Quit Waking Us Up Were Trying To Sleep:

Stop, Shut Down, Restart Kynzee Vaughn, 2024-08-21 Do you feel like you have lost your balance or lost yourself Is your system on high alert all the time or are you feeling more stressed than normal anxious or even sad Stop Shut Down Restart The Science of Finding Your Body Mind and Soul Connection The author shares her personal journey of dealing with nervous system issues that started during the pandemic for unexplained reasons After giving up everything she had worked on her entire life she embarked on a path of self discovery that led her to study the science of the nervous system and seek holistic ways of healing The book explores the different cultures routines and medicinal practices that helped the author find balance in life again The journey was not easy as it involved confronting difficult truths about the author s past However the author embraces openness and brings these issues to the surface The book is an inspiring tale of how one can overcome adversity and find happiness and health again by purposefully failing and becoming in tune with oneself and by listening to the signs of the universe around them

Going Within To Get Out Anonymous Girl, 2013-12 the minute I picked this book up I was on an emotional rollercoaster It was the most amazing journey to find myself crying one minute and laughing the next with the author s infectious wit and undeniable honesty The diary entries are so raw and vulnerable and have been written in a way that I have never experienced before I identified with many things throughout the book and found myself recalling significant events from my own adolescent years that I believed I had blocked or forgotten about At times it felt like there was nowhere to hide the words I was reading were so confronting it felt as though they were written just for me Taking this journey with the author allowed me to deal with what was coming up for me personally and move past those feelings to a place that felt good for me With every page that I read I couldn t believe how I was not only totally enthralled in the authors personal life story but that I was actually also uncovering so much about who I am as a person at my very core It allowed me to discover the parts of myself that I didn t like or accept yet and also how to recognise this in my day to day life I have now learned to accurately identify my feelings in each moment of my day and with some conscious effort also remember to be much more kind and loving towards myself I thank the writer of this book for allowing me a glimpse into her own life through courageously sharing and exposing her soul What I have gained from reading it is without a doubt the best gift anyone could ever give

Escape Into America Flavio Rivera, 2006 Living and experiencing a life of extreme poverty and knowing that beyond the hills deserts and mountains is a land of opportunity is extremely demoralizing and heart breaking Heart breaking because if you leave home to seek your dream you are leaving behind a mother a father brothers and sisters whom you love Daily you watch your mother struggle to make the best she can for her family Through prayer and advice from a local village friend and the church priest you finally decide to leave your family The journey to America is difficult and dangerous At every stop along the way lie danger and disappointment The only things that keep you going are the people you meet and a little rosary that you carry in your pocket

Kayla Lowe Sarah MacKenzie thought she had found the love of her life in Bruce Stone She sacrificed everything her dreams her family's approval and the stability she once cherished to be with him In her mind she was living a fairy tale Her parents though cautious about the age gap were starting to warm up to the idea of their future together The promise of a happy life filled with love and hope seemed within her reach But behind the curtain of their seemingly perfect life things are slowly beginning to crack Bruce's jealousy like an invisible storm lingers in the shadows growing darker with each passing day What once seemed like harmless possessiveness now feels suffocating and out of control His fantasies of betrayal bleed into reality and Sarah's once bright future with him now teeters on the edge of chaos As Bruce's temper spirals further Sarah finds herself trapped in a whirlwind of confusion and fear The love she thought would complete her is now a dangerous game of trust and control The life she once imagined is slipping through her fingers and she's beginning to wonder if it's too late to turn back Are they on the verge of self destruction or can she find a way to salvage what's left of their connection In Tainted Love Saga Book 5 Sarah faces the fragility of love and the dangerous pull of obsession With every step forward she questions whether love can truly heal or if it's pushing her down a path she can't escape Will Sarah and Bruce find a way back from the edge or is their story heading toward an irreversible end Join Sarah as she grapples with the fine line between passion and peril love and obsession in a gripping tale of how easily devotion can turn to destruction It's a journey that will leave you questioning what's worth fighting for and what's better left behind Of Love and Crime is the fifth book in the Tainted Love Saga For the best reading experience the books in this psychological thriller series should be read in order For fans of Creston Mapes Terri Blackstock Michael Swiger Lisa Phillips and Jennifer Youngblood this is a Christian suspense story that will keep you on the edge of your seat This book has mild cursing and explores sensitive subjects Enjoy *Appletons'*

