Redeemer In The Womb Jesus Living In Mary:

Redeemer in the Womb John Saward,1993 **Mary's Bodily Assumption** Matthew Levering,2014-11-24 In Mary's Bodily Assumption Matthew Levering presents a contemporary explanation and defense of the Catholic doctrine of Mary's bodily Assumption. He asks: How does the Church justify a doctrine that does not have explicit biblical or first-century historical evidence to support it? With the goal of exploring this question more deeply, he divides his discussion into two sections: one historical and the other systematic. Levering's historical section aims to retrieve the rich Mariological doctrine of the mid-twentieth century. He introduces the development of Mariology in Catholic Magisterial documents focusing on Pope Pius XII's encyclical *Munificentissimus Deus* of 1950 in which the bodily Assumption of Mary was dogmatically defined and two later Magisterial documents: Vatican II's *Lumen Gentium* and Pope John Paul II's *Redemptoris Mater*. Levering addresses the work of the neo-scholastic theologians Joseph Duhr, Alois Janssens, and Réginald Garrigou Lagrange before turning to the great theologians of the *nouvelle théologie*: Karl Rahner, Hans Urs von Balthasar, Louis Bouyer, Joseph Ratzinger, and their emphasis on biblical typology. Using John Henry Newman as a guide, Levering organizes his systematic section by the three pillars of the doctrine on which Mary's Assumption rests: biblical typology, the Church as authoritative interpreter of divine revelation under the guidance of the Holy Spirit, and the fittingness of Mary's Assumption in relation to the other mysteries of faith. Levering's ecumenical contribution is a significant engagement with Protestant biblical scholars and theologians; it is also a reclamation of Mariology as a central topic in Catholic theology.

Engaging the Doctrine of Jesus (and Mary) Matthew Levering,2025-03-10 The six chapters of this book focus upon Jesus' conception and birth from a virgin, his authoritative teaching, his miracles, his cross, his resurrection, and his ascension. The purpose of the book is to articulate and defend the truth of these salvific mysteries as presented to us in Scripture. In addition to conversing extensively with historical-critical biblical scholarship, the chapters make recourse to the theological tradition from the church fathers onward, with Thomas Aquinas as a touchstone. Levering seeks to make a case for believing in Jesus. At the same time, he shows how each of these mysteries is intimately linked with a truth about Mary, the Mother of Jesus, thus arguing for the integral relationship of Christology and Mariology. Mary enacts the reception of the Lord by God's faithful people, the New Adam never chooses to be without the New Eve in God's new covenant family. The Christology offered in this book is therefore both attuned to historical studies of Jesus and Second Temple Judaism and at the same time deeply traditional in a contemporary Catholic and ecumenical way.

Women and the Gender of God Amy Peeler,2022-10-04 A robust theological argument against the assumption that God is male. God values women. While many Christians would readily affirm this truth, the widely held assumption that the Bible depicts a male God persists as it has for centuries. This misperception of Christianity not only perniciously implies that men deserve an elevated place over women but also compromises the glory of God by making God appear to be part of creation, subject to it and its categories, rather than in transcendence of it. Through a deep reading of the

incarnation narratives of the New Testament and other relevant scriptural texts Amy Peeler shows how the Bible depicts a God beyond gender and a savior who while embodied as a man is the unification in one person of the image of God that resides in both male and female Peeler begins with a study of Mary and her response to the annunciation through which it becomes clear that God empowers women and honors their agency Then Peeler describes from a theological standpoint how the virgin birth of Jesus the second Adam reverses the gendered division enacted in the garden of Eden While acknowledging the significance of the Bible's frequent use of Father language to represent God as a caring parent Peeler goes beneath the surface of this metaphor to show how God is never sexualized by biblical writers or described as being physically involved in procreation making the concept of a masculine God dubious at best From these doctrinal centers of Christianity Peeler leads the way in reasserting the value of women in the church and prophetically speaking out against the destructive idolatry of masculinity The Michael Ramsey Prize Longlist 2023

