Christian principle giving is part of the command of Jesus Giving of our self to the God and to the world at large is a component that has to be adhered to if one professes to be a Christian The fourth Christian principle church is necessary for stability in our life as a Christian It s important for any Christian to have a place where they can get Christian fellowship after all fellowship is one of the key truths found in the New Testament The fifth Christian principle witnessing is a command of Jesus The Great Commission found in the Gospel of Matthew and Acts orders us as Christians to go out into the world and tell others about the saving grace in Jesus Christ The Old Testament and New Testament have been used to prove the legitimacy of the five Christian principles Throughout my ministry I ve personally seen these principles practiced by my parents family local church members and of course myself These principles work and if practiced a change can occur in the life of the Christian who consistently makes them a part of their life

Jerry Cook,Stanley C. Baldwin,2009-07-15 How can the Church be a healing force in the world In this long time bestseller now revised and update authors Jerry Cook and Stanley C Baldwin suggest that it is only when believers admit their own brokenness that they can love accept and forgive those who are hurting around them and put out the welcome mat to their community They offer clear teaching about the Church in a hurting world and as veteran leaders who practice these principles they speak from experience not theory Through touching true stories and practical guidelines for connecting with fallen sinful people Cook and Baldwin announce the good news The church is not broken and it is the broken people who can change the world *Principles of Lutheran Theology* Carl E. Braaten,1985 First published in 1983 Principles of Lutheran Theology has guided students into theological reflection on the landmarks of Christian faith as understood in the Lutheran confessional heritage for a generation The book sets forth the main principles of classical Lutheran theology but with an eschatological accent Canon confession ecumenicity Christ centeredness sacrament law gospel and two kingdoms are all examined not only in terms of their original meaning and historical development but also in light of current reflections In this new edition Braaten takes stock of the research and reflection of the last twenty five years and also adds a chapter on the distinctive Archimedean Lutheran insight into the hiddenness of God as a fount or ground of all theologizing This new edition cross referenced to key readings in Luther s Works and The Book of Concord will both equip and facilitate the search for a contemporary articulation of Christian identity in light of the church s historic commitments *The LEGO Principle* Joey Bonifacio,2012-09-04 Love God Love Your Neighbor Jesus called these the two most important commandments of all time When He said this He was making something clear to His listeners then as He does now in life it all boils down to our relationships Using the example of LEGO a company that has been transforming the way people play for more than fifty years Joey Bonifacio shows you how to make a difference one connection at a time *The Collected Works of Witness Lee, 1969, volume 3* Witness Lee, The Collected Works of Witness Lee 1969 volume 3 contains messages given by Brother Witness Lee

ministering 1600 years apart both pastors share the same core values care for people Christ like character biblical preaching and world missions This suggests that continued emphasis on these principles will play a significant role in fulfilling the Great Commission independent of time and place *Principles of Catholic Theology, Book 2* Thomas Joseph White, 2024-01-11 Catholic theology has to ask and answer fundamental questions what is the nature and content of Christian revelation what are the sources of revelation how are the mysteries of the faith to be understood in relation to one another and how do the truths of the Catholic faith relate to those of natural reason In this four book set within the larger Thomistic Ressourcement series Thomas Joseph White answers these fundamental questions and discusses the central mysteries of faith as they relate to God and human beings Book 1 is a set of essays about the task of Catholic theology from a Thomistic point of view Book 2 is an argument for the reasonableness of Christianity in a secular and pluralistic age Book 3 is a set of essays on Trinitarian Christological and creation theology Book 4 is a set of essays on theological anthropology including Mariology and ecclesiology
