everywhere His grandmother was nearly killed when gunmen opened fire on the wrong house leaving young Stephen to pick at the bullet holes in the walls He found refuge from this turmoil in heavy metal especially the music of Ozzy Osbourne As a pre internet teenager he hunted down dozens of live concert bootlegs corresponding by mail with collectors around the world and devoured every music magazine he could find In late 1984 when Stephen was fifteen he read about a huge festival in Rio de Janeiro that January called Rock In Rio whose bill included AC DC Queen and Osbourne As a lark he mentioned it to his dad and was stunned when he said they should go He was even more shocked when his mother looking for information about how to get tickets began a correspondence with Osbourne s secretary who scored the family VIP passes and introduced them to Osbourne in Brazil Thus began a friendship with Ozzy his wife Sharon and the rest of the Osbourne family that has continued for decades While traveling on tour in the mid nineties Ozzy gifted Stephen a pair of fancy leather notebooks and told him to keep a record of their adventures and conversations The result is Ozzy Me a beautiful behind the scenes memoir that proves the life affirming soul nourishing power of music and disproves the notion that you should never meet your heroes
