Wells,1987-10 **Living Spiritually in the Material World** Lewis M. Andrews Ph.D.,2020-03-17 For almost three hundred years almost every American college was run by a minister or prominent Christian thinker Although representing many denominations they collectively developed an enormously popular student seminar on how to find spiritual satisfaction in the larger world beyond home and church a discipline that eventually inspired the entire country through a series of bestselling books Combining historical research with the insights of modern

psychology and his own experience as therapist and teacher Dr Andrews makes the insights of the early college president assessable to today's Christian seekers Before shelves were warping under the weight of self help books before the caring industries were promising happiness via therapy or pills many Americans sought guidance and wisdom from of all people Christian college presidents Lewis Andrews unearths the story of how these religious educational and social leaders came to be spiritual instructors and he shows how their advice can still help us lead lives of greater courage resilience and grace Adam Keiper Books they also provided useful guidance for spiritual wisdom which Andrews translates for today's modern audience Mike McCurry professor director Wesley Theological Seminary and former State Department White House spokesman 1993 98 Living in the Text Jeff Voth, Jesse Muller, 2025-02-04 What does it mean to be People of the Book Our faith in Jesus is founded on the written word of God but do we approach it as such Western Christian culture offers many so called spiritual helps words of wisdom one liners from catchy sermons videos and innumerable podcasts Although these can be helpful far too many Christians equate these sources to spending time with God Amid the prattle and movement of a fast paced distraction filled world this book is a call to return to the Bible slowly prayerfully with Jesus in the Spirit alongside other believers Sit walk and live with God in a vibrant way through his word Let's become a people of the book again By his Spirit the authors invite readers to live in the text with them **Preaching as Paying Attention** Edward Foley, 2021-07-10 Author Ed Foley priest preacher and teacher invites preachers to an awareness of the world and the people around them as a lens for preaching God's Incarnate Word and inviting people into the Paschal Mystery He maintains that paying attention is a key to theological reflection When pondering a work of art or a catastrophe the preacher asks Where is God in all of this and How does my preaching invite people to respond to that presence Fr Foley presents excerpts of his own homilies and references to poets scientists and other resources some a bit surprising as models and suggestions that might draw a preacher's attention as a sign of God present and active in our midst In short this book offers a mindset not a method for preachers
