A Secret Gift Ted Gup, 2010-10-28 An inspiring account of America at its worst and Americans at their best woven from the stories of Depression era families who were helped by gifts from the author's generous and secretive grandfather Shortly before Christmas 1933 in Depression scarred Canton Ohio a small newspaper ad offered 10 no strings attached to 75 families in distress Interested readers were asked to submit letters describing their hardships to a benefactor calling himself Mr B Virdot The author's grandfather Sam Stone was inspired to place this ad and assist his fellow Cantonians as they prepared for the cruelest Christmas most of them would ever witness Moved by the tales of suffering and expressions of hope contained in the letters which he discovered in a suitcase 75 years later Ted Gup initially set out to unveil the lives behind them searching for records and relatives all over the country who could help him flesh out the family sagas hinted at in those letters From these sources Gup has re-created the impact that Mr B Virdot's gift had on each family Many people yearned for bread coal or other necessities but many others received money from B Virdot for more fanciful items a toy horse say or a set of encyclopedias As Gup's investigations revealed all these things had the power to turn people's lives around even to save them But as he uncovered the suffering and triumphs of dozens of strangers Gup also learned that Sam Stone was far more complex than the lovable retiree persona he'd always shown his grandson Gup unearths deeply buried details about Sam's life from his impoverished abusive upbringing to felonious efforts to hide his immigrant origins from U S officials that help explain why he felt such a strong affinity to strangers in need Drawing on his unique find and his award winning reportorial gifts Ted Gup solves a singular family mystery even while he pulls away the veil of eight decades that separate us from the hardships that united America during the Depression In *A Secret Gift* he weaves these revelations seamlessly into a tapestry of Depression era America which will fascinate and inspire in equal measure Watch a Video
