# Prisoners Of The Japanese

**Jeffrey L. Littlejohn, Charles H. Ford**

## **Prisoners Of The Japanese:**

Prisoners of the Japanese Gavan Daws, 1994 Over 140 000 Allied prisoners were taken by the Japanese during World War II Based on hundreds of interviews with those who survived here are the harrowing moving recollections of Americans before during and after their capture men whose ordeal has been overlooked by independent historians and purposely ignored by official accounts 16 pages of photos **Prisoners of the Japanese** Gavan Daws, 2006 Prisoners of the Empire Sarah Kovner, 2020-09-15 A pathbreaking account of World War II POW camps challenging the longstanding belief that the Japanese Empire systematically mistreated Allied prisoners In only five months from the attack on Pearl Harbor in December 1941 to the fall of Corregidor in May 1942 the Japanese Empire took prisoner more than 140 000 Allied servicemen and 130 000 civilians from a dozen different countries From Manchuria to Java Burma to New Guinea the Japanese army hastily set up over seven hundred camps to imprison these unfortunates In the chaos 40 percent of American POWs did not survive More Australians died in captivity than were killed in combat Sarah Kovner offers the first portrait of detention in the Pacific theater that explains why so many suffered She follows Allied servicemen in Singapore and the Philippines transported to Japan on hellships and singled out for hard labor but also describes the experience of guards and camp commanders who were completely unprepared for the task Much of the worst treatment resulted from a lack of planning poor training and bureaucratic incoherence rather than an established policy of debasing and tormenting prisoners The struggle of POWs tended to be greatest where Tokyo exercised the least control and many were killed by Allied bombs and torpedoes rather than deliberate mistreatment By going beyond the horrific accounts of captivity to actually explain why inmates were neglected and abused *Prisoners of the Empire* contributes to ongoing debates over POW treatment across myriad war zones even to the present day *Surviving the Sword* Brian MacArthur, 2005 During World War II there were few fates that could befall a soldier so hellish as internment in a Japanese prisoner of war camp To this day many survivors most of whom are in their eighties still cannot talk about their experiences without unearthing terrible memories *Surviving the Sword* gives voice to these tens of thousands of Allied POWs and offers us a powerful reminder of the terror and depravations of war and the resilience of the human spirit In this important book Brian MacArthur draws on the diaries of American British Dutch and Australian Fepows Far Eastern prisoners of war some of whose recollections are published here for the first time These soldiers wrote and kept their diaries in secret because they were determined that to record for posterity how they were starved and beaten marched almost to death or transported on hellships how their fellows were summarily executed by guards or felled by the thousands by tropical diseases and how they were used as slave labor most notoriously on the Burma Thailand railway as depicted in *The Bridge on the River Kwai* The diaries excerpted in this book make plain why the Fepows believed that their brutal treatment by Japanese and Korean guards was literally incomprehensible to those who did not live it The prisoners whose stories appear here risked torture and execution to keep diaries and make sketches and drawings that

they hid from the guards wherever they could sometimes burying them in the graves of lost comrades The survivors narratives reveal not just a litany of horrors but are a moving testament to the nobler instincts of humanity as well detailing how the POWs prevailed over horrible conditions even finding or creating a precious few creature comforts and sustaining the rudiments of culture learning and play Forced into solidarity by inhuman conditions the soldiers showed incredible compassion for one another improvising ingenious ways to care for the sick boost morale by subtly mocking their jailers authority or even turn meager rations into the occasional feast Countless thousands died in Japanese prison camps during World War II Those fortunate enough to emerge from their ordeal were never the same again Surviving the Sword at last fills a notable historical gap in our understanding while also commemorating and memorializing the POWs struggle and sacrifice

*Prisoners of the Japanese* Roger Bourke, 2006 Between December 1941 and May 1942 the Japanese army took more than 130 000 allied prisoners of war more than a quarter did not survive their imprisonment Here Bourke analyses the major novels and films of the prisoners of war experience under the Japanese and uncovers the extent to which these fictions have influenced our beliefs

