AB Bookman's Weekly ,1998 The Monstrous Regiment of Women S. Jansen,2002-10-17 In *The Monstrous Regiment of Women* Sharon Jansen explores the case for and against female rule by examining the arguments made by theorists from Sir John Fortescue 1461 through Bishop Bossuet 1680 interweaving their arguments with references to the most well known early modern queens The story of early modern European political history looks very different if instead of focusing on kings and their sons we see successive generations of powerful women and the shifting political alliances of the period from a very different and revealing perspective **Monstrous Regiment** David J. Mitchell,1965 Comprehensive report on the role of British women in industry service auxiliaries etc Into the Closet Victoria Flanagan,2013-08-21 *Into the Closet* examines the representation of cross dressing in a wide variety of children s fiction ranging from picture books and junior fiction to teen films and novels for young adults It provides a comprehensive analysis of the different types of cross dressing found in children s narratives raising a number of significant issues relating to the ideological construction of masculinity and femininity in books for younger readers Many literary and cultural critics have studied the cultural significance of adult cross dressing yet although cross dressing representations are plentiful in children s literature and film very little critical attention has been paid to this subject to date *Into the Closet* fills this critical gap Cross dressing demonstrates how gender is symbolically constructed through various items of clothing and apparel It also has the ability to deconstruct notions of problematizing the relationship between sex and gender *Into the Closet* is an important book for academics teachers and parents because it demonstrates how cross dressing rather than being taboo is frequently used in children s literature and film as a strategy to educate or enculturate children about gender **The Encarta Book of Quotations** Bill Swainson,2000-09-30 Here are 25 000 quotations drawn from the history politics literature religions science and popular culture of the world ranging from the earliest Chinese sages through Shakespeare to the present day *The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces* ,1873 **The Spectator** ,1838 A weekly review of politics literature theology and art St. George's Gazette ,1910 Lend Me Your Ears Antony Jay,2010-10-28 Now available in Oxford Paperback Reference the fourth edition of the Oxford Dictionary of Political Quotations brings together both words of wisdom and things that might have been better left unsaid A mouth watering collection for anyone with an interest in history and politics Christian Register and Boston Observer... ,1916
