**Making Music American** E. Douglas Bomberger,2018-11-01 The year 1917 was unlike any other in American history or in the history of American music The United States entered World War I jazz burst onto the national scene and the German musicians who dominated classical music were forced from the stage As the year progressed New Orleans natives Nick LaRocca and Freddie Keppard popularized the new genre of jazz a style that suited the frantic mood of the era African American bandleader James Reese Europe accepted the challenge of making the band of the Fifteenth New York Infantry into the best military band in the country Orchestral conductors Walter Damrosch and Karl Muck met the public demand for classical music while also responding to new calls for patriotic music Violinist Fritz Kreisler pianist Olga Samaroff and contralto Ernestine Schumann Heink gave American audiences the best of Old World musical traditions while walking a

tightrope of suspicion because of their German sympathies Before the end of the year the careers of these eight musicians would be upended and music in America would never be the same Making Music American recounts the musical events of this tumultuous year month by month from New Year's Eve 1916 to New Year's Day 1918 As the story unfolds the lives of these eight musicians intersect in surprising ways illuminating the transformation of American attitudes toward music both European and American In this unsettled time no one was safe from suspicion but America's passion for music made the rewards high for those who could balance musical skill with diplomatic savvy *The Life of Mark Twain* Gary

Civetta, 2012-09-01 Amadeus Lauded by Verdi Debussy and other music legends the celebrated conductor Arturo Toscanini raised the standards of orchestral and operatic performance over an astonishing 69 years on the podium But as he did so he acquired a reputation as something of a tyrant who unleashed an explosive temper at musicians if rehearsals did not meet his expectations In *The Real Toscanini* Cesare Civetta presents an intriguing collection of vivid one of a kind interviews with artists who performed with Toscanini A portrait of the inner workings of the maestro emerges through these extensive conversations conducted by the author over a period of 20 years together with other firsthand recollections These accounts clarify Toscanini's philosophy musical style and techniques They depict a man tormented by inner demons of anger and depression which were easily triggered by his frustration at being unable to produce the musical ideal in his mind's ear Toscanini is also revealed as a vehement anti Fascist and an unequivocal opponent of totalitarianism and racism he defied Mussolini and publically opposed Hitler The book includes a comprehensive account of his 1936 inauguration of what is now known as the Israel Philharmonic in solidarity with Jewish refugee musicians Toscanini comes through in this book as a tortured but deeply humane individual who strove to constantly improve a sincere and humble musician who was nevertheless the preeminent maestro of the 20th century **The Mark Twain Encyclopedia** J.