*Civilian Prisoners of the Japanese in the Philippine Islands*, 2002

*Lost Childhood* Annelex Hofstra Layson, Herman J. Viola, 2008 The author recounts her childhood experiences as a Japanese prisoner during World War II

*The Anguish of Surrender* Ulrich A. Straus, 2011-10-01 On December 6 1941 Ensign Kazuo Sakamaki was one of a handful of men selected to skipper midget subs on a suicide mission to breach Pearl Harbor's defenses When his equipment malfunctioned he couldn't find the entrance to the harbor He hit several reefs eventually splitting the sub and swam to shore some miles from Pearl Harbor In the early dawn of December 8 he was picked up on the beach by two Japanese American MPs on patrol Sakamaki became Prisoner No 1 of the Pacific War Japan's no surrender policy did not permit becoming a POW Sakamaki and his fellow soldiers and sailors had been indoctrinated to choose between victory and a heroic death While his comrades had perished he had survived By becoming a prisoner of war Sakamaki believed he had brought shame and dishonor on himself his family his community and his nation in effect relinquishing his citizenship Sakamaki fell into despair and like so many Japanese POWs begged his captors to kill him Based on the author's interviews with dozens of former Japanese POWs along with memoirs only recently coming to light *The Anguish of Surrender* tells one of the great unknown stories of World War II Beginning with an examination of Japan's prewar ultranationalist climate and the harsh code that precluded the possibility of capture the author investigates the circumstances of surrender and capture of men like Sakamaki and their experiences in POW camps Many POWs ill and starving after days wandering in the jungles or hiding out in caves were astonished at the superior quality of food and medical treatment they received Contrary to expectations most Japanese POWs psychologically unprepared to deal with interrogations provided information to their captors Trained Allied linguists especially Japanese Americans learned how to extract intelligence by treating the POWs humanely Allied intelligence personnel took advantage of lax Japanese security precautions to gain extensive information from captured documents A few

POWs recognizing Japan's certain defeat even assisted the Allied war effort to shorten the war. Far larger numbers staged uprisings in an effort to commit suicide. Most sought to survive, suffered mental anguish and feared what awaited them in their homeland. These deeply human stories follow Japanese prisoners through their camp experiences to their return to their welcoming families and reintegration into postwar society. These stories are told here for the first time in English.

**Japanese Prisoners of War** Philip Towle, Margaret Kosuge, Yoichi Kibata, 2000-01-01 During the Second World War the Japanese were stereotyped in the European and American imagination as fanatical, cruel and almost inhuman. This view is unhistorical and simplistic. It fails to recognise that the Japanese were acting at a time of supreme national crisis and it fails to take account of their own historical tradition. The essays in *Japanese Prisoners of War* by both Western and Japanese scholars explore the question from a balanced viewpoint, looking at it in the light of longer term influences, notably the Japanese attempt to establish themselves as an honorary white race. The book also addresses the other side of the question, looking at the treatment of Japanese prisoners in Allied captivity. *Prisoners of The Japanese* Gavin Daws, 1996-01-16 Gavin Daws combined ten years of documentary research and hundreds of interviews with surviving POWs to write this explosive first and only account of the experiences of the Allied POWs of World War II. The Japanese Army took over 140 000 Allied prisoners and one in four died the hands of their captors. Here Daws reveals the survivors' haunting experiences from the atrocities perpetrated during the Bataan Death March and the building of the Burma Siam railroad to descriptions of disease, torture and execution. ***Prisoners of the Empire*** Sarah C. Kovner, 2020 *The Enemy Within: Never Did Without* Jeffrey L. Littlejohn, Charles H. Ford, 2015-08-17 Camp Huntsville was one of the first and largest POW camps constructed in America during World War II. Located roughly eight miles east of Huntsville, Texas, in Walker County, the camp was built in 1942 and opened for prisoners the following year. The camp served as a model site for POW installations across the country and set a high standard for the treatment of prisoners. Between 1943 and 1945 the camp housed roughly 4 700 German POWs and experienced tense relations between incarcerated Nazi and anti-Nazi factions. Then, during the last months of the war, the American military selected Camp Huntsville as the home of its top secret re-education program for Japanese POWs. The irony of teaching Japanese prisoners about democracy and voting rights was not lost on African Americans in East Texas, who faced disenfranchisement and racial segregation. Nevertheless, the camp did inspire some Japanese prisoners to support democratization of their home country when they returned to Japan after the war. Meanwhile, in this country, the US government sold Camp Huntsville to Sam Houston State Teachers College in 1946 and the site served as the school's Country Campus through the mid 1950s. This long overdue project is one I started working on decades ago but didn't finish. It is gratifying to see the book come to fruition through the efforts of these two history professors. And what a job they've done. Paul Ruffin, Director TRP. ***A Cruel Captivity*** Ellie Taylor, 2018-05-30 The harrowing story of the brutality and cruelty of life in a Japanese POW camp has been told in many books, but this is a novel and sensitive presentation. Firetrench. Differing

