The Relational Disciple Joel Comiskey, 2009-11 You can also call 1 888 344 2355 Joel Comiskey Group Jesus lived with His disciples for three years and taught them essential life lessons as a group After three years he commanded them to go and do likewise Matthew 28 18 20 Jesus discipled His followers through relationships and He wants us to do the same We in the west on the other hand prepare lone ranger disciples based on our culture of individualism This book will detail how our culture of individualism has now turned into isolationism and that social relationships are at an all time low The church of Jesus Christ has also been negatively impacted through a brand of individualism that fails to truly make disciples This book will encourage Christ followers to allow God to mold them through the natural relationships of life family friends work relationships church cells etc It will explain how God uses the

relationships in our lives to mold and shape us into His disciples The book will cover such themes as New Testament Community The Problem of Isolation Relationship with God Relationship with those closest to you spouse family Relationship with friends and work associates Relationships through small group ministry Relationships in the local church Relationships with the un churchd This book will demonstrate how God uses relationships to mold and shape followers of Jesus My hope is that God will use this book to help readers see that He is using the natural relationships in their lives to mold and shape them into followers of Jesus

Home Cell Group Explosion Joel Comiskey, 2023-03-08 Home Cell Group Explosion 2023 version is the most researched and practical book ever written on cell group evangelism Joel Comiskey traversed the globe to find out why certain churches and small groups are successful in reaching the lost He found the answers and freely shares them within this volume If you are a pastor or small group leader you should devour this book It will encourage you and give you simple practical steps for dynamic small group life and growth My friend Joel Comiskey is a combination of a local church practitioner and a painstaking scholar Joel spent hundreds of hours and thousands of dollars visiting eight of the highest visibility cell group churches to interview their leaders and record his findings I love this book because it focuses on the multiplication of cells for the greatest evangelistic results C Peter Wagner Author Scholar and Church Growth Expert Comiskey does not just describe what is happening in cell churches He takes the next step and identifies in a step by step fashion how we can apply these principles in our churches It is all here everything we need to know to start and grow a cell group ministry I am grateful to Dr Comiskey for the time effort and research that has gone into producing this long needed book Richard Peace Ph D Professor of Evangelism and Spiritual Formation Fuller Theological Seminary Joel and I shared many days in Bogota as this book was written His grasp of cell church models is superior to any other person I have worked with this book is a treasure of information for church planters and pastors wishing to transition to the cell model Ralph W Neighbour Jr Author and Pioneer Church Planter

Biblical Foundations for the Cell-Based Church Joel Comiskey, 2012-11-06 Why cell church Is it because David Cho s church the largest church in the history of Christianity is a cell church Is it because someone said the number twelve will bring blessings and growth Is it because cell church is the strategy that many great churches are using Ralph Neighbour repeatedly says Theology must breed methodology This book sets forth the biblical theology for cell based ministry Without biblical truth we don t have a firm underpinning upon which we can hang our ministry and philosophy On the other hand we can plod through most anything when we know that God is stirring us to behave biblically Cell church is not the latest greatest church growth strategy If it were it would simply be a passing fad until the next hotter more relevant strategy comes along In fact in many places around the world cell church transforms the church through a purification process Church growth is slow but cell church helps Christ s church go deeper Joel Comiskey has been studying the cell church movement since 1991 and has discovered that the cell church strategy doesn t produce rapid growth in itself God reserves growth for himself He wants to receive the glory for all church growth

The first section of this book covers the Trinity the model for all small group community The good news is that the Trinity works within believers to mold and shape them into his image This section explores God s emphasis on the family starting from Genesis Christ s formation of a new family and then the early church s focus on family Comiskey believes that family is the principal image of the church in Scripture The last chapter in this section explains Jesus and his kingdom and more specifically how Jesus trained his disciples to evangelism through home based outreach Section two reveals how the early church met in homes It explores what they did in those home meetings the size of the house churches and how home evangelism took place through ancient oikos relationships Comiskey looks at how New Testament leadership developed naturally through the house church structure and how the early church connected the house churches into celebration gatherings large group meetings The last section applies all eight chapters to the church today This last section draws out the New Testament insights that are applicable to the 21st century church Groups that Thrive Joel Comiskey, Jim

Living in Victory Joel Comiskey, 2020-07-14 Christians desire to grow in their relationship with God They want to flourish to experience victory in their Christian lives They want to live in the overcoming power that the cross provides But they are stuck They are like my friend John who works sixty hours per week sits in two hours of traffic each day and carries the burdens of the world on his shoulders He and his wife Jenny love each other or at least they used to They now spend their time together carting their kids to activities after driving through Taco Bell for dinner Every week John sits in the second row at church listening to the pastor and he and Jenny volunteer in the children s church But he told me last week that he is exhausted On the surface he has a good life but deep down he is drowning He has no real victory How does someone like John stem the tide How does he start living the victorious lifestyle Jesus came to offer Many find the answer in promises of a magic pill something that provides a quick fix But such fixes don t exist The victory of God is an ongoing lifestyle while adopting and applying certain priorities that prepare and equip us for life True victory comes in heaven and not on earth And only the Spirit of God living through the believer based on God s Word can give true victory But there are basic principles that God has used throughout the centuries to encourage believers and give them victory In this book I ve pinpointed nine

