[When Texas Prison Scams Religion](#) Michael G. Maness, 2023-05-22 *When Texas Prison Scams Religion* exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a

literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars **Japanese Saints** John

Religion and Tourism in Japan Ian Reader,2023-11-16 In this study Ian Reader presents new insights into the relationship between religion and tourism more generally and into the contemporary religious situation in Japan He counteracts scholarship that claims tourism increases religious activity shows that tourism is a factor in increasing secularization in Japan and draws attention to the role of the state in such contexts Although the Japanese constitution prohibits the state from promoting religion this book shows how state agencies nonetheless encourage people to visit religious sites by presenting them as manifestations of a shared heritage in ways that distance them from religion Reader examines theoretical understandings of religion and tourism and presents case studies of famed pilgrimage routes and temples He shows how Zen monasteries are now tourist brands and pilgrimages are the focus of TV entertainment programmes portrayed as opportunities to eat sweets Examining the nationalistic rhetoric of nostalgia and unique heritage that underpins the promotion of religious sites Reader also considers why priests acquiesce in such matters *The Anatomy*

of Loneliness Chikako Ozawa-de Silva, 2021-12-07 Introduction disconnected people and the lonely society Subjectivity and empathy Too lonely to die alone internet group suicide Connecting the disconnected suicide websites Meaning in life exploring the need to be needed among young Japanese Surviving 3 11 The anatomy of resilience What loneliness can teach us

Living in the Family of Jesus William Longgar, 2016 With its myriad people groups Melanesia has much to teach the rest of the world about what happens when Christ encounters local culture This collection begins with a look at specific case studies of the Gospel's encounter with local culture in Melanesia itself before turning to broader themes particularly raised by the Melanesian context Case studies from Asia and the wider Pacific then throw further light on the incarnational process of encounter demonstrating that there is much for the rest of the world to learn from the Melanesian experience The book concludes with some penetrating analyses of the dynamics at work when the Gospel encounters human cultures for the first time The process of critical contextualization of the Gospel is never complete and is inevitably the product of conversation and experimentation As such it is a communal process This set of essays models one such conversation while at the same time enabling the rest of the church to listen in on important insights
