Reflection Milt Lemke Jr., 2005-05-27 Through the years I've learned much from my Poetry Mentors who are many and a few I've mentioned in this book They taught me by example that yes I too can be a Poet I too can be a member of this extraordinary extended family A good dose of courage and risk taking is what's needed to achieve some sort of compromising end Frankly I've learned little of this art from text books and class rooms It's The Masters the elder Poets who are my text book and class room teaching me the refinement process of honing and polishing Whatever course my poetry and prose might take My Tutors assure me it's a well worth the journey down every path and side path Visiting every side show I visit and eventually discovering my style I consider my poems and prose as my children Like their parent I want them to do their best I've nurtured them loved them and cared for them I've held on to them long enough It's time they go out on their own You may be disappointed if you fail but you are doomed if you don't try Beverly Sills Milt Lemke Jr

North Patricia L. Stevenson,2016-12-07 In SOUTH OF 30 NORTH Patricia L Stevenson presents a side of Florida that only a native could reveal so clearly Ms Stevenson has written a collection of fifty three poems filled with feelings impressions and reflections of her experiences and other observations of nature and life while growing up and living in Florida Her poems range widely in both topic and tenor revealing the mundane to the extraordinary and from the lighter sides of life to its

darkest edges Every poem tells a story no matter how short Ms Stevenson s poetry flows and ebbs like the ocean s waters in turn touching us with gentleness or with the force of violence The poems in SOUTH OF 30 NORTH remind us of the joys of childhood the loss of innocence as well as the waning of life with equal measures of humor strength and sensitivity A Southern Heart Cheyene Montana Lopez,2012-01-24 This book is about being southern in heart and it is a sort of Advice book as well This book comprises of poems of the beauty of the deep south and its hospitality through welcoming peoples I bring a rare kind of humbleness and meekness to this book in poetry that no others can do in freestyle poetry This book in advice gives off emotions through hurts and disguises it sort of like us wearing a mask of un certainty I try to bring hopes upon all hopes into wishes of heart and I hope in poetry I can show you to not to anger but be patient more than all
