Race Politics And Economic Development Community Perspectives:

Race, Politics, and Economic Development James Jennings, 1992-12-17 In April 1992 the world witnessed a renewal in South Central Los Angeles of the urban violence that had exploded there over a quarter of a century earlier. As in the Watts rebellion of 1965, the spark that ignited the firestorm was Black rage over police brutality. But in both eras the tinder was prepared by decades of social neglect and political disenfranchisement that have left the predominantly non-white urban poor trapped and virtually without hope. *Race Politics and Economic Development* examines the underlying causes of Black urban poverty and recommends means to escape the seemingly endless cycle of retributive violence that it spawns. The book brings together Black activists and scholars including two former mayors of American cities to analyze the theoretical and practical problems facing the Black community in the United States. The essays argue that political influence, power, and wealth are major factors in determining social welfare policies; that both liberal and conservative policies are no longer effective in alleviating a growing human service crisis among Blacks; and that political mobilization of the Black community is absolutely critical in resolving the problem of poverty in urban America. Drawing on work in the social sciences, political theory, and economics, and also on the contributors' activist experiences, these essays present an agenda for the participation of grassroots Black leaders in developing and implementing urban policy.

Race and Democracy in the Americas

Georgia A. Persons, 2018-12-07 *Race and Democracy in the Americas* examines dimensions of the comparative dynamics of race and ethnicity with a directed focus on the Americas, most particularly Brazil and the United States. Brazil and the United States are two countries in the Americas that have been major hosts for the African diaspora. Both countries experienced prolonged enslavement of Africans and both now claim to be beacons of democracy for much of the developing world. Both Afro-Brazilians and African Americans have fielded major liberation movements against racism and oppression, yet both groups continue to experience considerable residual racial discrimination and displacement. Brazil and the U.S. remain racialized societies, though both officially purport to be otherwise. The chapters of this volume illuminate a common search for understanding how race operates in societies generally and how it shapes life opportunities for African Americans and Afro-Brazilians, both oppressed by this most detrimental social construction. The project that fueled this volume represented a rare opportunity for collaboration between Afro-Brazilian scholars and their African American counterparts. This volume offers a passionate conversation between colleagues who have endured common sociopolitical and cultural struggles but who have only belatedly been able to meet and connect as individuals. Both groups share identities as scholars and activists; for neither identity alone is sufficient to nourish the longings of their hearts nor of their consciences. This volume also represents an all too rare opportunity to give voice and expression to the work of Afro-Brazilian scholars. Volume 9 of the *National Political Science Review* also carries a special tribute to Mack Henry Jones, a senior Black political scientist retiring from Atlanta University, and honors Jones's legacy and continues his quest for understanding the nature and intricacies of oppression and

possible paths to liberation *The Color of Freedom* David Carroll Cochran, 1999-01-01 Offers a fresh distinctive and compelling analysis of the United States's continuing dilemma of race Economic Citizenship Amalia Sa'ar, 2016-07-01

With the spread of neoliberal projects responsibility for the welfare of minority and poor citizens has shifted from states to local communities Businesses municipalities grassroots activists and state functionaries share in projects meant to help vulnerable populations become self-supportive Ironically such projects produce odd discursive blends of justice solidarity and wellbeing and place the languages of feminist and minority rights side by side with the language of apolitical consumerism Using theoretical concepts of economic citizenship and emotional capitalism *Economic Citizenship* exposes the paradoxes that are deep within neoliberal interpretations of citizenship and analyzes the unexpected consequences of applying globally circulating notions to concrete local contexts **Collective Courage** Jessica Gordon Nembhard, 2024-11-26 First published in 2014 Jessica Gordon Nembhard's *Collective Courage* quickly became an important tool for understanding the history of cooperative economic enterprises in the African American community This now classic work recounts how African Americans benefited greatly from cooperative ownership and democratic economic participation throughout the nation's history Many of the players in this story are well known among them W E B Du Bois A Philip Randolph and the Ladies Auxiliary to the Brotherhood of Sleeping Car Porters Nannie Helen Burroughs Fannie Lou Hamer Ella Jo Baker and George Schuyler of the Young Negroes Co-operative League the Federation of Southern Cooperatives and the Black Panther Party Drawing on media reports and co-op records Gordon Nembhard uncovers the challenges they faced and highlights their hard won victories This tenth anniversary edition of *Collective Courage* features a substantial preface that expands on material in the first edition and addresses the development of the Black co-op movement through the second decade of the twenty-first century It remains an indispensable resource for readers interested in the history of the struggle for African American economic freedom and equity *Notes from Underground* Stephen Duncombe, 1997 Slug Lettuce Pathetic Life I Hate Brenda Dishwasher Punk and Destroy Sweet Jesus Scrambled Eggs Maximunrocknroll these are among the thousands of publications which circulate in a subterranean world rarely illuminated by the searchlights of mainstream media commentary In this multifarious underground Pynchonesque misfits rant and rave fans eulogize hobbyists obsess Together they form a low-tech publishing network of extraordinary richness and variety Welcome to the realm of zines In this the first comprehensive study of zine publishing Stephen Duncombe describes their origins in early twentieth-century science-fiction cults their more proximate roots in 60s counter-culture and their rapid proliferation in the wake of punk rock While *Notes from Underground* pays full due to the political importance of zines as a vital web of popular culture it also notes the shortcomings of their utopian and escapist outlook in achieving fundamental social change Duncombe's book raises the larger question of whether it is possible to rebel culturally within a consumer society that eats up cultural rebellion Packed with extracts and illustrations from a wide array of publications past and present *Notes from Underground* is the first book to explore the full

