Bradley Van Vleet Jr.,2021-03-16 I know what you re thinking Another book on money And you re right this is another book on money but it s probably not quite from the angle that you re thinking *Money Matters to God* is a book about seeing finances through the eyes of God instead of the eyes of society Through this book we will walk through the scripture to see what the Bible actually has to say about money and how we should use it You may be surprised to see what s there Money is an important topic to God You can clearly see that through the Old and New Testaments Jesus talked more about money than He did about heaven or hell Money is important to God simply because it s important to us Sometimes too important My prayer is that through this book you will be able to shed the burden of financial stress through priority and perspective **Arise and Ascend** Mari Tello,2009-03 IT S TIME TO ARISE ASCEND With loads of distractions in today s world it s quite simple for people to slip into a trap of false perception without realizing it An untruth of where they may fit in and their purpose in life can quickly disrupt their mindset to settle for less than the wonderful plan God has for them Unfortunately while the high paced society of technology and information are expediently rising God s abundant freedom restoration and purpose that is always available to mankind is at an alarming low within their lives Evidence of this can be seen through the condition of people Numerous individuals are depressed lonely and dissatisfied with their present lifestyle far too many of them are women In reference to women why has there been a drastic decline of happiness fulfillment love and joy within their lives In this book I will be exposing deception plots that have held back women from advancing in their God given purpose and will be sharing why now is the time for women to awaken to who they are in Christ and explain how to undergo the transformation of change in order to lay hold of God s freedom

Priorities Rich Hatfield,2010-11 Ask yourself is there a better way to live TRIORITIES challenges you to make the effort to mentally step out of the game for a moment and to consider your life where it has brought you your priorities and where it will probably take you if you stay the course TRIORITIES will help you to consider if there might be a better way to live TRIORITIES is about a life of focus a life of balance and a life that you endeavor to live well and enjoy along the way Are you running from one task to the next but not enjoying any of it Are you climbing ladders only to find the view from the top less than appealing Then I challenge you to take a break from the treadmill of life to look at your life your choices your track record and ultimately your future Ask yourself am I who I want to be Am I all that God intended for me to be Have I tried to be too many things and failed to master any of them If that simple evaluation brings you to a point of realization that maybe there might be a better way to do things then just maybe this is a plan for you to consider TRIORITIES involves simple logic that challenges you to take a three step process to evaluate life develop a plan to become what you want to become and then implement that plan in your life Consider the value of simplicity in setting priorities in a complex world Consider simplicity from a standpoint of being focused on three areas of life that we truly need to properly invest ourselves in and manage accordingly The three priorities of the TRIORITIES lifestyle are God Family and Work
