The Genuine Works of Flavius Josephus, the Jewish Historian Flavius Josephus, 1824 The Ouest for Meekness and Quietness of Spirit Matthew Henry, 2008-01-01 While the world knows Matthew Henry best for his time enduring Exposition of the Old and New Testaments the cultivation of personal piety in himself and others was the great business of his practical life and his treatises on the godly life while little known today are among the finest ever written Rich in and alert to the things of the spirit they reveal as so impressively shown in this volume a spiritual mind of preeminent degree in the full and deliberate worship of God The author here pleads with us to avail ourselves of the ornament of a meek and quiet spirit and to apply this precious and comely grace in all our contacts in everyday living No message could be more practical or fitting for this age when the world more than ever is too much with us This is a deep and tender altogether winsome plea Would you know the nature excellence and application of this meekness and quietness Come then with the author to Him who said learn of me for I am meek and lowly And all the world will see and know that we have been with Jesus Living and dying let us be found among the quiet in the land We all wish to see quiet families and quiet churches and quiet neighborhoods and quiet nations and it will be so if there be quiet hearts and not otherwise **Meekness** Matthew Henry, 2025-05-30 Learn from Me said the Lord for I am meek Years later after experiencing many trials and tribulations Peter said that the meekness and quietness of a soul are two things that are held very precious in the sight of God But the challenge and the guestion for us today is this How can we be meek in a world filled with conflicts strife spiritual wars and

especially when we are tempted from inside and outside and that every day And does meekness mean we need to be tolerant to each and everyone s opinions and doctrinal views If there was one thing that marked Puritans in the history of Christianity it was their zeal for sound doctrine that was marvelously combined and adorned with a compelling love towards their fellow brethren and in extension to the whole world This book captures the Puritan spirit and teachings on meekness that flow from the very heart of our Savior and Lord Jesus Christ This book was published originally under the title A Discourse on Meekness and Quietness of Spirit 1836 ATS edition The current edition has been proofread typeset for eBook readers and slightly updated for modern readers VARDAAN 1 Deepakk Satya,2023-10-19 Life is a story and every story has a writer As the pages of the story of life keep turning we start to feel that there is someone who is watching as well as testing us and writing our story He is continuously observing us with sharp eyes There is someone who cannot tolerate our happiness He is taking us away from our love There is someone who is feeling strong seeing me kneeling in despair Rukmini Krishna Chandra Devendera Jagdish Rasikananda Batukeshwara and Swaraagini felt the same way in the twelfth century A time also came in their lives when the writer of their story stood in front of them They were surprised to see his identity because he was not God So who he was To know that you will have to take a dip in this river of love friendship and other emotions
