Racecourse For Andy:

I Own the Racecourse! Patricia Wrightson, 2013-05-22 Andy Hoddell was different from other boys. He never really understood the game they played in which they owned the factories, the library and the police station in their town but he longed to tell them he owned something too. Then he met an old tramp and paid him three dollars for Beecham Park Racecourse. When Andy's friends find out they are horrified Andy would have to be told he'd been taken for a ride. But how could they tell him without breaking his heart especially when all the staff at the racecourse were calling him the owner. How could anyone take away his racecourse. Kate Constable introduces this Text Classics edition of Patricia Wrightson's *I Own the Racecourse*. Patricia Wrightson was born in Lismore NSW in 1921. She was the author of twenty-seven children's novels including *Nargun* and *The Stars The Ice is Coming* and *The Crooked Snake*. She has been awarded CBCA Book of the Year four times and was also awarded the Hans Christian Andersen Award, Dromkeen Medal and Order of the British Empire for her contribution to literature. textclassics.com.au

Children's Books from Other Countries Carl M. Tomlinson, 1998-01-15 Every child is entranced by the magic of story regardless of national boundaries. Many of the most memorable childhood stories have their origins in other countries. Exposing children to this multi-national body of literature introduces them to the great diversity of people and cultures that populate the world at a young age enabling them to become more thoughtful and generous individuals. *Children's Books from Other Countries* is a complete and current guide to international children's literature. The concept of a bibliography of international children's literature is not new. In the past many books have accomplished this task. The last two decades however have not yet produced a current reference source devoted to international children's books. *Children's Books from Other Countries* wonderfully rectifies this lack of attention. An introductory essay provides an overview of the field including a discussion on the rationale of sharing international books with children, a brief history of the children's literature movement, related books and awards and basic information about the International Board on Books for Young People (IBBY) and its American branch the United States Board on Books for Young People (USBBY). An annotated bibliography contains over 700 titles from 29 different countries printed between 1950 and 1996. All titles are available in English; many have been translated and others have originated in other English-speaking countries. The titles are organized by genre and have been selected for their high quality. They are primarily targeted for children ages 0-14 although a few outstanding young adult titles are included. Winners of the Mildred Batchelder Award and the Hans Christian Andersen Medal are listed in the appendix. Indexes include Author, Title, Index of Origin, Index and Subject Index. Affordable and readable, this timely resource is certainly a must for librarians and teachers and other professionals working with children. Sponsored by the United States