Asian America Huping Ling, 2009-04-29 The last half century witnessed a dramatic change in the geographic ethnographic and socioeconomic structure of Asian American communities While traditional enclaves were strengthened by waves of recent immigrants native born Asian Americans also created new urban and suburban areas Asian America is the first comprehensive look at post 1960s Asian American communities in the United States and Canada From Chinese Americans in Chicagoland to Vietnamese Americans in Orange County this multi disciplinary collection spans a wide comparative and panoramic scope Contributors from an array of academic fields focus on global views of Asian American communities as well as on territorial and cultural boundaries Presenting groundbreaking perspectives Asian America revises worn assumptions and examines current challenges Asian American communities face in the twenty first century **Where the Boys Are** Van Gosse, 1993-12-17 The ignominious failure of the Bay of Pigs invasion in 1961 marked the culmination of a curious episode at the height of the Cold War At the end of the fifties restless and rebellious youth avant garde North American intellectuals old leftists and even older liberals found inspiration in the images and achievements of Fidel Castro s revolutionary guerrillas Fidelismo swept across the US as young North Americans sought to join the 26th of July Movement in the Sierra Maestra Drawing equally on cultural and political materials from James Dean and Desi Arnaz to C Wright Mills and Studies on the Left Gosse explains how the peculiar conjuncture of 1950s America produced the first great Third World solidarity movement the Fair Play for Cuba Committee which became a locus for the New Left emerging from the ashes of Kennedy s New Frontier Where the Boys Are captures the strange essence of that much abused decade the 1950s at once demonstrating the perfidy of Cold War American liberal opinion towards Cuba and its revolution while explaining why Fidel and his compa eros made such appealing idols for the young the restless and the politically adventurous **Canaries on the Rim** Chip Ward, 2001-05-17 A quest to understand the secret history of ecocide in Utah Youth Development and Critical Education Richard D. Lakes, 1997-03-13 Public policy debates about urban crime and the fate of America s crumbling inner cities suggest a need to consider solutions that create conditions for sustainable community development where youths join with caring adults in intergenerational coalitions at the grassroots Using a field based approach the author reviews over two dozen youth development projects in non school and after school settings The analyses of these programs examines how young people might achieve a level of economic and political self determination and community control as well as personal fulfillment coupled with healthy adolescent growth Once empowered with critical insights young people can exhibit positive real life displays of their visions dreams and ambitions *Blacks, Latinos, and Asians in Urban America* James Jennings, 1994-09-30 This volume of essays by scholars and activists focuses on the political and social relations between blacks Latinos and Asians in key urban centers Collectively the essays examine the particular status of relations between these groups the reasons for conflict or consensus and the prospects for future relations While a number of cities are

examined the book focuses on Los Angeles Washington D C and Miami as particularly instructive case studies Urban eruptions in these cities are examined in terms of the nature of political relations between blacks Latinos and Asians These essays provide analyses within a sociohistorical context and offer the kind of political activism that might ensure consensus rather than conflict between these groups in urban America As Luis Fuentes observes This book should be read by all activists and scholars interested in changing the face of urban and ultimately national America for if communities of color can come together for progressive political action then it will only be a matter of time before America finally begins to look like and act like what it has been preaching for generations *Racism in Contemporary America* Meyer

