**Elaine Partnow**

## Quotable Woman:

*The Quotable Woman, Revised Edition* Elaine Partnow, 2011 A collection of almost twenty thousand quotations by more than five thousand women throughout history arranged chronologically by contributor and representing more than one hundred countries and a wide variety of occupations and walks of life Indexed by name career occupation and ethnicity nationality Stewart's Quotable African Women Julia Stewart, 2012-10-02 African women have not only been witnesses to

their times they have also been actors and key players and their role in the affairs of the continent continues to grow The women whose voices are heard in *Quotable African Women* come from all walks of life their thoughts and words cover many subjects and represent varying opinions But one thing is clear the voice of African women is growing stronger and louder This collection of quotations offers new perspectives and gives us a unique insight into the continent of the future *The Quotable Woman* Elaine Partnow, 2001 Collects over 18 000 quotes from woman activists athletes scientists and political

leaders throughout history expressing their ideas on friendship love politics religion and their role in society **Women's Studies** Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women s studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts This definitive guide to the literature of women s studies is a must purchase for academic libraries that support women s studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women s studies in the last decades of the 20th century The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Most reviews cite and describe similar and contrasting titles substantially extending the coverage Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts Taking up where the previous volume by Loeb Searing and Stineman left off this is the definitive guide to the literature of women s studies It is a must purchase for academic libraries that support women s studies programs and a welcome addition to any academic or public library that endeavors to represent the field **Women and Science** Marilyn B. Ogilvie, Kerry L. Meek, 2018-12-07 First Published in 1996 Following the author s previous work *Women in Science Antiquity through the Nineteenth Century* in 1986 an

increased interest in feminism science and gender issues resulted in this subsequent title This book will be valuable to scholars working in a variety of academic areas and will be useful at different educational levels from secondary through graduate school This annotated bibliography of approximately 2700 entries also includes fields nationality periods persons institutions reference and theme indexes *In Women's Experience* Patricia L. Munhall,1995 This essential companion to Volume I traces the entirety of women s lives What does it mean to be a woman What viewpoints perceptions and insights are unique to women Contributors from a wide range of back grounds offer their understanding of life through the eyes of women looking at diverse and topical issues such as competition among women children in battered women s shelters HIV grandmothering therapy and self discovery An indispensable resource for women and men seeking a greater understanding of human experience Dead Woman Walking Anette Ballinger,2019-05-24 This title was first published in 2000 Between 1900 and 1950 130 women were sentenced to death for murder in England and Wales Only 12 of these women were actually executed Thus 91 per cent of women murderers had their sentence commuted whereas if we examine the corresponding figures for men only 39 per cent had their sentence commuted It would appear that state servants working within the criminal justice system were far more reluctant to hang women than men However this text argues that a closer examination of this apparent discrepancy reveals it to be a misconception which has come about as a result of the statistics regarding infanticide That is to say unlike men the vast majority of women murderers have killed their own child or children Once this is taken into account we find that women who had murdered an adult had less hope of a reprieve than men Thus the author shows that the large proportion of women murderers as killers of their own children has created a false impression of how female murderers fared inside the criminal justice system *The Little Book of the Spirit* Elaine Partnow,2011-04-12 In times of trouble and even when things are going well we can all benefit from an encouraging word or hopeful advice Optimistic words of wisdom from people who have themselves risen to positions of prominence are often all it takes to remind us of life s simple joys and the possibility of triumphing over its challenges In *The Little Book of the Spirit* acclaimed author Elaine Bernstein Partnow presents hundreds of uplifting observations designed to inspire motivate and comfort readers Drawn from the insights of humorists politicians Olympians Nobel Prize winners and other notables this compilation culls the thoughts of an international array of incredible men and women noted for their positive contributions to the world Featuring wise and witty sayings from notable men and women *The Little Book of the Spirit* offers an uplifting and rejuvenating reading experience that is sometimes humorous sometimes serious and always provocative Women and Dictionary-Making Lindsay Rose Russell,2018-08-23 Dictionaries are a powerful genre perceived as authoritative and objective records of the language impervious to personal bias But who makes dictionaries shapes both how they are constructed and how they are used Tracing the craft of dictionary making from the fifteenth century to the present day this book explores the vital but little known significance of women and gender in the creation of English language dictionaries

