Arius on Carillon Avenue Peter Carnley, 2023-11-09 In this book and its companion volume *The Subordinate Substitute* Peter Carnley unpicks logical knots and entanglements of argument found today in contemporary expressions of belief in the eternal functional submissiveness of the Son to the Father Trinitarian subordinationism and complementarianism is characteristically found along with associated conservative evangelical beliefs in the subordination of women to men and the theology of redemption known as the penal substitutionary theory of the atonement This theological package is energetically promoted amongst conservative evangelical Christians most notably members of the Southern Baptist Church and Presbyterians of the Westminster Tradition in the United States and Britain and very significantly amongst conservatively minded Anglicans of the Diocese of Sydney and elsewhere across Australia All the while the argument of this book is driven by the question of whether this popular phenomenon of contemporary evangelical Christianity is fairly and legitimately categorized as a modern form of the ancient heresy of Arianism

The Epistle of Barnabas Jonathon Lookadoo, 2022-06-21 Although the Epistle of Barnabas may be best known for its Two Ways Tradition or its anti Jewish use of Scripture its contents reveal much that will be of interest to anyone studying Christian origins In keeping with other contributions to the Apostolic Fathers Commentary Series this volume not only introduces readers to critical issues such as date authorship and opponents but also reflects on the multifaceted scriptural interpretations at play within the argument and sketches the theological beliefs that underlie the text The commentary also provides a fresh English translation of the Greek text while endeavoring to highlight the internal literary connections within the Epistle of Barnabas In so doing this book provides a knowledgeable and accessible interpretation of a fascinating early Christian document
