Decision Making for Transformational Presence Justine Chinoperekweyi, 2018-02-28 The ability to quickly make good decisions is the hallmark for transformational presence The ability to make decisions that work is an essential characteristic that the world has been and is still yelling for The world is crying groaning yelling for most of us to revisit our decision making processes to incorporate transformational presence and to incorporate even the basics of genuine transformation within ourselves and around us This book is a transformational guide to making such decisions that work on the bigger picture The book introduces models and concepts to effective and transformational decision making skills at a time when most people have put off making decisions by endlessly searching for more information or entirely outsourcing other people to offer their recommendations There is an increasing peril of dependence in decision making among most individuals A fundamental question cannot be answered by someone else Individuals families organizations and societies have the wisdom and capacity to champion transformation by refining their decision making capacities To refine that capacity it is essential to create light within self by igniting your decision making capacity through enhancing your perception and intelligence

21 Ways to Finding Peace and Happiness Joyce Meyer, 2007-05-21 In today s world peace is hard to come by When personal desires are followed serenity is forfeited By submitting one s life to God a peace filled life is ensured Maintaining peace is a choice says Joyce Meyer as she discusses how to be at peace with yourself the importance of having peace with God and the paradox that peace equals power Joyce says peace is one of the greatest gifts God has given us and is the only way to true happiness Readers will find 21 Ways to Find Peace Happiness to be a guidebook for success on their journey

Making Sense of Social Theory Charles H. Powers, 2010-01-16 Making Sense of Social Theory opens by carefully exploring what it means to follow the scientific method in a field like sociology The author goes on to analyze sociology as a genuine science with a body of explanatory insights It does this by a considering the major insights of key thinkers including Marx Durkheim Weber and Mead among others b distinguishing different analytical frameworks especially exchange symbolic interactionism conflict and structural functionalism in terms of their underlying assumptions and c revealing compelling social science explanatory insights in the form of predictive principles that can be applied in understanding processes of change at work in the social world from face to face encounters to major historical trends Sociological theory is applied in ways that make its relevance and power apparent In reading this book theory no longer stands divorced from real world research or practice Making Sense of Social Theory clearly establishes the pertinence of sociology s great theoretical insights for all social science researches and
