

FAITH REFLECTIONS

10 HEBREWS:

15. The Holy Spirit also testifies to us about this.

First he says: 16 "This is the covenant I will make with them after that time, says the Lord. I will put my laws in their hearts, and I will write them on their minds."

17 Then he adds: "Their sins and lawless acts I will remember no more."

AMEN

verses bring meaning to daily life as nearly everything that happens has some reference to a verse in the bible Inspirations Spoken Dy by Day With Faith Hope and Love started as a simple five minute daily ritual of connecting by text to send an uplifting message as an expression of showing support and concern between friends As the days moved forward the messages became like daily vitamins that gave hope to inspire each day The concept inspired the project for Inspirations Spoken Day by Day With Faith Hope and Love to share thoughts pulled from the mental thought library of the heart and soul while using the bible verses as sources of reference The daily mental stimulation of the heart provided a type of therapy to soothe the emotional anguish from many of the raging changes that were happening after the eruption of the Covid 19 pandemic and also other changes that upset normal life as it was known before Sometimes the greatest support that can be given is to have someone who truly cares about your daily well being and knows how to connect and render the care This book has 366 days of verses quotes poetic thoughts and inspirations that may be used as references to channel your own thoughts to make daily mental notes goals or take actions to help uplift your spirits each day **Thoughts on faith and scepticism** Thomas Andrews,1894 *Old Faith and New Thoughts* Joseph B. and have provided compass points for his ministry Part two is the central core of the book It outlines a program that gives flesh and reality to its three underpinning convictions It provides a practical step by step outline for people to plan launch and direct the program in a way that helps participants come to know God s providence and love amid the contradictions and joys of daily living and live as his beloved children It then forms and inspires them to live their relationships in a spirit of joyful service and with love towards all whom they meet and in a way that enhances renewal and community connections within their parish Each week presents an important facet of Christian living in a style that is easy to follow while at the same time inspirational It all means that hosting this program is within the capacity of anyone who knows a genuine encounter with God and a desire to share his love with others Part three consists of a scripture passage and a brief reflection for each day for the duration of the program It supports the theme of each week It seeks to help people to pray with the help of the scriptures to inspire a new or more personal relationship with Christ and to yield to the mystery of God s loving Then what may have proved to be elusive in the past becomes part of one s own personal story Part three can equally be looked upon as a booklet which stands on its own and which can be used with profound effect as a personal support in recognizing God who is continually searching for them In an easy to read style this book will provide possibilities and sightlines for individuals communities and parishes in their search for authentic freedom renewal and community
