

A person is walking away from the viewer on a set of railroad tracks that stretch into the distance. The sky is filled with dramatic, colorful clouds, suggesting a sunset or sunrise. The overall mood is contemplative and evocative.

It is the nature of
aphoristic thinking to

Reflections On Life And Love A Of Poems And Aphorisms:

The Poems and Aphorisms of Maurice Chapelan Mary Munro-Hill, 2020-11-24 This book prefaced by the French novelist and essayist Jeanne Cressanges focuses on Maurice Chapelan's poetry and aphorisms which are an integral part of his oeuvre. His poems encompass the whole essence of the man, his very heart and soul, whereas the aphorisms express his philosophy. Chapelan is a master of the prose poem, le poème en prose, a creator of concise poetic pieces full of rich imagery and musicality. His aphorisms too are often poetic and most of his work in every genre contains verse and philosophy. Above all, Chapelan was a moralist and a fine practitioner of humour noir which he defines as la conjuration de l'horreur par le rire. He called himself un humoriste. Although Maurice Chapelan died in 1992, most of his books are still in print and he is remembered with affection, admiration and gratitude by those who used to relish his witty Divertissements grammaticaux in Le Figaro littéraire. He had been resident chroniqueur du langage at Le Figaro since 1961, his earlier articles appearing under the more sober heading Usage et grammaire. He continued to write his chroniques until shortly before his death.

Reflections Poetry Quotes John R. Connelly, 2024-10-09 This text contains three sections. The first section, and book one, contains various situations in life that will be experienced by most people in the past, present and in the future if we cannot evolve. What is our most precious gift? Time is our most precious gift and without time there is nothing. We look at change and the issues of today and how they are recycled from issues of the past. Can human nature ever change? The fight between good over evil, hope over desire and life over death. The world we live in, the vast universe that surrounds us and the tiny little section of this unfathomable world we reside in. The second section, book two, contains various poems over the years that I have written. The three main topics are love stories and dark situations for your enjoyment. Some of the poems are from my experience and some are from the imagination. The next section, book three, contains an array of quotes consisting of all different topics. For example, there are quotes about character, struggle, good and evil and the present, past and the future. The majority of quotes are from life in general and how hopefully we can move in the right direction and be aware of our surroundings and the people we come in contact with. One take away from our time together is do not depend on anyone or anything; the path to the future is hard work, dedication and loyalty. If you rely on circumstance, you will have to tolerate your environment.

Poetry & Quotes: Reflecting Clearly Anthony Rosario Wagner, 2016-08-29 This is the fourth installment in the Poetry quotes series. Poetry Quotes Reflecting Clearly. Through every moment and every aspect of our lives, we have moments that we may regret or that we may embrace. But when we reflect on the moments of our past, they either bring smiles to our faces or tears running down them. To reflect means to think deeply and carefully about. Clearly means to, in such a way as to allow easy and accurate perception or interpretation. Use the source to gather what you have reflecting clearly. When you're clearly reflecting, you're thinking about moments in time that meant something to you and without a doubt, you remember them to the very moment that it happened. Sometimes that's all life is, a series of moments, though it is true to

cherish every single moment whether it's good, bad, or indifferent they belong to and at the end of the day I don't want to rip that from you

Words To Heal: A Collection of Thoughts, Quotes, and Poetry To Inspire and Empower The Soul

Jenna Kandyce Linch, 2012-03-01 Words have the power to build us up and give us the source of encouragement, motivation, and inspiration we need when facing challenges and hard times in life. Sometimes all it takes is that little bit of faith to ignite the spark of hope in our hearts as we keep the fire within us burning and the will to survive going strong. Words To Heal is a collection of quotes, thoughts, and poetry that I put together to help others heal, to empower them, to inspire them, to motivate them, and to offer a positive glimpse of life as we see that there's so much more to life than we know and that anything is possible when we believe.

Collier's, 1926

The Rhythm of Heart, 2021-06-30

The rhythm of heart generally resembles here the movement of words which are directly connected to every reader's heart which have to coordinate with the emotions being heartbeat of every person. It is a collection of all raw thoughts on life, emotions, social topics, and facts about one's life in the form of poems, shayaris, quotes, stories, articles, tales which can resemble anyone's thoughts or life. This book illustrates the creative soul's sayings where you will find mystery with madness and imagination filled with different psychologies of different writers. It can stand at a perfect anthology with different pieces of writings merged to reflect life experiences and present it all over filled with beautiful thoughts representing the power of words. This book is compiled by Pratibha Jain and published by Dead of Writes Publication. Pratibha started writing to express her unexpressed emotions and took her passion on a very great height by presenting 42 writers in this book and being a path for these writers to spread their thoughts largely.

State Of Being (Poetry & Quotes) Anthony Rosario Wagner, 2015-10-26

This 3rd and latest installment of poetry and quotes is what I believe to be poetry in motion. As we live our lives day to day we see and experience events that shape us and maybe define us as individuals. In the instance we experience traumatic events or witness outstanding miracles of God or breakthroughs in technology we find ourselves in a State Of Being to write our own story in our words to let the world know I was there. People are going to come into your life that need you and being there for them makes the day worth living. Inside every human being there are treasures to be unlocked. This book is dedicated to you, Ryan. You are the son of my body. I will cherish you now and always. I can't wait to see the wonderful man you will become. Actually, I can wait. Take your time growing up because I'm cherishing every moment.
