Private Passions:

Private Passions Rochelle Alers, 2012-04-01 Successful journalist Emily Kirkland never expected that her longtime friendship with gubernatorial candidate Christopher Delgado could ignite a dangerously irresistible desire that would result in their secret marriage Now with scandal and a formidable enemy threatening their most cherished dreams Emily must uncover the truth risking all for a passion that could promise forever *PRIVATE PASSIONS* JoAnn Ross, 2012-07-16 Do You Have a Secret Fantasy Desiree Dupree fears she might be living hers By day she s an investigative reporter But at night she pens sexy intimate love stories Lately the sexy and mysterious Roman Falconer has been playing a starring role in her fantasies At the same time she s also investigating him Something scary is going on in New Orleans and Roman s novels seem to contain the answers Roman is also the prime suspect but still Desiree can t deny her passion for him Desiree has to find the truth But that means walking a fine line between danger and desire **Private Passions and Public Sins** María Emma Mannarelli, 2007 A Peruvian scholar focuses on the cultural significance of illicit sexual practices in seventeenth century Lima A Private Passion Stephan Wolohojian, Anna Tahinci, 2003 For the Winthrop collection s international debut exhibition curators at the Fogg Art Museum of the Harvard University Art Museums headed by Stephan Wolohojian organized the selection and invited more than sixty specialists to write on artworks in their particular area of expertise Works include such highlights in their creator s oeuvre as Jacques Louis David s sketchbooks for The Coronation of Napoleon and the Crowning of Josephine Theodore Gericault s Mutiny on the Raft of the Medusa Vincent van Gogh s The Blue Cart Jean Auguste Dominique Ingres s Odalisque with the Slave William Blake s illustrations for the Divine Comedy Dante Gabriel Rosetti s Blessed Damozel and James Abbott McNeill Whistler s Nocturne in Blue and Silver In addition an essay by Wolohojian provides a fascinating and informative description of Winthrop and the growth of his collection BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Public Lives, Private Passions** Susan Mitchell, 1994 The author talks with nine women in a series of interviews they discuss their lives their careers their relationships and the effect that life with a public figure has had on their own sense of identity *The Trouble With Passion* Cheryl Hall, 2013-01-22 Political theorists have long argued that passion has no place in the political realm where reason reigns supreme But is this dichotomy between reason and passion sustainable Does it underestimate the indispensable role of passion in a fully democratic society Drawing upon Plato Rousseau and contemporary feminist theorists Cheryl Hall argues that passion is an essential component of a just political community and that the need to educate passion together with reason is paramount Trouble with Passion provides a compelling defense of the crucial place of passion in politics

Inheritance Law and Political Theology in Shakespeare and Milton Joseph S. Jenkins, 2016-05-23 Reading God s will and a man s Last Will as ideas that reinforce one another this study shows the relevance of England s early modern crisis regarding faith in the will of God to current debates by legal academics on the theory of property and its succession The

increasing power of the dead under law in the US the UK and beyond a concern of recent volumes in law and social sciences is here addressed through a distinctive approach based on law and humanities Vividly treating literary and biblical battles of will the book suggests approaches to legal constitution informed by these dramas and by English legal history This study investigates correlations between the will of God in Judeo Christian traditions and the Last Wills of humans especially dominant males in cultures where these traditions have developed It is interdisciplinary in the sense that it engages with the limits of several fields it is informed by humanities critical theory especially Benjaminian historical materialism and Lacanian psychoanalysis but refrains from detailed theoretical considerations Dramatic narratives from the Bible Shakespeare and Milton are read as suggesting real possibilities for alternative inheritance i e constitutional regimes As Jenkins shows these texts propose ways to alleviate violence both personal and political through attention to inheritance law

The Encyclopaedia Britannica ,1842 *The Encyclopaedia Britannica, Or, Dictionary of Arts, Sciences, and General Literature* ,1842 **“The” Encyclopaedia Britannica,or, Dictionary of Arts, Sciences, and Miscellaneous Literature** ,1841