in a number of respects from other moving POW accounts this book covers the experiences of twenty two servicemen from the Army Royal Navy RAF and volunteer forces who were held captive in numerous locations through South East Asia including Thailand Burma Hong Kong the Spice Islands and Japan itself Some had to endure the inhumane conditions during hazardous journeys on the hellships and all suffered appalling cruelty starvation disease and prolonged degradation on an epic scale Yet these were the fortunate ones many thousands perished and their graves were unmarked The book also examines the differing mental and physical effects that the prisoners captors cruel treatment had on them The author s handling of the legacy of their experiences during the post war years makes this moving book particularly important For a full understanding of this dreadful aspect of the Second World War *A Cruel Captivity* is a must read Ellie Taylor has produced a poignant tale of not only the suffering of these men but of the comradeship that sustained the survivors The work has been well researched and help was received from the Imperial War Museum Java FEPOW club and the Thai Burma Railway Centre The Army Rumour Service ARRSE

**Prisoners of the Japanese in World War II** Van Waterford,1994 Narratives and facts on life in civilian internment centers and POW camps are presented here

**Women Beyond the Wire** Lavinia Warner,1983

*Prisoners Without Trial: Japanese Americans in World War II* Roger Daniels,2019-08-09 Well established on college reading lists *Prisoners Without Trial* presents a concise introduction to a shameful chapter in American history the incarceration of nearly 120 000 Japanese Americans during World War II With a new preface a new epilogue and expanded recommended readings Roger Daniels s updated edition examines a tragic event in our nation s past and thoughtfully asks if it could happen again A concise deft introduction to a shameful chapter in American history the incarceration of nearly 120 000 Japanese Americans during World War II Publishers Weekly More proof that good things can come in small packages Daniels tackle s historical issues whose consequences reverberate today Not only does he offer cogent overviews of the issues but he is willing to climb out on a critical limb for instance writing about the incarceration of Japanese Americans during WW II this book has tried to explain how and why the outrage happened That is the role of the historian and his book which is to analyze the past But this historian feels that analyzing the past is not always enough and so he takes on the question of could it happen again and concludes that there s an American propensity to react against foreigners in the United States during times of external crisis especially when those foreigners have dark skins and that Japanese Americans at least would argue that what has happened before can surely happen again Kirkus Reviews An outstanding resource that provides a clear and concise history of the mass incarceration of Japanese Americans during World War II Alice Yang Murray University of California Santa Cruz Especially in light of the events following September 11 2001 Roger Daniels has done us a great favor In a slender book he tells with the assurance of a master narrator an immense story we all of us ignore at the peril of our freedoms Gary Y Okihiro Columbia University No book could be more timely How as a different immigrant minority is under racial pressure associated with a feared enemy the updated *Prisoners Without Trial* helps us see clearly what lessons

we may draw from the past Paul Spickard author of Japanese Americans In the epilogue to the first edition of Prisoners without Trial Roger Daniels thoughtfully asked Could it happen again Today in post 9 11 America that question has an answer It can and it has Daniels addresses these issues in a revised edition of this classic and he finds the U S government perilously close to repeating with the Arab American population mistakes it made with the Japanese Americans Johanna Miller Lewis University of Arkansas at Little Rock

