C. McGannon, C. Michael McGannon, 2015-09-17 Monsters are real They have always been here even when we choose not to see them Now for the residents of Hunter's Grove the choice is no longer theirs As a power hungry varcolaca Greater tries to break through the magic holding him back and lead his army of monsters to vengeance against human kind there are five who unknowingly possess the power to finish what centuries of humans before them have been unable to do Charlie Sullivan and his band of new friends will be tested as they attempt to strengthen the magic that can lock the monsters and their evil prince away for good even if the cost is their lives This is the story of five unlikely friends who uncover the sinister past buried under their sleepy hometown of Hunter's Grove This is a story about looking past differences overcoming fears and rediscovering what is truly important in this life This is the story of Charlie Sullivan and the Monster Hunters of Hunter's Grove *Flash of Insight* Stephen S. The Journey to the West, Revised Edition, Volume 1 Anthony C. Yu, 2013-04-05 Read the legendary Chinese classic that inspired the hit game Black Myth Wukong Anthony C Yu's translation of *The Journey to the West* initially published in 1983 introduced English speaking audiences to the classic Chinese novel in its entirety for the first time Written in the sixteenth century *The Journey to the West* tells the story of the fourteen year pilgrimage of the monk Xuanzang one of China's most famous religious heroes and his three supernatural disciples in search of Buddhist scriptures Throughout his journey Xuanzang fights demons who wish to eat him communes with spirits and traverses a land riddled with a multitude of obstacles both real and fantastical An adventure rich with danger and excitement this seminal work of the Chinese literary canon is by turns allegory satire and fantasy With over a hundred chapters written in both prose and poetry *The Journey to*

the West has always been a complicated and difficult text to render in English while preserving the lyricism of its language and the content of its plot But Yu has successfully taken on the task and in this new edition he has made his translations even more accurate and accessible The explanatory notes are updated and augmented and Yu has added new material to his introduction based on his original research as well as on the newest literary criticism and scholarship on Chinese religious traditions He has also modernized the transliterations included in each volume using the now standard Hanyu Pinyin romanization system Perhaps most important Yu has made changes to the translation itself in order to make it as precise as possible One of the great works of Chinese literature The Journey to the West is not only invaluable to scholars of Eastern religion and literature but in Yu s elegant rendering also a delight for any reader
