Monte Carlo Opera 1879 1909:

Monte Carlo Opera, 1879-1909 T. J. Walsh, 1975 *Monte Carlo Opera* T. J. Walsh, 1975 *Opera in the British Isles, 1875-1918* Paul Rodmell, 2016-05-13 While the musical culture of the British Isles in the long nineteenth century has been reclaimed from obscurity by musicologists in the last thirty years appraisal of operatic culture in the latter part of this period has remained largely elusive Paul Rodmell argues that there were far more opportunities for composers performers and audiences than one might expect an assertion demonstrated by the fact that over one hundred serious operas by British composers were premiered between 1875 and 1918 Rodmell examines the nature of operatic culture in the British Isles during this period looking at the way in which opera was produced and consumed by companies and audiences the repertory performed social attitudes to opera the dominance of London's West End and the activities of touring companies in the provinces and the position of British composers within this realm of activity In doing so he uncovers the undoubted challenges faced by opera in Britain in this period and delves further into why it was especially difficult to make a breakthrough in this particular genre when other fields of compositional endeavour were enjoying a period of sustained growth Whilst contemporaneous composers and commentators and later advocates of British music may have felt that the country's operatic life did not measure up to their aspirations or ambitions there was still a great deal of activity and even if this was not necessarily that which was always desired it had a significant and lasting impact on musical culture in Britain

Monte Carlo Opera, 1910-1951 T. J. Walsh, 1986 **Opera Acts** Karen Henson, 2015-01-15 *Opera Acts* explores a wealth of new historical material about singers in the late nineteenth century and challenges the idea that this was a period of decline for the opera singer In detailed case studies of four figures the late Verdi baritone Victor Maurel Bizet's first Carmen C lestin e Galli Mari Massenet's muse of the 1880s and 1890s Sibyl Sanderson and the early Wagner star Jean de Reszke Karen Henson argues that singers in the late nineteenth century continued to be important but in ways that were not conventionally vocal Instead they enjoyed a freedom and creativity based on their ability to express text act and communicate physically and exploit the era's media By these and other means singers played a crucial role in the creation of opera up to the end of the nineteenth century *Opera Companies and Houses of Western Europe, Canada, Australia and New Zealand* Karyl Lynn Zietz, 2024-10-15 Although books have been written about various opera houses throughout the world no one work has covered more than a relatively small number of the larger well known companies and houses and none have made more than brief mention of the smaller houses No book has comprehensively listed opera repertories Little in sum has been written about any of the smaller companies and houses located in non English speaking countries This is the most comprehensive reference book ever written on opera companies and houses in Western Europe Canada Australia and New Zealand over 300 from the well known to the smaller Each entry includes a history of the opera house or company the works title and composer and type of productions offered company staff world and country premieres repertory and practical
