Everything in your life is  
a reflection of a choice you have made.  
If you want a different result,

**Education of Laura Dewey Bridgman** Mary Swift Lamson,1884      **Still Life Painting Atelier** Michael Friel,2010-09-28

The equivalent of a foundation course in traditional oil painting for beginning to intermediate level artists this in depth book uses the still life as a practical way to master oil techniques The still life is a practical forgiving genre as it does not require

the likeness of a portrait or the accurate proportions of the figure and unlike the landscape it doesn't change with the weather. Instead, it gives aspiring artists ample time to study and the opportunity to look closer. It can be used as a purely formal subject for drawing and painting techniques or a platform for emotional expression using personal symbolism and imagery. However, though the still life is used throughout as a teaching tool, this is first and foremost a book about oil painting. It begins with simple compositions that build to more complex arrangements. Starting with essential information on how to best set up your studio including lighting equipment, materials, paints, solvents, brushes, mediums, and preparing your canvas and paper for oil painting, *Still Life Painting Atelier* then offers concrete lessons in a logical, progressive sequence with step-by-step illustrations, finished paintings, diagrams, and tips. Chapters cover: How to address composition through thumbnail sketches and line drawings; Using underpainting to study the characteristics of light and shade; The basics of color theory and color mixing; How to use a variety of brushes to create sharp and soft edges; Techniques that are helpful when painting metal and glass; How to apply glazing and scumbling to bring luminosity and texture. *The Life Recovery Bible KJV*

Rolf Gates, author of *Meditations from the Mat*, has walked the walk of the 12-step method of recovery while traveling down the Buddhist eightfold way and practicing the Eight Limbs of Classical Yoga. Each eloquent and brief essay is accompanied by a self-reflection prompt to help guide you on your journey of introspection and change. As the co-founder of
