

The background is a painting of a cave interior. The walls are dark brown and textured, with some areas showing a reddish-brown hue. A bright, ethereal light emanates from a pool of light in the center of the cave floor, creating a strong contrast with the dark surroundings. The light pool is irregular in shape, with a bright white center that fades into a soft blue and then into the dark cave walls. The overall atmosphere is mysterious and spiritual.

Refuge Of Whirling Light Poems:

Refuge of Whirling Light Mary Beath, 2007-04 One bright winter afternoon along an empty New Mexico road Mary Beath discovered these inexplicable words painted on a peeling wooden sign Refuge of Whirling Light That moment could stand for what she offers the reader the pleasures and insights of the unexpected the sensations of freedom and belonging that have always drawn her to wander the land alone Beath's intensely visual story poems are utterly transporting taking you out to longed after landscapes and at the exact same time into the terrain of our hearts and souls In the tradition of other keen eyed gutsy women who have bound themselves to the Southwest Beath expresses for all of us men and women our desires for love and liberation and how the land every day if we watch closely offers us metaphors for both Susan J Douglas author of *Where the Girls Are* and *The Mommy Myth* Powered by a rigorously disciplined and analytical mind these poems are never content to dwell in mere description but press on into far more complex interrogations of the world's nature ecology and systems of knowledge Craig Watson author of *True News* and *Free Will* Although written about familiar places Chaco Canyon Abiquiu the Four Corners these poems chart a unique geography This is the terrain of wind singing frogs storms and changing light of risk and silence and sexual desire of that which is both wild and holy I love the unbounded gutsy weather of these poems Anne Batterson author of *The Black Swan*

Refuge of Whirling Light Mary Beath, 2005 Beath's intensely visual story poems are utterly transporting taking you out to longed after landscapes and at the exact same time into the terrain of our hearts Susan J Douglas author of *Where the Girls Are*
