*When Texas Prison Scams Religion* Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ's executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15

years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars      Federal Probation ,2003      **American Corrections** Matt DeLisi,Peter John Conis,2013      **The Prison Industry** Bianca Tylek,Worth Rises,2025-05-06 A meticulous expos of who profits from incarceration culminating in a compelling case for abolition Based on years of research by the criminal justice organization Worth Rises best known for campaigns that have revolutionized prison telecom and made prison and jail communication free in cities and states around the country The Prison Industry maps the range of ways in which private corporations often with their government partners make money off incarceration It further details the gross extraction of wealth from incarcerated people and their families who have been brutalized by overpolicing and mass surveillance Chapters on labor telecom healthcare community corrections and more explore the origin story of privatization for each sector and how much money is in it for the corporations involved Stretching far beyond private prisons to look at all the sectors that benefit from incarceration the authors illuminate the methods used to extract resources from public coffers and communities which corporations are most active and how they partner with governments and the harms these profit based approaches to justice cause people families and communities Ultimately The Prison Industry makes a compelling case for dismantling the prison industry and prison abolition more broadly It serves as a tool for the tearing down of our wholly oppressive carceral system the ashes of which we can use to create a better world built on care not cages      **Documents Accompanying the Journal of the House** Michigan.