principles and priorities that will help a believer live a victorious Christian life They are victory in preparing for eternity victory in experiencing God s love victory in God s grace victory in God s sovereignty victory in spending time with Jesus victory in close relationships victory in the local church victory in rest victory in healthy living These nine priorities will help you understand and apply principles that are simple biblical and time tested to produce spiritual emotional and physical benefits My aim is to stimulate you to live these biblical truths while allowing the Holy Spirit to transform you Facilitate Joel Comiskey,2019-03-05 Facilitate highlights the key dynamics of small groups that will give a leader confidence to minister to those in the group Facilitate teaches a leader how to listen well ask questions train others involve people and prepare for the meeting This book shows a potential leader how to develop new leaders to continue the discipleship process It is excellent to use both in a Sunday school class and one on one This book has eight lessons full of practical questions and applications You will learn how to Prepare spiritually for the power of God to flow in the meeting Structure the meeting in a dynamic and effective way Encourage attendees to participate and share their experiences Suggest interesting topics and questions Listen carefully and detect problems in the group By putting into practice the ideas and suggestions in this book any leader of a cell group will find it easy to achieve an exciting atmosphere in the meetings and ensure that attendees want to come back and even bring new people with them *Preparing Missionaries for Intercultural Communication:* Lyman E. Reed, Arthur F. Glasser, 1985-06-01 Missionaries while being prepared in the Bible often receive little training in understanding the world in which we live and some experience great hardship out in the field as a result The purpose of this book is to enable cross cultural missionaries to be more adequately prepared for the task of intelligent communication The authors set forth the major areas which are important in training the missionary to communicate with other cultures

Planting Churches That Reproduce Joel Comiskey, 2008-12 Small group resources tend to overlook the spiritual side of small group leadership And yet most would agree that spiritual preparation is the most important aspect of leading a small group Only Gods supernatural power can draw people to the truth and liberate them to be all that God wants them to be The key distinction of this book is the spiritual perspective it gives to small group ministry So much of the literature about small groups that is already published relates to small group technique and only touches briefly on the Spirits power This book is a practical reference guide to help small group leadership begin to move in the supernatural realm The books first priority is to help small group leaders and members trust the Holy Spirit to lead them empower them and work in their group Small group facilitators often sense a lack of guidance power and spiritual authority Jesus knew His disciples would be powerless without a touch from the Holy Spirit and so He told them to wait in Jerusalem saying You will receive power when the Holy Spirit comes on you and you will be my witnesses in Jerusalem and in all Judea and Samaria and to the ends of the earth Acts 1 8 Small group leaders need a power boost to make small group ministry relevant and exciting The second priority of this book is to help the facilitator identify and mobilize each small group member to use his or her own spiritual gifts *Timothy*

Keller Collin Hansen, 2023-02-07 The untold story of the people the books the lectures and ultimately the God who formed and shaped the life of the late Timothy Keller Millions have read books and listened to sermons by Timothy Keller But who impacted his own thinking and what shaped his spiritual growth and ministry priorities With access to Keller s personal notes and sermons as well as interviews with family members and longtime friends Collin Hansen takes readers behind the scenes of one of the 21st century s most influential church leaders For the first time Hansen introduces readers to Keller s early years the home where he learned to tell stories from the trees the church where he learned to care for souls and the city that lifted him to the international fame he never wanted This unique biography will allow you to Understand the principles and practices that allowed Keller to synthesize so many different influences in a coherent ministry Take the best of Keller s preaching and teaching to meet emerging challenges in the 21st century Develop your own historical theological and cultural perspectives to shape your leadership The story of Timothy Keller is the story of his spiritual and intellectual influences from the woman who taught him how to read the Bible to the professor who taught him to preach Jesus from every text to the philosopher who taught him to see beneath society s surface

Text Messages John Tucker, 2017-12-06 Facebook Twitter Snapchat We live in a rapidly changing world a world that seems to be increasingly inhospitable toward preaching In the face of digital technology social media cultural pluralism and pastoral burnout how can Christian preachers proclaim the gospel faithfully and effectively This book answers that question by bringing together a selection of important voices from across North America Asia and the Pacific It argues that Spirit empowered preaching is characterized by five attributes it opens the Scriptures engages the culture addresses the listener dissects the preacher and elevates the Savior With contributions from authors like William Willimon Darrell Johnson Lynne Baab Robert Smith Jr and Paul Windsor this is an excellent resource for ordained ministers lay preachers theological students and anyone wrestling with the challenge of preaching God s word in a smartphone world

