Reflections: Joshua B. Seth,2014-03-01 This book was written in an effort to help others who are struggling with anorexia and bulimia so that they too can relate to their own recovery process on a more personal level The questions and exercises in this book are designed to help those who have difficulties journaling and coming to terms with their eating disorders and to teach them how to self identify to their relationship with ED and with themselves During the course of my own recovery I constantly asked myself who am I without ED At the time ED was the only identity I had ever known and therefore I think was a part of the reason why I held back from moving forward with my recovery for so long But now that I consider myself recovered from both the anorexia and the bulimia my only regret is that I did not choose to walk away from ED years ago I have created this book to help people from all stages of recovery whether it is your first day or your one hundredth because recovery is