Weinberg,1996-05-23 *Racism in Contemporary America* is the largest and most up to date bibliography available on current research on the topic It has been compiled by award winning researcher Meyer Weinberg who has spent many years writing and researching contemporary and historical aspects of racism Almost 15 000 entries to books articles dissertations and other materials are organized under 87 subject headings In addition there are author and ethnic racial indexes Several aids help the researcher access the materials included In addition to the subject organization of the bibliography entries are annotated whenever the title is not self explanatory An author index is followed by an ethnic racial index which makes it convenient to follow a single group through any or all the subject headings This is a source book for the serious study of America s most enduring problem as such it will be of value to students and researchers at all levels and in most disciplines

How Do We Tell The Workers? Joe Kincheloe,2018-03-05 This book analyzes the ways that workers are educated via a variety of institutions to fit into the contemporary labour unfriendly economic system As he examines the history and purposes of vocational education Kincheloe illustrates the manner in which this education shapes the politics of the era *How Do We Tell the Workers* is important reading for policy makers labour leaders and educators **African Americans at the**

Crossroads Clarence Lusane,1994 Clarence Lusane is one of America s most thoughtful and critical thinkers on issues of race class and power *African Americans at the Crossroads* represents an important contribution to the literature on African American politics and the future of American race relations I enthusiastically recommend this book to scholars and community activists alike Manning Marable author of *How Capitalism Underdeveloped Black America* Clarence Lusane uses the 1992 elections as a prism to explore Black community leadership and offers a long term vision of Black empowerment and resistance inside and outside the electoral arena **Selling Culture** Richard Malin Ohmann,1996 Surveys the new

practices of advertising mass distribution of goods and the birth of the inexpensive mass audience magazine at the end of the 19th century and their role in the creation of the American professional managerial class Focuses on magazine publishing careers of key personalities in the publishing world and the role of fiction in the magazines For students and general readers Annotation copyright by Book News Inc Portland OR **Red Dirt** Roxanne Dunbar-Ortiz,1997 Roxanne Dunbar Ortiz tells the story of her hardships as a child growing up in Oklahoma **Resources in Education** ,1993-07 *Dangerous Spaces*

D. Marvin Jones, 2016-10-24 An eye opening unapologetic explanation of what racial profiling is in modern day America systematic targeting of communities and placing of suspicion on populations on the basis of not only ethnicity but also certain places that are linked to the social identity of that group In 21st century post civil rights era America race has become complex and intersectional It is no longer simply a matter of color black versus white contends author D Marvin Jones but equally a matter of space or geographies of fear which he defines as spaces in which different groups are particularly vulnerable to stereotyping by law enforcement blacks in the urban ghetto Mexicans at the functional equivalent of the border Arabs at the airport *Dangerous Spaces Beyond the Racial Profile* demonstrates how society has constructed a set of threat narratives in which certain widespread problems immigration drugs gangs and terrorism for example have been racialized and explains the historical and social origins of these racializing threat narratives The book identifies how these narratives have led directly to relentless profiling that results in arrest deportation massive surveillance or even death for members of suspect populations Readers will come to understand how the problem of profiling is not merely a problem of institutional bias and individual decision making but also a deeply rooted cultural issue stemming from the processes of meaning making and identity construction

Still Lifting, Still Climbing Kimberly Springer, 1999-08-01 *Still Lifting Still Climbing* is the first volume of its kind to document African American women s activism in the wake of the civil rights movement Covering grassroots and national movements alike contributors explore black women s mobilization around such areas as the black nationalist movements the Million Man March black feminism anti rape movements mass incarceration the U S Congress welfare rights health care and labor organizing Detailing the impact of post 1960s African American women s activism they provide a much needed update to the historical narrative Ideal for course use the volume includes original essays as well as primary source documents such as first hand accounts of activism and statements of purpose Each contributor carefully situates their topic within its historical framework providing an accessible context for those unfamiliar with black women s history and demonstrating that African American women s political agency does not emerge from a vacuum but is part of a complex system of institutions economics and personal beliefs This ambitious volume will be an invaluable resource on the state of contemporary African American women s activism

Diversity and Multiculturalism Shirley R. Steinberg, 2009 This reader demands that we understand diversity and multiculturalism by identifying the ways in which curriculum has been written and taught and by redefining the field with an equitable lens freeing it from the dominant cultural curriculum The book problematizes the issue of whiteness for instance as not being the opposite of blackness or person of coloriness but rather a meta description for our dominant culture Issues are also addressed that are usually left out of the discussion about diversity and multiculturalism this reader includes essays on physical diversity geographic diversity and difference in sexualities This is the quintessential collection of work by critical scholars committed to redefining the conversation on multiculturalism and diversity
