historical role as a site of ontological defiance Her premise is that writers Edwidge Danticat Julia Alvarez Zo Vald s Loida Maritza P rez Marilyn Bobes Achy Obejas Nancy Morej n and visual artist Maria Magdalena Campos Pons attempt to defy fears of otherness by assuming the role of archaeologists of amnesia They seek to elucidate women s variegated lives within the confining walls of their national identifications identifications wholly defined as male They reach beyond the confining limits of national borders to discuss gender race sexuality and class in ways that render possible the linking of all three nations Nations such as Haiti the Dominican Republic and Cuba are still locked in battles over self determination but as Chancy demonstrates women s gendered revisionings may open doors to less exclusionary imaginings of social and political realities for Caribbean people in general
