things yet to come such as the final disintegration of Carolingian rule the eventual establishment of the Capetian line of monarchs and the creation of a French Danelaw namely Normandy Ultimately however Abbo is not concerned with an impartial narration of events but rather with salvation through history of the individual and of the nation of the Franks The macaronic style of his chronicle very much appealed to the sensibilities of the time thus ensuring that Abbo's work would endure *The American Angler*, 1916
