Race Studs Terkel,1992 Gennem interviews unders ger forfatteren amerikanernes holdninger til raceproblemet **Race** Studs Terkel,2005 Presents the feelings of nearly one hundred Americans on such issues as affirmative action changing neighborhoods and secret prejudices On Privilege, Fraudulence, and Teaching As Learning Peggy McIntosh,2019-07-04 From one of the world s leading voices on white privilege and anti racism work comes this collection of essays on complexities of privilege and power Each of the four parts illustrates Peggy McIntosh s practice of combining personal and systemic understandings to focus on power in unusual ways Part I includes McIntosh s classic and influential essays on privilege or systems of unearned advantage that correspond to systems of oppression Part II helps readers to understand that feelings of fraudulence may be imposed by our hierarchical cultures rather than by any actual weakness or personal shortcomings Part III presents McIntosh s Interactive Phase Theory highlighting five different world views or attitudes about power that affect school curriculum cultural values and decisions on taking action The book concludes with powerful insights from SEED a peer led teacher development project that enables individuals and institutions to work collectively toward equity and social justice This book is the culmination of forty years of McIntosh s intellectual and organizational work

Racial Conditions Howard Winant, Dreaming Equality Robin E. Sheriff,2001 Robin E Sheriff spent twenty months in a primarily black shantytown in Rio de Janeiro studying the inhabitants s views of race and racism How she asks do poor African Brazilians experience and interpret racism in a country where its very existence tends to be publicly denied How is racism talked about privately in the family and publicly in the community or is it talked about at all *Law's Promise, Law's Expression* Kenneth L. Karst,1993-01-01 In this text a constitutional law scholar argues that most of the social issues agenda for law violates the constitutional principle of equal citizenship The conservative social issues agenda is targeted at voters who have felt left out by other civil rights movements *Media Matters* John Fiske,Black Hawk Hancock,2016-02-05 Now more than 20 years since its initial release John Fiske s classic text Media Matters remains both timely and insightful as an empirically rich examination of how the fierce battle over cultural meaning is negotiated in American popular culture Media Matters takes us to the heart of social inequality and the call for social justice by interrogating some of the most important issues of its time Fiske offers a practical guide to learning how to interpret the ways that media events shape the social landscape to contest official and taken for granted accounts of how events are presented conveyed through media and to affect social change by putting intellectual labor to public use A new introductory essay by former Fiske student Black Hawk Hancock entitled Learning How to Fiske Theorizing Cultural Literacy Counter History and the Politics of Media Events in the 21st Century explains the theoretical and methodological tools with which Fiske approaches cultural analysis highlighting the lessons today s students can continue to draw upon in order to understand society today "I'm Not a Racist, But..." Lawrence Blum,2015-08-01 Not all racial incidents are racist incidents Lawrence Blum says We need a more varied and

nuanced moral vocabulary for talking about the arena of race We should not be faced with a choice of racism or nothing Use of the word racism is pervasive An article about the NAACP's criticism of television networks for casting too few minority actors in lead roles asks Is television a racist institution A white girl in Virginia says it is racist for her African American teacher to wear African attire Blum argues that a growing tendency to castigate as racism everything that goes wrong in the racial domain reduces the term's power to evoke moral outrage In I'm Not a Racist But Blum develops a historically grounded account of racism as the deeply morally charged notion it has become He addresses the question whether people of color can be racist defines types of racism and identifies debased and inappropriate usages of the term Though racial insensitivity racial anxiety racial ignorance and racial injustice are in his view not racism they are racial ills that should elicit moral concern Blum argues that race itself even when not serving distinct racial malfeasance is a morally destructive idea implying moral distance and unequal worth History and genetic science reveal both the avoidability and the falsity of the idea of race Blum argues that we can give up the idea of race but must recognize that racial groups' historical and social experience has been shaped by having been treated as if they were races

