Puri Ph.D.,2022-12-06 When war crimes and calamities occur the belief in God is shaken The idea comes to mind Does God Exist If there is a God then why is he not preventing deadly events comprising genocides assassinations crimes and atrocities On the contrary He does not interfere That means there is no God Are people worshipping at various religious places Churches Mosques and Temples for various reasons wasting their time If God does not exist all these religious places should be closed and turned into cinemas entertainment clubs and sports stadiums God is not any object that His existence can be proved It can be felt by seeing His splendid creation The act of creation reveals the creator To know His existence is to know his magnificent creation and redemption He is the transcendent designer and has not revealed Himself so far to anyone No God His prophet deputy or beloved can interfere with any life on any planet Each soul has its journey and is responsible for its actions God is apathetic to the creation of the universe or any happening in the universe The universe goes on as per its natural laws So let us not blame God for any catastrophe occurring in the world

The Names of God in Judaism, Christianity, and Islam Máire Byrne,2011-07-07 This book offers a welcome solution to the growing need for a common language in interfaith dialogue particularly between the three Abrahamic faiths in our modern pluralistic society The book suggests that the names given to God in the Hebrew Bible the New Testament and the Qur an could be the very foundations and building blocks for a common language between the Jewish Christian and Islamic faiths On both a formal interfaith level as well as between everyday followers of each doctrine this book facilitates a more fruitful and universal understanding and respect of each sacred text exploring both the commonalities and differences between each theology and their individual receptions In a practical application of the methodologies of comparative theology Maire Byrne shows that the titles names and epithets given to God in the sacred texts of Judaism Christianity and Islam contribute towards similar images of God in each case and elucidates the importance of this for providing a viable starting point for

interfaith dialogue      **Sufism-The Soul of Islam** Sultan ul Ashiqeen Sultan Mohammad Najib ur Rehman,2020-10-30