*The Jungle Journal* Frank Williams, Ronald Williams, 2013-03-01 This is the story of a young Royal Artillery officer Lieutenant Ronald Williams who was held as a prisoner of war in the Japanese occupied Dutch East Indies from 1942 45 It is a true account of the alternate horror and banality of daily life and the humour that helped the men survive the beatings deprivation and death of comrades Told through the diary and papers of Williams and others *Jungle Journal* includes many cartoons and poems produced by the prisoners as well as extracts from the original *Jungle Journal* a newspaper created by the men under the noses of their guards Ronald Williams was the editor of this potentially fatal publication *Jungle Journal* describes the survival of hope even in desperate straits and is a testament to those men whose courage and fortitude were tested to the limit under the tropical sun

**The Emperor's Irish Slaves** Robert Widders, 2012 Undaunted Stories About the Irish in Australia

*Foo, a Japanese-American Prisoner of the Rising Sun* Frank Fujita, 1993 During his time as a POW Frank Foo Fujita kept a diary of daily happenings embellished with drawings of life in the camp He secreted the diary in the walls of his barracks as the practice was forbidden That diary forms the basis of these memoirs Fujita s memoirs are also unique in that he was one of the fewer than nine hundred Americans taken prisoner on the island of Java The bulk of American POWs in Japanese hands surrendered in the Philippines and most of the published POW memoirs reflect their experience Fujita s account of the defense of Java and of the fate of the Lost Battalion of Texas artillerymen serves to distinguish this memoir from others At one point while a POW in Japan Fujita was forced to be part of the Japanese radio group broadcasting propaganda After the war he testified at some of the war crime trials in San Francisco and the diary on which this book is based was used as evidence in those trials

**Valley of the Shadow** Whitney H. Galbraith, 2018-06-30 *Valley of the Shadow* joins a fraternity of published first person accounts of the fall of the Philippines including the surrender of Corregidor during World War II Several senior staff officers of Gen Jonathan M Wainwright commander of US forces in the Philippines USFIP were able to maintain extensive diaries during their three and a half years as POWs of Imperial Japan These diary accounts are chronological in format and very informative of prisoner conditions and lives in various Japanese prison camps *Valley of the Shadow* transcribed from over one thousand handwritten flimsies that have sat for decades on Galbraith family shelves treats these experiences more thematically in third person narrative form enabling the author Col Nicoll F Galbraith to offer a psychological emotional and moral matrix to help the reader interpret the challenges and personal behaviors of incarcerated American prisoners who suddenly had been deprived of their normal social and physical lives as officers colleagues husbands and fathers Colonel Galbraith exercising a more literary bent

describes his own and his prison mates struggle to maintain their personal dignity and relationships As Wainwright's G 4 logistics staff officer Colonel Galbraith was in unique proximity to the minute by minute Corregidor surrender process and release rescue of the Americans in 1945 both of which were very close calls

Right here, we have countless book **Prisoners Of The Japanese** and collections to check out. We additionally provide variant types and next type of the books to browse. The agreeable book, fiction, history, novel, scientific research, as competently as various other sorts of books are readily understandable here.

As this Prisoners Of The Japanese, it ends taking place best one of the favored ebook Prisoners Of The Japanese collections that we have. This is why you remain in the best website to look the amazing books to have.

### **Prisoners Of The Japanese Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Prisoners Of The Japanese PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while

accessing free Prisoners Of The Japanese PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Prisoners Of The Japanese free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Prisoners Of The Japanese Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Prisoners Of The Japanese is one of the best book in our library for free trial. We provide copy of Prisoners Of The Japanese in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Prisoners Of The Japanese. Where to download Prisoners Of The Japanese online for free? Are you looking for Prisoners Of The Japanese PDF? This is definitely going to save you time and cash in something you should think about.
