Journeys through Childhood Studies Ingrid Richter, 2019-07-10 Investigating the experiences of a group of female students as they journey into and through higher education and into work with and for children Journeys through Childhood Studies offers a

critical analysis of the intersectional influences and effects of social division on experiences of higher education and career trajectories The book explores the influences of gender race and class on the experiences of higher education and the development of professional identities and whether the professionalisation of work in relation to children and childhood opens up opportunities for career development or narrows the range of choices available to women Adopting a distinctive qualitative approach to track strategies used by women participants to accommodate the changing terrain of their journeys this book demonstrates how the women s pathways to university are shaped by factors such as social divisions friends family and school and their experiences of working with children Featuring detailed interviews Journeys through Childhood Studies offers an insightful exploration of the construction and practices of the Children s Workforce It is a must read for academics postgraduate students and those researching Childhood Studies professional identities and experiences of higher education

Race, Class, and the Postindustrial City Frank Harold Wilson,2012-02-01 *Race Class and the Postindustrial City* thoroughly explores the scholarship of William Julius Wilson one of the nation s leading sociologists and public intellectuals and the controversies surrounding his work In addressing the connection between postindustrial cities and changing race relations the author who is not related to William Julius Wilson shows how Wilson has synthesized competing theories of race relations urban sociology and public policy into a refocused liberal analysis of postindustrial America Combining intellectual biography the sociology of knowledge and theoretical analyses of sociological debates relevant to African Americans this book provides both appraisal and critique ultimately assessing Wilson s contribution to the sociological canon *Resources in Education* ,1991 *Handbook of the Sociology of Education in the 21st Century* Barbara Schneider,2018-10-10 This handbook unifies access and opportunity two key concepts of sociology of education throughout its 25 chapters It explores today s populations rarely noticed such as undocumented students first generation college students and LGBTQs and emphasizing the intersectionality of gender race ethnicity and social class Sociologists often center their work on the sources and consequences of inequality This handbook while reviewing many of these explanations takes a different approach concentrating instead on what needs to be accomplished to reduce inequality A special section is devoted to new methodological work for studying social systems including network analyses and school and teacher effects Additionally the book explores the changing landscape of higher education institutions their respective populations and how labor market opportunities are enhanced or impeded by differing postsecondary education pathways Written by leading sociologists and rising stars in the field each of the chapters is embedded in theory but contemporary and futuristic in its implications This Handbook serves as a blueprint for identifying new work for sociologists of education and other scholars and policymakers trying to understand many of the problems of inequality in education and what is needed to address them *School Desegregation* Harold Gerard,2013-03-09 HAROLD B GERARD AND NORMAN MILLER In the fall of 1965 when the school board of the Riverside Unified School District made its momentous decision to desegregate the elementary schools in

Riverside both of us were faculty members in the psychology department on the Riverside campus of the University of California The riots in Watts had occurred the previous August and the shock waves were being felt around the country Although the black population of Riverside at the time was only 6% or 7% people were apprehensive A story appeared in the local paper The Riverside Press Enterprise about several Blacks who were watching the burning and looting in Watts on TV One of them excited by what he saw exclaimed Man let's burn here too The others in the bar were more level headed and fortunately dissuaded him from following his impulse Barely two weeks later however someone set fire to one of the buildings of Lowell School in the eastside ghetto area Nothing was left of the building but a charred shell People in Riverside of all ethnic groups were generally edgy in the face of a seemingly volatile situation Agitation by minority parents for improved education for their children seemed to be reinforced by the general unrest