Hobbes’s ‘Science of Natural Justice’ C. Walton,Paul J. Johnson,2012-12-06 Unlike many major figures in Western intellectual history Hobbes has refused to become dated and quietly take his appointed place in the museum of historical scholarship Whether by way of adoption or reaction his ideas have remained vibrant forces in mankind s attempts to understand the problems and dilemmas of living peaceably with one another As Richard Ashcraft said a few years ago One of the standards by which the greatness of political theorists is measured is their ability to evoke in us new insights into the human condition Only a few political writers have risen Dionysus like from the titanic assaults of their critics to become even more formidable forces in the shaping of our destiny One of these giants is surely the irascible l and irrepressible Thomas Hobbes Given the power of Hobbes s thought it is not then perhaps surprising to find that his writings have generated seemingly endless scholarly controversy and an astonishing range of incompatible interpretations Among other things he has been interpreted as a theist and an atheist as a utilitarian and a deontologist a humanist and a scientist as a traditional natural law theorist and a legal positivist a contractualist and an absolutist indeed as Professor Morris notes in his contribution to the present volume as almost any kind of philosophical ist except Platonist or Aristotelist

The Encyclopædia Britannica, Or, Dictionary of Arts, Sciences, and General Literature ... with Preliminary Dissertations on the History of the Sciences, and Other Extensive Improvements and Additions; Including the Late Supplement, a General Index, and Numerous Engravings ,1842 **Encyclopaedia Britannica; Or A Dictionary of Arts, Sciences, and Miscellaneous Literature** ,1823

The Modern Preceptor; Or, a General Course of Education; Containing Introductory Treatises on Language, Arithmetic, Bookkeeping, Etc John DOUGALL (A.M.),1810 **The Modern Preceptor ; Or, a General Course of Education** John Dougall,1810 **Encyclopædia Britannica: Or, a Dictionary of Arts, Sciences, and Miscellaneous Literature; Enlarged and Improved. Vol. 1. [- 20.]** ,1823 **What Is Fiction For?** Bernard Harrison,2014-12-29

Harrison's marriage of philosophy and literary criticism does genuine and novel work *Journal of Aesthetics and Art Criticism* How can literature which consists of nothing more than the description of imaginary events and situations offer any insight into the human condition Can mere words illuminate something that we call reality Bernard Harrison answers these questions in this profoundly original work that seeks to re-enfranchise reality in the realms of art and discourse In an ambitious account of the relationship between literature and cognition he seeks to show how literary fiction by deploying words against a background of imagined circumstances allows us to focus on the roots in social practice of the meanings by which we represent our world and ourselves Engaging with philosophers and theorists as diverse as Wittgenstein Sartre Merleau-Ponty Foucault Derrida F R Leavis Cleanth Brooks and Stanley Fish and illustrating his ideas through readings of works by Swift Woolf Appelfeld and Dickens among others this book presents a systematic defense of humanism in literary studies and of the study of the humanities more generally by a distinguished scholar *Self-Interest before Adam Smith* Pierre Force, 2003-09-04 *Self-Interest before Adam Smith* inquires into the foundations of economic theory It is generally assumed that the birth of modern economic science marked by the publication of *The Wealth of Nations* in 1776 was the triumph of the selfish hypothesis the idea that self-interest is the motive of human action Yet as a neo-Epicurean idea this hypothesis had been a matter of controversy for over a century and Smith opposed it from a neo-Stoic point of view But how can the Epicurean principles of orthodox economic theory be reconciled with the Stoic principles of Adam Smith's philosophy Pierre Force shows how Smith's theory refutes the selfish hypothesis and integrates it at the same time He also explains how Smith appropriated Rousseau's republican critique of modern commercial society and makes the case that the autonomy of economic science is an unintended consequence of Smith's republican principles ***The Imperial Encyclopaedia; Or, Dictionary of the Sciences and Arts*** William Moore Johnson, Thomas Exley, 1812 *The Capital of Free Women* Danielle Terrazas Williams, 2022-04-12 A restoration of the agency and influence of free African descended women in colonial Mexico through their traces in archives A breathtaking study that places free African descended women at the nexus of questions about religion commerce and the law in colonial Mexico Danielle Terrazas Williams has produced a dazzling and important contribution to the history of women family race and slavery in the Americas Sophie White author of *Voices of the Enslaved* *The Capital of Free Women* examines how African descended women strove for dignity in seventeenth century Mexico Free women in central Veracruz sometimes just one generation removed from slavery purchased land ran businesses managed intergenerational wealth and owned slaves of African descent Drawing from archives in Mexico Spain and Italy Danielle Terrazas Williams explores the lives of African descended women across the economic spectrum evaluates their elite sensibilities and challenges notions of race and class in the colonial period
