A Reformed Voice in the Ecumenical Discussion Martien Brinkman, 2016-04-26 In A Reformed Voice in the Ecumenical Discussion Martien E Brinkman offers a critical account of the main international ecumenical developments of the last three decades He delivers a sketch of the Reformed contribution to the ecumenical dialogues dealing with issues like contextuality state church relations the ethical implications of baptism the church as sacrament of the kingdom and apostolic tradition He pleads for a stronger non Western input in the ecumenical discussions and emphasizes that in many contexts Indonesia India China the interreligious dialogue has become part of the inner Christian dialogue This study can be considered as a constructive contribution to the development of a hermeneutics of tradition and puts itself the critical question what is lost and found in translation *Reformed and Ecumenical* ,2021-11-15 **The Unity of the Church** Eddy A. J. G. van der Borght, 2009 In contrast to its original name Ecclesia Reformata ecclesiology did not develop into a major theme within the Reformed tradition Notwithstanding the undeniable schismatic tendency and the ecclesial embarrassment about disunity the unity of the church did not rise to prominence as a theological topic This volume challenges this traditional low key attitude towards the unity of the church It investigates theological aspects that contributed to a weak *sensus unitatis* and explores approaches that remedy the disease of division It discusses the role played by scripture the sacraments confessions and discipline it searches for the best theological practices within other Christian traditions it links the unity of the church to the unity of God and reformulates the nature of the church **Een waaier van gedachten over geloven - Bibliography of Published Works by Hendrik M. Vroom** Dirk van Keulen, Annewieke L. Vroom, 2010-01-01 *Street Signs* David P. Leong, 2012-07-01 *Street Signs* is an engaging missiological inquiry into the cultural and theological meaning of the city Through the lens of Seattle's Rainier Valley one of the most ethnically and socioeconomically diverse communities in the US this work constructs an urban missional and contextual theology that is shaped by the local realities of urban neighborhoods but relevant to cities everywhere Focused on the themes of incarnation confrontation and imagination *Street Signs* explores the contours of missional theology in urban contexts marked by physical density social diversity and economic disparity In addition to examining contextualization and cultural theory *Street Signs* also utilizes creative research methods like urban exegesis cultural semiotics and theology of the built environment For the urban ministry practitioner or the theologian in the city this work aims to engage thoughtful Christians with missiological and theological reflections on place neighbor and community *Religion, Conflict and Reconciliation* ,2021-10-25 From the contents Andre DROOGERS Religious reconciliation a view from the social sciences Hendrik M VROOM The nature and origins of religious conflicts some philosophical considerations Michael McGHEE Buddhist thoughts on conflict Reconciliation and religion Tzvi MARX Theological preparation for reconciliation in Judaism Agus Rachmat WIDYANTO Interreligious conflict and reconciliation in Indonesia **Hindu-Christian Dialogue** Mariasusai Dhavamony, 2021-11-15 Dialogue is an integral part of the mission of

the Christian church The immensity of the ocean of Hindu doctrine and thought presents a significant obstacle to Christians who have been invited by the Roman Catholic Church to scrutinize the divine Mystery present in other religions Many fascinated by Hindu mysticism confuse permanent Hindu beliefs with certain current Western religious movements India's quest for the divine embodies multiple forms Its millennia old methods of meditation and varieties of asceticism often confuse those who are less inclined to experience of an inner spiritual nature This book attempts to address some of these difficulties and questions It is the author's belief that in the Hindu Christian encounter the Christian believer will also rediscover the originality and newness of the Christian revelation viz the intervention of God in the history of salvation whereby God reveals his salvific love in Jesus Christ Possessing expert knowledge of both Hinduism and Christianity the author approaches the Hindu Christian dialogue with sympathy and discernment

**Fullness of Life for All** Inus Daneel, Charles Van Engen, Hendrik M. Vroom, 2005 This important book is needed today The challenges that Christian churches face have changed immensely in the last quarter century One of the central issues facing the churches everywhere in the world is their missionary presence in their nations and societies The authors of this volume are among the world's leading missiological thinkers and represent nearly every major Christian tradition in Europe Africa North America and Asia In this new century the Christian church faces new situations that include for example the fall of communism the globalization of culture cultural and religious minorities and multiple religious majorities in nearly every country ethnic and interreligious tensions relativism and individualism in Western culture the rise of a global impact of a postmodern world view poverty in poor countries and in urban areas in wealthy countries and the decline of Western cultural authority and with notable exceptions of religious authority generally This book speaks of ways in which Christian churches are seeking to respond to these challenges The purpose of this book is to describe some of the main challenges facing the churches in mission today particularly with reference to inter religious conversations all over the world The title of this volume has been derived from the theme of the 24th General Assembly of the World Alliance of Reformed Churches WARC at Accra in August 2004 whose theme is That All May Have Life in Fullness Such Christian witness is more than humanness because it arises from the fullness of God's grace forgiveness reconciliation and hope that God's will may be done on earth as it is in heaven Christian presence in a desperately needy world will make the fullness of God's presence known Such fullness of life permeates the heart mind and action of Christians The editors and authors of this volume hope that it will challenge the reader to reflect upon the missionary presence of the churches and their communication of the Gospel in a secularized religiously plural world filled with struggles violence and rumors of war Fullness of life points to the Kingdom of God that is here already and at the same time not yet here This constitutes Christian expectation and hope This book is must reading for anyone interested in seeing the Christian Church respond in new and relevant ways to the new situations facing our world in a new century Faith and Order Commission Papers, 2002 *International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields*