Will the Circle Be Unbroken? Studs Terkel, 2014-10-07 The renowned oral historian interviews ordinary people about facing mortality It's the unguarded voices he presents that stay with you The New York Times In this book the Pulitzer Prize winner and National Book Award finalist Studs Terkel author of the New York Times bestseller *Working* turns to the ultimate human experience death Here a wide range of people address the unknowable culmination of our lives the possibilities of an afterlife and their impact on the way we live with memorable grace and poignancy Included in this remarkable treasury are Terkel's interviews with such famed figures as Kurt Vonnegut and Ira Glass as well as with ordinary people from policemen and firefighters to emergency health workers and nurses who confront death in their everyday lives Whether a Hiroshima survivor a death row parolee or a woman who emerged from a two year coma these interviewees offer tremendous eloquence as they deal with a topic many are reluctant to discuss openly and freely Only Terkel whom Cornel West called an American treasure could have elicited such honesty from people reflecting on the lives they have led and what lies before them still Extraordinary a work of insight wisdom and freshness The Seattle Times

Stratton, Jr.,1997-05-01 In The New Color Line authors Paul Craig Roberts and Lawrence M Stratton boldly challenge the affirmative action policies that have governed America for the past thirty years The authors show that equality under the law has given way to legal privileges based on race and gender Liberal society is being lost along with the presumption of goodwill that is the basis of democracy The New Color Line offers an explanation for these ironic outcomes judicial and regulatory edicts have taken the place of statutory law accountable to the people and coercion has replaced persuasion This happened because elites regarded democracy as the problem not the solution **Divided by Faith** Michael O. Emerson, Harry and Hazel Chavanne Fellow in Religion and Public Policy Michael O Emerson, William R Kenan Jr Professor of Sociology Christian Smith,2025-11-17 Divided by Faith has become an American classic This 25th anniversary edition includes new data analysis updated language updated references and a brand new concluding chapter The new chapter considers pertinent changes over the past quarter of a century and the validity of the Divided by Faith argument for current times Combining a substantial body of evidence with a sophisticated analysis the authors throw a sharp light on the oldest American dilemma Through a nationwide survey of 2 000 people and 200 face to face interviews the authors probed the grassroots of white evangelical America They found that despite recent efforts by the movement s leaders to address the problem of racial discrimination evangelicals themselves are preserving America s racial chasm In fact most white evangelicals see no systemic discrimination against African Americans or other groups However the authors contend that it is not active racism that prevents evangelicals from recognizing ongoing problems in American society Instead it is the evangelical movement s emphasis on individualism free will and personal relationships that make invisible the pervasive injustice that perpetuates racial inequality Most racial problems the subjects told the authors can be solved by the

repentance and conversion of the sinful individuals at fault As a result of using the cultural tools of their faith white evangelicals are more divided from Christians of other racial backgrounds than are those in the general public And this reality has substantial implications for American life Racial justice and reconciliation remain far over the horizon *White Lies* Maurice Berger,2025-09-23 The acclaimed work that debunks our myths and false assumptions about race in America Maurice Berger grew up hypersensitized to race in the charged environment of New York City in the sixties His father was a Jewish liberal who worshiped Martin Luther King Jr his mother a dark skinned Sephardic Jew who hated black people Berger himself was one of the few white kids in his Lower East Side housing project Berger s unusual experience and his determination to examine the subject of race for its multiple and intricate meanings makes *White Lies* a fresh and startling book Berger has become a passionate observer of race matters searching out the subtle and not so subtle manifestations of racial meaning in everyday life In *White Lies* he encourages us to reckon with our own complex and often troubling opinions about race The result is an uncommonly honest and affecting look at race in America today free of cant surprisingly entertaining unsettled and unsettling Winning the Race to Unity Clarence Shuler,2003-04-01 It s been said that the most segregated time of the week is Sunday morning The church experiences the same racial tensions as the rest of society and this certainly does not bring glory to God In *Winning the Race to Unity* Clarence Shuler directly confronts this racial divide and challenges the church to face these problems and tackle them head on Come along on this necessary journey and prepare to grow and be changed
