## **Rediscovering Cuba A Personal Memoir:**

Rediscovering Cuba Jorge Reyes, 2001 This is the riveting story of a family's trip to their native land of Cuba. In 1998 the author was informed of his grandmother's terminal illness. Curious to unravel the mystery that for many years has enshrouded Cuba, he convinced his mother and aunt to accompany him and revisit their native land, the country they had left behind forty and twenty years respectively. This book, part diary, part memoir, is based on this memorable and nostalgic trip. We are taken to Santiago de Cuba and to Boniato, a small town on the outskirts of the city rumored to have been built atop an old Indian cemetery. Along the way we meet colorful characters and eccentric family members set against a rich background of folklore, local color, and politics. We meet the author's aunt Mimi, who as a girl thought a cow was her mother, his great grandmother who died of a stroke after arguing with a flock of pigeons, and even ghosts rumored to haunt his small family house in Boniato. My Words Mean Something, *Books In Print 2004-2005* Ed Bowker, Staff, Staff Bowker, Ed, 2004

**Ambivalence and the Postcolonial Subject** Gera Burton, 2004 Regarded as Cuba's most mysterious poet, Juan Francisco Manzano continues to intrigue scholars across disciplines. Using a postcolonial approach, this book breaks new ground by exploring the poet's connection with the Irish civil rights champion Richard Robert Madden. Drawing on previously untapped sources, Gera C. Burton takes a fresh look at the relationship between these two extraordinary individuals to reveal facts considered critical in achieving an understanding of their association with particular resonance for postcolonial studies. What emerges, regardless of their ambivalence, is the creation of a strategic alliance forged by the two writers in opposition to the colonial powers. Scholars in the fields of Latin American postcolonial and Diasporic studies, along with specialists in Cuban and Irish studies, will welcome this significant contribution to the body of work on *la gente sin historia*, the people without a history. *The Labyrinth of Multitude and Other Reality Checks on Being Latino/x* Julio Marzán, 2023-11-14. In the Seventies, Hispanics identifying with Latin American emergence and increasing immigration to the U.S. adopted the epithet *latino*, soon written as *Latino*. Media fast-tracked English *Latino* would eventually tilt presidential elections, advocate national programs, and protest policies with native and immigrant subgroups presumed homogenous. Enunciated identically as *latino* and presumed to be *latino* or its exact translation, *Latino* proved to be a transliteration that, since its coining, started diverging from *latino*. *Latino* became the political mask of unity over discrete subgroups; its primary agenda, identity politics as a racialized brown consciousness divested of its Hispanic cultural history. In contrast, *latino* retains its Spanish transracial semantics, invoking an *hispano* cultural history. Nationally, *Latino* represents the entire Hispanic demographic, while internecinely, not all subgroups identify as *Latinos*. *Latino* is defined by immediate sociopolitical issues, yet when needed, invokes the *latino* cultural history, it presumably disowns. Intellectual inconsistency and semantic amorphousness make *Latino* a confusing epithet that subverts both speech and scholarship. Collective critical thinking on its semantic dysfunction, deferring to solidarity, is displaced with politically correct but circumventing tweaks, creating *Latino*, a Latin, *Latinx*. On the

other hand Latino exists because its time had come expressing an aspiration for a more participatory identity in a multicultural America Julio Marz n author of The Spanish American Roots of William Carlos Williams suspends solidarity to articulate the intellectual challenges of his Latino identity Writing to academic standards in a style accessible to the general reader Marz n argues that from latino roots Latino evolved into an American identity as a demographic summation implying a culture that actually origin cultures provide ambiguously an ethnicity and a nostalgic assimilation Latino are American germane sociopolitical extrapolations of latino experiential details the often conflicted distinction illustrated in Marz n s equally engaging essays that revisit iconic personages and personal events with more nuance than seen as Latino **The**

**Hidden History of American Fashion** Nancy Deihl,2018-02-08 This book is the first in depth exploration of the revolutionary designers who defined American fashion in its emerging years and helped build an industry with global impact yet have been largely forgotten Focusing on female designers the authors reclaim a place in history for the women who created not only for celebrities and socialites but for millions of fashion conscious customers across the United States From one of America s first couturiers Jessie Franklin Turner to Zelda Wynn Valdes the book captures the lost histories of the luminaries who paved the way in the world of American fashion design This fully illustrated collection takes us from Hollywood to Broadway from sportswear to sustainable fashion and explores important crossovers between film theater and fashion Uncovering fascinating histories of the design pioneers we should know about the book enlarges the prevailing narrative of fashion history and will be an important reference for fashion students historians costume curators and fashion enthusiasts alike **Second Words** Margaret Atwood,1995-06-01 Reissued in a handsome A List edition the largest

collection of critical prose to date from world renowned author and poet Margaret Atwood featuring an introduction by Lennie Goodings Originally published in 1982 Second Words brings together fifty of Margaret Atwood s finest essays and reviews spanning two decades beginning in 1962 with an introduction and commentary by the author With her incomparable wit and originality Atwood discusses the process of writing and the literary life with insightful looks at the work of such figures as Erica Jong E L Doctorow Northrop Frye Roch Carrier Marie Claire Blais Gwendolyn MacEwen Marge Piercy Adrienne Rich Sylvia Plath and many more In several pieces we see the development of her ideas on Canadian identity and the American dream as well as her controversial attitudes toward feminism sexism and the strange mythologies imposed on men and women in contemporary North America Second Words remains the largest collection of Atwood s critical prose to date **Going Places** Robert Burgin,2013-01-08 Successfully navigate the rich world of travel narratives and identify
