Narasimha Rao The Best Prime Minister:

Narasimha Rao, the Best Prime Minister? Janak Raj Jai, 1996 **A History of Modern South Asia** Ian Talbot, 2016-01-01 TWELVE Pakistan's National Crisis and the Birth of Bangladesh THIRTEEN Bangladesh Since Independence FOURTEEN Pakistan Since 1971 FIFTEEN India Shining SIXTEEN The Contemporary International Relations of South Asia Chronology Notes Glossary Bibliography Illustration Credits Index A B C D E F G H I J K L M N O P Q R S T U V W Y Z *Foreign Policies of India's Prime Ministers* Harish Kapur, 2013-11-01 The book is on the Prime Ministers of India since Jawaharlal Nehru. A chapter is devoted to each of them with a focus on their foreign policies. The broad organisational framework designed and deployed in this publication begins with a brief analysis of their formative years, their perceptions of the international system and the architecture of their foreign policies before delving into their decisional process and before concluding with an evaluation of their role. All the Prime Ministers were obviously not interested in international affairs. Though the dimensional size of the country had unavoidably pushed all of them to deal with foreign affairs, their role was variegated and their performance was unequal. While the Nehru-Gandhi family were the icons of Indian diplomacy, there were others like Morarji Desai, V. P. Singh, H. D. Deve Gowda, Chandra Shekar etc. who were really marginal, either because their mandate was limited by time or by interest. The uniqueness of the book lies in the fact that the author has dealt with all the Prime Ministers, including the ones for whom foreign policy was not crucial. *Brushes With History* Krishna Kumar Birla, 2009-04-17 What a family! Simple and complex, traditional and modern, religious and rational, money-minded and money-renouncing, Indian and international, fiercely individualistic and inspiringly loyal. P. Lal. In a life spanning nine decades, Krishna Kumar Birla, son of the legendary Ghanshyam Das Birla, witnessed events that shaped India in the twentieth century and had close associations with iconic figures like Mahatma Gandhi, Madan Mohan Malviya, Jayaprakash Narayan, Jawaharlal Nehru and Indira Gandhi. Head of one of India's leading business houses, K. K. Birla embraced principles in which the creation of wealth, philanthropy and political leadership were all regarded as part of nation building. Written in a style that is simple and translucent in its sincerity, *Brushes with History* brings alive an important era in the life of the nation, its changing social mores, evolving principles of corporate governance and enduring family values. In an affectionate and moving tribute, K. K. Birla's daughter, Shobhana Bhartia, acquaints readers with her father's spiritual strength and moral values, which were an integral part of his life. *The Hindu Nationalist Movement in India* Christophe Jaffrelot, 1996 Using techniques similar to those of nationalist groups in other nations, Jaffrelot contends the Hindu movement polarizes Indian society by stigmatizing minorities, chiefly Muslims and Christians, and by promoting a sectarian Hindu identity. **A Diplomat Reveals** Prem K. Budhwar, 2007 Memoirs of the author, Indian diplomat. *Prime Minister P.V. Narasimha Rao, India's Great Expectation* Saroj Prasad, 1991

Malevolent Republic K.S. (Kapil Satish) Komireddi, 2024-03-28 After decades of imperfect secularism presided over by an often corrupt Congress establishment, Nehru's diverse republic has yielded to Hindu nationalism. India, the first major

democracy to fall to demagogic populism in the twenty first century is racing to a point of no return Since 2014 the ruling BJP has unleashed forces that are irreversibly transforming the country Indian democracy honed over decades is now the chief enabler of Hindu extremism Bigotry has been ennobled as a healthy form of self assertion Anti Muslim vitriol has deluged the mainstream Religious minorities live in terror of a vengeful majority Congress now mimics Modi other parties pray for a miracle In this highly acclaimed critique of post Independence India from Nehru to Narendra Modi revised and expanded with a new chapter K S Komireddi charts the dismaying course of the world s largest democracy He argues that the missteps of the nation s founders the mistakes of Nehru the betrayals of his daughter and her sons the anti democratic fetish for technocracy carried to extremes by Manmohan Singh all of them prepared the way for Modi s march to absolute power If secularists fail to wrest the republic from Hindu supremacists Komireddi argues India may go the way of Yugoslavia and collapse under the burden of sinister ethno religious nationalism A gripping short history of modern India Malevolent Republic is also a passionate plea for India s reclamation

Why Leaders Fight Michael C. Horowitz, Allan C. Stam, Cali M. Ellis, 2015-09-29 The history of political events is made by people From wars to elections to political protests the choices we make our actions how we behave dictate events Not all individuals have the same impact on our world and our lives Some peoples choices alter the pathways that history takes In particular national chief executives play a large role in forging the destinies of the countries they lead *Why Leaders Fight* is about those world leaders and how their beliefs world views and tolerance for risk and military conflict are shaped by their life experiences before they enter office military family occupation and more Using in depth research on important leaders and the largest set of data on leader backgrounds ever gathered the authors of *Why Leaders Fight* show that within the constraints of domestic political institutions and the international system who ends up in office plays a critical role in determining when and why countries go to war

The Untold Vajpayee Ullekh N P, 2018-01-01 Despite his grand secular statements in Parliament that bordered on the Nehruvian Atal Bihari Vajpayee has often taken brief excursions into the hardline camp In 1983 he made an incendiary speech during the Assam elections in which the presence of Bangladeshi foreigners in the state was a big issue Even the BJP had disowned Vajpayee s speech which possibly inspired the massacre of over 2000 people mostly Muslims in Nellie in Assam Vajpayee one of the shrewdest politicians of India is known for negotiating multiple contradictions from militant nationalism to his secret family life his stint as a communist his indulgence in food influence of Gandhi and Nehru Narendra Modi and Gujarat issues foreign policies and his attempt to project himself as a moderate face if not liberal among others Exploring crucial milestones of Vajpayee s career and his traits as a seasoned politician the book looks at his relationship with leaders of his party and the love hate association with RSS and its feeder organizations Thoroughly researched supported by hard facts and accompanied by inside stories and anecdotes insightful interviews and archival photographs *The Untold Vajpayee* would open a window to the life and times of a poet politician