of Arts and Humanities and the Social Sciences ,2001      *Reformierte Identität weltweit* Margit Ernst-Habib,2017-03-13 Die Suche nach einer beschreibbaren reformierten Identität beschaffte in den letzten Jahrzehnten Kirchen akademische Theologie und Institutionen weltweit Gleichzeitig entstanden in reformierten Kirchen mehr als sechzig neue Bekenntnistexte mit denen Kirchen nicht allein auf die Herausforderungen ihres jeweiligen Kontextes reagieren sondern auch ihre Identität als bekennende Kirche zu aktualisieren versuchen In dieser Untersuchung macht Margit Ernst Habib dieses typisch reformierte Phänomen der offenen Bekenntnisstradition zum Ausgangspunkt der Identitätsbestimmung und zeigt anhand des Bekenntnisverständnisses auf welche gemeinsamen theologischen Grundentscheidungen diesem zugrunde liegen ber diese Bekenntnishermeneutik hinaus fragt sie aber nach der Tiefendimension reformierter Identität die anhand der Heiligkeit Gottes und der Gemeinschaft der Heiligen entwickelt wird Dabei trägt eine konsequent internationale Perspektive nicht allein in den bearbeiteten Bekenntnistexten sondern auch in der verwendeten Sekundärliteratur entscheidend dazu bei den globalen Charakter der reformierten Tradition und ihrer Identität sichtbar zu machen Insbesondere die Beschreibung reformierter Identität als partizipatorischer konfessioneller exzentrischer deiktischer pneumatologischer missionaler und eschatologischer Identität bietet reformierten Kirchen und Theologien Hilfe dabei an ihre je eigene aber auch eine gemeinsame reformierte Identität in kumenischer Weite zu bestimmen      **One Gospel - Many Cultures** ,2021-08-04 The gospel is directed to people in the concreteness of their lives For this reason the understanding of the gospel is always of a contextual nature i e is at all times related to the situations in which people live and is therefore influenced by various cultures The one gospel is understood in and shaped by many cultures In One Gospel Many Cultures authors from various parts of the world describe examples of such contextual understandings of the gospel message The volume contains accounts of Jesus as rice in a Korean and as guru in a South Indian setting churches in secular and individualistic societies on both sides of the Atlantic struggling to understand the gospel anew Christians in East Asian megalopolises trying to inculturate faith in their local cultures poverty stricken people in massive urban areas in Latin America who cannot read eating fragments of the Psalms women in African countries suffering poverty and threatened by the spread of diseases raising the question whether the churches should stick to monogamy or make room for polygamy These examples entail serious questions for the churches In what does the unity of the worldwide church consist and how strong is its witness if various contexts yield different interpretations of the gospel Is cross cultural understanding in the church possible Is the World's Day of Women's Prayer perhaps a better example of cross cultural sharing and unity women listening to women from parts of the world other than their own praying together sharing songs and if needed money and thereby demonstrating one faith one gospel one God And to take another completely different case was apartheid not a cruel form of contextualization a parody of the gospel of liberation a negation of the gospel that calls for and makes possible the breaking down of existing walls of separation between people of different races colours nations and genders The contributors to the work in hand do not merely

present case studies of attempts to bring the gospel into rapport with diverse cultural and human situations but also discuss the pro s and con s of the examples of contextualization they describe The papers included in the present work are the fruit of a study project which forms part of the larger long standing and ongoing program of theological reflection undertaken by the World Alliance of Reformed Churches With its fascinating cases studies and thorough discussions of the problems and issues involved in contextualization this volume will be recognized as an important textbook for academic courses in intercultural theology ecumenical studies and theological hermeneutics Contributors Marcella Althaus Reid Russell Botman Heup Young Kim Christine Lienemann Perrin Mercy Amba Oduyoye Joseph Small M Thomas Thangaraj Hendrik M Vroom and Choo Lak Yeow
