** Anderson Harp,2015-03 The first target is a church in Mobile Alabama The bomb is a savage act of domestic terror that will earn the respect of jihadists across the world Especially the deranged leader of Al Shabab The bombing has also drawn the attention of the FBI CIA NSA and special operative William Parker Recovering from a tragic loss Parker is not ready to return to active duty But when he learns that the terrorists possess anti ship missiles he must destroy the enemy or deal with the terrifying consequences