The Spirit-Filled Small Group Joel Comiskey, 2009-11 Small group resources tend to overlook the spiritual side of small group leadership And yet most would agree that spiritual preparation is the most important aspect of leading a small group Only God s supernatural power can draw people to the truth and liberate them to be all that God wants them to be Only through the Spirit s power can we expect to see the miracles that Jesus talked about when He said that if we would abide in Him we would bear much fruit and even do greater works than He did while He was on earth The key distinction of this book is the spiritual perspective it gives to small group ministry So much of the literature about small groups relates to small group technique and only touches briefly on the Spirit s power This book is a practical reference guide to help small group leadership begin to move in the supernatural realm The book s first priority is to help small group leaders and members trust the Holy Spirit to lead them empower them and work in their group Small group facilitators often sense a lack of guidance power and spiritual authority Jesus knew His disciples would be powerless without a touch from the Holy Spirit and so He told them to wait in Jerusalem saying You will receive power when the Holy Spirit comes on you and

you will be my witnesses in Jerusalem and in all Judea and Samaria and to the ends of the earth Acts 1:8 Small group leaders need a power boost to make small group ministry relevant and exciting The second priority of this book is to help the facilitator identify and mobilize each small group member to use his or her own spiritual gifts Small group facilitators often feel ill prepared to identify spiritual gifts of the people in the group I firmly believe that the small group atmosphere is the perfect place to develop the gifts of the Spirit in each member's life and so it is essential that the facilitator know how to do this Whatever denominational or non denominational label a church wears the most important characteristic in my opinion is promoting individual sensitivity devotion and dependence on the Holy Spirit In a Holy Spirit charged atmosphere cell leaders are best raised up and members are encouraged to minister in their giftedness This book has been written for those who are leading facilitating a small group participating in a small group or considering joining a small group Group members should read this book for two particular reasons First members make a significant contribution to the life of the cell Each member will be intimately involved in causing supernatural events to happen using the gifts intercession etc In the life of the group no one is to sit back and do nothing The best cell leaders in fact rarely lead the entire cell instead encouraging cell members to participate actively Second members are the next in line to actually lead the small group I am assuming that the readers of this book are believers who desire God and are seeking to walk in the Spirit I am also assuming that those reading this book are studying the Bible and growing in their relationships with the Lord There are many great books dedicated to defining each spiritual gift in detail Many other authors cover gifts beyond the scope of this book such as voluntary poverty hospitality celibacy missions exorcism martyrdom artistic creativity craftsmanship and music Rather than cover every possible gift this book will focus on how the Spirit uses gifts in the small group context and guides the leader to facilitate a Spirit filled group Because this book is written to lay leadership rather than senior leaders of the Church I will not cover in detail the five fold offices that Paul mentioned in Ephesians 4:8 Instead the gifts I will cover in this book are explicitly listed in Scripture the one exception is intercessory prayer which I call a spiritual gift although some would disagree

The Performance Illusion

Chap P. Clark, 2004-05-07 In The Performance Illusion Chap Clark exposes our desire for acceptance as the driving force that leads us to perform He takes an honest look at how performance theology affects our faith and our most precious relationships with our friends our spouse our children and our God Rather than settling for easy answers Chap challenges us to start from the ground up For only when we build our faith on the biblical foundation of God's love are we able to leave our patterns of performance behind

2000 Years of Small Groups Joel Comiskey, 2015-10-03 This book explores how God has used small groups throughout church history specifically focusing on the early church to the present time God not only established the early church as a house to house movement but he also has used small groups throughout church history This book chronicles the small group or cell movement from Jesus all the way to the modern day cell explosion Themes include Small Groups In Biblical History Small Groups In Early Christian History Small Groups and Monasticism Small Groups

During the Pre Reformation Period Luther and Small Groups Martin Bucer and Small Groups The Anabaptist Movement Puritan Conventicles Pietism The Moravians The Methodists Modern House Churches Small Groups in North America The Modern Day Cell Church This book will both critique the strengths and weaknesses of these historical movements and apply principles to today's church You will grow in appreciation and understanding of key small group principles from those pioneers who have paved the way You will also learn to value those movers and shakers who faced far greater odds to implement small groups than the difficulties confronted today Many have struggled with the same things you're wrestling with now And just like they found solutions in the face of persecution and trial God will help you to persevere find solutions and ultimately bear abundant fruit for his kingdom and glory *The NIV Quiet Time Bible* Intervarsity Press, 1994 Instead of telling readers what the Bible says The NIV Quiet Time Bible helps them discover it for themselves Based on the New International Version the clear biblical text is divided into 365 readings on which to meditate A thought and prayer resource that drills its readers wisely and well in an enriching daily relationship to the Scriptures J I Packer **Books In Print** **2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 **Exiles on Mission** Paul S. Williams, 2020-03-17 Many Christians in the West sense that traditional Christian teaching is losing traction in the public square What does faithful Christian witness look like in a post Christian culture Paul Williams the CEO of one of the world's largest and oldest Bible societies interprets the dissonance Christians often experience while trying to live out their faith in the 21st century He provides constructive tools to help readers understand culture in myriad contexts and offer a missional response Williams calls for a truly missional understanding of post Christendom Christianity whereby local churches are reimagined as embassies of the kingdom of God and Christians serve as ambassadors in all spheres of life and work This book invites readers to embrace the language of exile and imagine a hopeful mission of the scattered and gathered church in the post Christian West It shows a clear pathway for fruitful missional engagement for the whole people of God helping Christians make sense of the world in which they live more authentically integrate faith with everyday life and orient all of their efforts within God's missional purpose for the world
