Parish Registers of Anne Arundel Co., MD 16th and 17th Century Diana Jean Muir, 2018-09-22 The parish registers of St James Parish on Herring Creek in Anne Arundel MD established 1692 have long been out of print. Because of this, the author has transcribed the parish records books of the St James Parish along with those in Christ Church West River and Cliffs. All are in Anne Arundel County MD and include dates back to the middle 1600s through the 1700s. There are two sections to this book. The first is an index of all the individuals' birth, marriage, and death dates along WITH their spouse's name. At the center of the book is the index for Part 1. Part 2 gives basically the same information but includes the place of birth, marriage, and death WITHOUT the names of their spouses. The index at the end of the book is for Part 2. To place these names into family groups, please see ancestry.com for the family file called Anne Arundel. Front cover photo: St James Parish today.
