towns and shtetls in the territory between the Prussian border of Poland and the Ukrainian coast of the Black Sea The period
had started with the partition of Poland and the absorption of its territories into the Russian and Austro Hungarian empires it
would end with the first large scale outbreaks of anti Semitic violence and the imposition in Russia of strong anti Semitic
legislation In the years between a traditional society accustomed to an autonomous way of life would be transformed into one

concern such as Hasidism musar kabbalah are explored
