Spiritual Activism Wanda Krause,2013-12-06 Steve Jobs and others like him teach us about a higher or inner knowledge and about the use of spiritual keys for success These keys work because they are linked to universal laws that govern our universe regardless of whether we choose to learn and live by them or not Our actions all have consequences People who choose to recognize the consequence of success use keys governed by basic physics They consciously choose actions according to notions of principles Wanda Krause calls people who have learned these keys or principles and actively use them spiritual activists In her book *Spiritual Activism Keys for Personal and Political Success* Krause provides 12 keys for success that include principles taught by mystics and are grounded in physical laws of the universe Through observations interviews and direct participation with hundreds of activists over a 12 year period she has found their challenges are becoming more and more complex yet they are still able to discover keys to success no matter what country they are in the various aspects of the culture around them or the particular challenges they face Krause presents ten activists stories to show how they achieve real success Themes include overcoming personal challenges such as substance abuse or cancer creating true miracles entrepreneurship service after a life of abandonment post war peace politics around new environmental threats terrorism politics around nuclear programs lessons from the Arab Spring compassionate justice and a new world economic system The activists provide awareness of their concerns while they provide guidance and examples using spiritual keys For Krause whether struggles are considered personal or political they are all embedded in power dynamics that must be transformed and it is her belief that spiritual activism is the only sustainable way forward It is important to note not all of those she identifies in her book as spiritual activists affirm a religious belief some are atheists

some are agnostic the important message here is these are imperfect beings that truly align their goals with conscious duty and purpose with a strong inner calling and principled action Spiritual Activism offers the essential keys to success with success defined as achieving all that is going to help readers live with purpose These 12 keys include Living Your Purpose Spiritual Intelligence Energy Vibrations Interdependence The Law of Attraction Purification Developing Your Whole Self Beliefs of the Mind The Law of Love Intention for Manifestation Prayer Faith in the Divine Readers will easily identify with the spiritual activists in Krause's book there is nothing otherworldly or extraordinary about them other than their chosen commitment to lead a life filled with meaning and as a result they are helping to change the world for the betterment of everyone

Connecting Spirituality and Social Justice Michael Sheridan, 2016-04-08 Jim Wallis well known justice advocate and author has stated that the two great hungers in the world today are for spirituality and social justice Although social work and related fields have increasingly recognized the importance of addressing spirituality within clinical practice less attention has been paid to the role of spirituality in promoting social justice or supporting social change within macropractice The contributions in this edited collection highlight current developments in this area including emerging conceptual frameworks practice applications and research findings Theoretical approaches to understanding the link between spirituality and justice are explored in analyses of alternative models of social justice and justice orientations of major faith traditions The critical role of spirituality in larger system change is illustrated through exemplars of research on vulnerable populations community practice legislative advocacy development of social movements and ecological social work The importance of including content on religion and spirituality in professional curricula is explored through research on students attitudes toward spirituality and social advocacy Noting the resonating themes within all of these contributions the volume concludes with an overview of emerging principles for spiritual activism This book aims to stimulate further development in the vital connection between spirituality and social justice It was originally published as a special issue of the *Journal of Religion Spirituality in Social Work*