The Quest for the Christ Child in the Later Middle Ages Mary Dzon, 2017-01-25 Beginning in the twelfth century clergy and laity alike started wondering with intensity about the historical and developmental details of Jesus' early life Was the Christ Child like other children whose characteristics and capabilities depended on their age Was he sweet and tender or formidable and powerful Not finding sufficient information in the Gospels which are almost completely silent about Jesus' childhood medieval Christians turned to centuries old apocryphal texts for answers In *The Quest for the Christ Child in the Later Middle Ages* Mary Dzon demonstrates how these apocryphal legends fostered a vibrant and creative medieval piety Popular tales about the Christ Child entertained the laity and at the same time were reviled by some members of the intellectual elite of the church In either case such legends so persistent left their mark on theological, devotional and literary texts The Cistercian abbot Aelred of Rievaulx urged his monastic readers to imitate the Christ Child's development through spiritual growth Francis of Assisi encouraged his followers to emulate the Christ Child's poverty and rusticity Thomas Aquinas for his part believed that apocryphal stories about the Christ Child would encourage youths to be presumptuous while Birgitta of Sweden provided pious alternatives in her many Marian revelations Through close readings of such writings Dzon explores the continued transmission and appeal of apocryphal legends throughout the Middle Ages and demonstrates the significant impact that the Christ Child had in shaping the medieval religious imagination

Abortion and the Christian Tradition Margaret D. Kamitsuka, 2019-10-29 Abortion remains the most contested political issue in American life Poll results have remained surprisingly constant over the years with roughly equal numbers supporting and opposing it A common perception is that abortion is contrary to Christian teaching and values While some have challenged that perception few have attempted a comprehensive critique and constructive counterargument on Christian ethical and theological grounds Margaret Kamitsuka begins with a careful

examination of the church's biblical and historical record refuting the assumption that Christianity has always condemned abortion or that it considered personhood as beginning at the moment of conception. She then offers carefully crafted ethical arguments about the pregnant woman's authority to make reproductive decisions and builds a theological rationale for seeing abortion as something other than a sin.

Explorations in the Theology of Benedict XVI John C. Cavadini, 2016-02-28

Benedict XVI's writing as priest, professor, bishop, head of the Congregation for the Doctrine of the Faith, and now pope has shaped Catholic theological thought in the twentieth century. In *Explorations in the Theology of Benedict XVI*, a multidisciplinary group of scholars treat the full scope of Benedict's theological oeuvre including the Augustinian context of his thought, his ecclesiology, his theologically grounded approach to biblical exegesis and Christology, his unfolding of a theology of history and culture, his liturgical and sacramental theology, his theological analysis of political and economic developments, his use of the natural law in ethics and conscience, his commitment to a form of interreligious dialogue from a place of particularity, and his function as a public catechetical theologian.

Saints and Their Legacies in Medieval Iceland Kirsten Wolf, Dario Bullitta, 2021. Icelanders venerated numerous saints both indigenous and from overseas in the Middle Ages. However, although its literary elite was well acquainted with contemporary Continental currents in hagiographic compositions, theological discussions, and worship practices, much of the history of the learned European networks through which the Icelandic cult of the saints developed and partially survived the Lutheran Reformation remains obscure. The essays collected in this volume address this lacuna by exploring the legacies of the cult of some of the most prominent saints and holy men in medieval Iceland: the Virgin Mary, along with SS Agnes of Rome, Benedict of Nursia, Catherine of Alexandria, Dominic of Caleruega, Michael the Archangel, John of Hólar, Ólafur Trygvason of Skálholt, Larentius of Hólar, and Guomundur the Good. Using evidence drawn from Old Norse Icelandic and Latin hagiographic literature, homilies, prayers, diplomas, sacred art, place names, and church dedications, by placing the medieval Icelandic cult of the saints within its wider European context, the contributions trace new historical routes of cultural transmission and define the creative processes of the accommodation and adaptation of foreign hagiographic sources and models in medieval and early modern Iceland. They provide a clear picture of an Icelandic hagiographic literature and culture that celebrates the splendour of the saints; they also show how an engaging literary genre, which became immensely popular on the island throughout the Middle Ages and beyond, was created.

Pro-Life Pulpit Stephen Tu, 2011-05-23. Over one million unborn children are intentionally aborted every year in North America. Voiceless and helpless, their blood cries out. Will those of us who serve as pastors and preachers respond from our pulpits? Silence is not an option. We cannot keep quiet while thousands of our neighbors, made in the image of God, are being led to the slaughter every day. But neither should we condemn and vilify those who are complicit in their deaths. A truly pro-life pulpit ministry opposes the injustice of abortion with truth, courage, and understanding. Tears mingled with hope, overflowing with grace. After all, the Christian faith is rooted in the good news of a Messiah who was once an embryo. Nine

months before he was born Jesus was conceived by the Holy Spirit and for the next forty weeks he lived and grew in the womb of an unwed teenaged mother He is at the heart of our preaching and this book will show you how to confront the sin of abortion by proclaiming the God who became abortable in order to save sinners **Christmas** Adam C.
