of her too perfect stepmom and her mom's neat freak dismissive boyfriend she's often angry or upset and feels like a guest in both homes She tells herself to face facts She's a leftover kid from a marriage that her parents want to forget But she has to keep all of that to herself because a good Southern girl never yells or throws fits or says anything that might hurt other people's feelings instead she throws her shoulders back says yes ma'am and tries to do better So Fizzy tries her best but it's hard to stay quiet when her family keeps getting more complicated Fortunately the Southern Living cook off gives her a welcome distraction as do her new friends Miyoko and Zach who have parent issues of their own

Children's Book Review Index Gary C. Tarbert,2002 *Scuba Diving* ,2006 *CROSSED MY MIND* Fred Hewison,2014-02 These are Fred Hewison's random memories of his boyhood years while growing up in the Sydney suburb of Hurstville Born in 1933 in the same house that he subsequently occupied for the next fifty five years he has produced an amusing and sometimes nostalgic selection of reminiscences of those things that he and his best mates did when they were boys Any person of similar vintage would remember the marbles street cricket and bonfire nights but only the select few might recall the exciting times and the mischievous behaviour that sometimes occurred in the old Civic Picture Theatre when the lights were out during Saturday matinees This book contains much more including a few additional historical facts surrounding the district in which the author grew up Those who were not a product of the locations described in this book but were of a similar generation should still relate to the memories of the author's childhood There was no television or computer only the radio and its serials to thrill you but that didn't matter since a kid had little time to spare after school with all the footie and cricket in the paddocks and then there was the homework to attend to before bedtime Not everything was pleasant since insubordination was generally rewarded with some form of punishment whether it was the cane at school or the stick at the hands of your parents In most cases however it was both expected and deserved and it served to enhance a lad's respect for the deliverer Whether

it provides amusement a walk down memory lane or a revelation for the younger generation this book might be worth reading

The One Who's Not With Us K.L. Smith, 2021-03-11 The One Who's Not with Us is a fictional novel that tells the love story of a teenage couple. It was 1965. The Vietnam War was in full swing. Enola and Shane dated for a couple of months before he received his orders for Vietnam. They were deeply in love. The couple spent Shane's last night in town together. They let their passion for one another get out of control. By the pond, under the stars and a full moon, they came together for the first time. That one time connected them forever. The couple wrote to one another. When Enola found herself pregnant, she had nowhere to turn. Her parents followed a strict religion, and Enola knew they would not accept her pregnancy. In 1965, an unwed mother was looked upon with disdain by most of society. She thought about telling Shane but decided against it. He was in a war zone, and she felt that he was dealing with enough stress without her adding any more concerns to his life. After all, the couple made no commitments or promises to one another before Shane left. Enola's son was adopted to a good couple in a loving home. She closed her heart to love and moved to Raleigh, North Carolina, for a fresh start in life. Enola severed all ties with her family and quit writing to Shane. She closed the door to her past and moved forward in life. Ten years later, Enola is serving her second enlistment as an army nurse. She thought she had carefully buried her past until she came face to face with Shane. Enola confessed the past to Shane. The story tells how the couple deals with the guilt, regret, emptiness, and loss. They learn to trust in God's plan for their lives and accept his many blessings as they are granted.

Finally, Enough Is Enough Amber Parks, 2022-09-24 Finally, enough is enough. Do you wonder if you will ever find freedom from the shame, bitterness, resentment, and brokenness that you carry around with you every day? Do you wonder if anyone will truly love you the way that God loves you? Do you believe that you can live a victorious life free from fear, from always looking over your shoulder, or wondering how you are going to make it through today? If you said yes to one of these or all of these, then you have picked up the right book. It is time to say, Finally, enough is enough. It is time to believe that you are worth much more than a punching bag and you deserve to be loved, feel loved, and be free to live a victorious life. We all have wounds of many different sizes that have shaped us into who we are, and that is not how God sees us. Our past does not define us. Through God's grace and forgiveness, we are set free from our past. If you have dealt with sexual, physical, emotional, verbal, spousal, or spiritual abuse or abandonment, all of this will affect you as a child and then alter the way you think, act, and feel as an adult. It will rob you of the life that God intended you to live. God does not expect us to live a life full of abuse that would bound and cripple us from a life of freedom. In Finally, Enough Is Enough, Amber shares her story with you, explaining how she broke free from thirty-eight years of abuse. At the age of thirty-eight, she finally had an aha moment, a moment that she realized she is worth much more and deserves much more. She dug in deep and broke free from all the lies by healing her heart, letting go of the hurt, and learning the true meaning of forgiveness. Amber is no longer living her life as a victim; rather, she is living a victorious life that God intended her to live. The purpose of telling her story is to help guide you to freedom and