Women worked as dictionary patrons collaborators readers compilers and critics while gender ideologies served at turns to prevent secure and veil women s involvements and innovations in dictionary making Combining historical rhetorical and feminist methods this is a monumental recovery of six centuries of women s participation in dictionary making and a robust investigation of how the social life of the genre is influenced by the social expectations of gender *The Northeastern Dictionary of Women's Biography* Jennifer S. Uglow,1999 The most comprehensive reference book of its kind with more than 60 new entries in this third edition **Healing Hands of Women** Steven Helmicki,2006-10-01 Poetry that reveals the key role women play in the lives of men *The New Quotable Woman* Elaine Partnow,1993 **The Encarta Book of Quotations** Bill Swainson,2000-09-30 Here are 25 000 quotations drawn from the history politics literature religions science and popular culture of the world ranging from the earliest Chinese sages through Shakespeare to the present day **The Quotable Woman, 1800-1975** Elaine Partnow,1977 *The Palgrave Macmillan Dictionary of Women's Biography* J. Uglow,M. Hendry,2005-03-08 The Palgrave Macmillan Dictionary of Women s Biography contains details of the lives of over 2100 women from all periods cultures and walks of life from queens to TV chefs engineers to stand up comics pilots to poisoners With subsections for further reading comprehensive subject index and a bibliographical survey this dictionary of women s biography is an invaluable reference source Quotology Willis Goth Regier,2010-10-01 Erasmus advised readers to learn quotations by heart and copy them everywhere write them in the front and back of books inscribe them on rings and cups paint them on doors and walls even on the glass of a window Emerson noted that in Europe every church is a kind of book or bible so covered is it with inscriptions and pictures In Arabic script as tall as a man the Koran is quoted on the walls and domes of mosques We quote to admire provoke commemorate dispute play and inspire Quotations signal class club clique and alma mater They animate wit relay prophecies guide meditation and accessorize fashion In Quotology Willis Goth Regier draws on world literature and contemporary events to show how vital quotations are how they are collected and organized and how deceptive they can be He probes all these aspects identifying fifty nine types of quotations including misquotations and anonymous sayings Following the logic of quotology Quotology concludes with famous last words *Women of Color Forum* Toni Constantino,1979 The Complete Idiot's Guide to Great Quotes for All Occasions Elaine Bernstein Partnow,2008-04-01 Say the right thing at the right time This essential reference brings together well known and not so well known speakers including those from the Bible actors poets humorists scientists and literary and political figures whose ideas activism services talent and labor have influenced society Perfect for speeches for every occasion including graduations weddings retirement parties anniversaries public speaking engagements and so on Presented in an intuitive cross referenced organization Includes hilarious anecdotes and a short bio of each author a brief contextual note for each quote and an index of keywords to help you find the appropriate words for any occasion quickly Macmillan Dictionary of Women's Biography Jennifer Uglow,1991-06-27 The enthusiastic response to the Dictionary has prompted this second

substantially enlarged revised and updated edition It now contains essential details of the lives of over 2000 women from all periods cultures and walks of life from queens to cooks engineers to entertainers pilots to poisoners The new entries include women who have hit the headlines in the past five years from Cory Aquino to Madonna but the historical coverage has also been broadened in response to new research and a special new feature is the extended treatment of women from Third World countries With subsections for further reading comprehensive subject index and bibliographical survey the Macmillan Dictionary of Women s Biography is an invaluable reference source and a fascinating bed time read

*Feminists Who Changed America, 1963-1975* Barbara J. Love, 2006-09-22 Documenting key feminists who ignited the second wave women s movement Barbara J Love s *Feminists Who Changed America 1963 1975* will be the first comprehensive directory to document many of the founders and leaders including both well known and grassroots organizers of the second wave women s movement It tells the stories of more than two thousand individual women and a few notable men who together reignited the women s movement and made permanent changes to entrenched customs and laws The biographical entries on these pioneering feminists represent their many factions all parts of the country all races and ethnic groups and all political ideologies Nancy Cott s foreword discusses the movement in relation to the earlier first wave and presents a brief overview of the second wave in the context of other contemporaneous social movements

### **Quotable Woman Introduction**

In today's digital age, the availability of Quotable Woman books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Quotable Woman books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Quotable Woman books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Quotable Woman versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Quotable Woman books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Quotable Woman books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Quotable Woman books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Quotable Woman books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Quotable Woman books and manuals for download and embark on your journey of knowledge?