Journal, 1875 **Getting Off the Radiator** Dorothy Preston, 2021-06-29 Dorothy Preston's debut memoir *Getting Off the Radiator: A Story of Shame, Guilt, and Forgiveness* is the story of a child growing up in a twenty-eight room mansion infested with roaches and overrun with hippies, thieves, drug abusers, alcoholics, and a murderer The youngest of seven children abandoned by their father Preston watched while her mother struggled to keep food on the table and a roof over their heads while also diving deeper into the bottle standing in line for welfare and renting rooms in their home for income Given the cast of characters who passed through the house and the absence of parental guidance the family lived the life of a twisted fairy tale in which shame, guilt, and anger played leading roles Preston recounts her journey through childhood into adulthood her years waging battles with her difficult past, overcoming adversity, practicing forgiveness, and cherishing the love of a family whose bonds cannot be broken Beautifully written and accompanied by intimate family photographs this is a memoir that breaks open what it means to live with a difficult past while struggling to embrace a hopeful future **Grassroots 2015** Shaylin Carlton, Chloe Helser, Sarah Jilek, Rebekah Durig, 2015-04-17 Grassroots Magazine is a collection of literature and art created, edited, and published entirely by the undergraduate students at Southern Illinois University Carbondale

Hellucinate Linda Olarin,2021-04-12 I was a fun loving grandmother who would go out of my way to create wonderful memories and adventures for my grandchildren Unfortunately I suffered a very unexpected debilitating health crisis and it took me a while to get back on my feet I was thrilled when I was finally able to regain my independence and move into a new apartment I was beginning to feel like my old self again until one fateful night when the unthinkable happened I was too embarrassed to tell anyone because I was afraid that nobody would believe me I felt totally alone and I was in my own private hell I was terrified that my nightmare would never end I knew that if someone very close to me told me this same story I would feel confused and helpless about what to say or how to get them help It was just one of those secrets that nobody would be able to keep They would have to tell someone because if they didn't something terrible could happen and someone could get seriously hurt or even worse My secret was revealed late one night in the most humiliating way that I could have ever imagined Every word of this unbelievable story is true and I write about it in vivid detail because that is exactly how I remember it The undying help and support from my children inspired me to share my story I wanted to let other people who have gone through this know that they are not alone

K. C. Cop Bob Hartman,2019-03-31 These short stories are actual events in which I was personally involved They occurred between 1982 and 1995 while I was serving as a police officer and detective in the bomb and arson unit homicide unit and burglary and auto theft units with KCPD These incidents are taken from my memory of the events as they took place They are not in any way meant to hurt or cause discredit to anyone or anyplace described or resembled in these stories I wish to make it known that my personal comments in each story may be a little on the redneck side but they are not meant to be racist or sexist but humorous Even though most police officers humor is sometimes considered sick and different from that of other people we use this humor as a tool to handle the many mental stresses we deal with each day

Going to the Crowd Marcus Dean,2007-04 Why didn't somebody tell me all of this stuff before My Parents have been married for over 30 years my siblings have all been married for a while and people have been getting married left and right Why couldn't any of them let me know some of what I was getting in to Is it really that difficult Is it really that hard to sit down with me for 20 minutes to tell me some of what is in store and what I should be doing to get prepared for this joyous occasion I wrote this book just for you the reader to let you know some of what your marriage will entail Don't forget it is not all of what you will be dealing with but it is a great start to what you have to look forward to You have probably heard about how difficult marriage can be and I am going to line out some of those difficulties Until I went through some of this stuff myself I had no idea what was going to be included in my marriage It really is like walking in a dark room without a flashlight Well my friend here's your flashlight

Stop Missing Your Life Cory Muscara,2019-12-31 Many of us live on autopilot often so guarded that we don't experience the richness that life has to offer so how can we find real happiness amid the chaos so we don't reach the end of our life and feel like we missed it In *Stop Missing Your Life* mindfulness teacher Cory Muscara takes us on a journey into the heart of what is required for real change growth and

happiness He exposes how the phrase be present has become little more than a platitude imbued with the misguided message to be present just for the sake of being present and reveals how to achieve true Presence a quality of being that is unmistakably attractive about a person and one that only comes when we've peeled back the layers of guarding that prevent us from being our full honest and integrated selves in the world Muscara shows how we build internal walls what he describes as a Pain Box inhibiting us from living a deeply connected and meaningful life He offers a four part FACE model Focus Allow Curiosity and Embodiment that helps chip away at those walls and builds our capacity to experience the richness of our lives Stop Missing Your Life ultimately teaches how we can find peace in the chaos and become better people for our families our communities and our world Appletons' Journal of Literature, Science and Art ,1875
