Religious Commitment And Secular Reason:

Religious Commitment and Secular Reason Robert Audi, 2000-03-28 Many religious people are alarmed about features of the current age violence in the media a pervasive hedonism a marginalization of religion and widespread abortion These concerns influence politics but just as there should be a separation between church and state so should there be a balance between religious commitments and secular arguments calling for social reforms Robert Audi offers a principle of secular rationale which does not exclude religious grounds for action but which rules out restricting freedom except on grounds that any rational citizen would accept This book describes the essential commitments of free democracy explains how religious and secular moral considerations can be integrated to facilitate cooperation in a world of religious pluralism and proposes ideals of civic virtue that express the mutual respect on which democracy depends **Rationality and Religious Commitment** Robert Audi, 2011-09-22 Rationality and Religious Commitment shows how religious commitment can be rational and describes the place of faith in the postmodern world It portrays religious commitment as far more than accepting doctrines it is viewed as a kind of life not just as an embrace of tenets Faith is conceived as a unique attitude It is irreducible to belief but closely connected with both belief and conduct and intimately related to life's moral political and aesthetic dimensions Part One presents an account of rationality as a status attainable by mature religious people even those with a strongly scientific habit of mind Part Two describes what it means to have faith how faith is connected with attitudes emotions and conduct and how religious experience may support it Part Three turns to religious commitment and moral obligation and to the relation between religion and politics It shows how ethics and religion can be mutually supportive even though ethics provides standards of conduct independently of theology It also depicts the integrated life possible for the religiously committed a life with rewarding interactions between faith and reason religion and science and the aesthetic and the spiritual The book concludes with two major accounts One explains how moral wrongs and natural disasters are possible under God conceived as having the knowledge power and goodness that make such evils so difficult to understand The other account explores the nature of persons human and divine and yields a conception that can sustain a rational theistic worldview even in the contemporary scientific age ***Reasons, Rights, and Values*** Robert Audi, 2015-04-02 A wide ranging collection of essays on reasons rights values and virtues by a leading philosopher of ethics **The Liberal Conscience** Lucas Swaine, 2006 This bold work offers solutions to the seemingly irreconcilable divide between liberal society and theocracy by reasserting the importance of the liberty of conscience and principles of religious toleration **The Postsecular Political Philosophy of Jürgen Habermas** Dafydd Huw Rees, 2018-09-01 This is the first full length treatment of Habermas postsecular political philosophy in English It gives a much more in depth analysis of this aspect of his work than the comparable books listed above It looks at this issue in the context of Habermas entire philosophical project drawing out hitherto overlooked connections It works as an intermediate level introduction to many aspects of Habermas philosophical

project his social theory moral philosophy and metaphysics as well as his political theory and philosophy of religion

Culture Shift R. Albert Mohler, R. Albert Mohler, Jr., 2008-01-15 Deeply embedded in today's cultural reality Christians struggle to consciously apply biblical truth to everyday situations Get answers that will reconcile the disconnect between basic Christian beliefs and today's modern world *Culture Shift* Dr. R. Albert Mohler, 2011-08-16 Prepare to Engage Mass media and technology are exploding Popular entertainment relentlessly pushes the envelope Biomedicine stretches ethical boundaries Political issues shift with the polls Christian orthodoxy is questioned on every front The world in which you live is undergoing a major cultural transformation one leading to a widespread lack of faith an increase in moral relativism and a rejection of absolute truth In *Culture Shift* Dr R Albert Mohler one of today's leading Christian thinkers and spokespersons addresses these and other tough topics clearly biblically and passionately The effect of the digital deluge on individuals and families The truth about terrorism Christian parents and public schools The rise of an aggressive new atheism The abortion debate Here is trustworthy help for developing a comprehensive Christian worldview based on timeless truth Religion in a Liberal State Gavin D'Costa, Malcolm Evans, Tariq Modood, Julian Rivers, 2013-08-29 Leading authors in politics law sociology and theology discuss what the proper place of religion is in a liberal state **The Order of Public Reason** Gerald Gaus, 2010-12-13 In this innovative and important work Gerald Gaus advances a revised and more realistic account of public reason liberalism showing how in the midst of fundamental disagreement about values and moral beliefs we can achieve a moral and political order that treats all as free and equal moral persons The first part of this work analyzes social morality as a system of authoritative moral rules Drawing on an earlier generation of moral philosophers such as Kurt Baier and Peter Strawson as well as current work in the social sciences Gaus argues that our social morality is an evolved social fact which is the necessary foundation of a mutually beneficial social order The second part considers how this system of social moral authority can be justified to all moral persons Drawing on the tools of game theory social choice theory experimental psychology and evolutionary theory Gaus shows how a free society can secure a moral equilibrium that is endorsed by all and how a just state respects and develops such an equilibrium **Understanding Liberal Democracy** Nicholas Wolterstorff, 2012-09-27 *Understanding Liberal Democracy* presents notable work by Nicholas Wolterstorff at the intersection between political philosophy and religion Alongside his influential earlier essays it includes nine new essays in which Wolterstorff develops original lines of argument and stakes out novel positions regarding the nature of liberal democracy human rights and political authority Taken together these positions are an attractive alternative to the so called public reason liberalism defended by thinkers such as John Rawls The volume will be of interest to philosophers political theorists and theologians engaging a wide audience of those interested in how best to understand the nature of liberal democracy and its relation to religion **The Evolution of Rationality** F. LeRon Shults, 2006-11-09 How can science and religion move together toward a collegial future J Wentzel van Huyssteen has spent decades developing an interdisciplinary

platform for the fruitful engagement of science and religion Compiled to celebrate van Huyssteen's 65th birthday *The Evolution of Rationality* gathers a stellar roster of scholars in van Huyssteen's main areas of philosophy science and theology The contributors some of them Gifford lecturers and Templeton Prize winners offer significant new methodological and material proposals giving evidence of van Huyssteen's impact on the shape and texture of interdisciplinary conversation itself Their essays are arranged in three parts modern and postmodern philosophical challenges to our understanding of rationality scientific evolutionary perspectives on the nature and development of human rationality in relation to religion religious and theological explorations of the evolution of rationality However because the authors are all involved in interdisciplinary dialogue this philosophical scientific theological arrangement of chapters is not hard and fast Virtually every essay engages issues that overlap all three fields forming an extremely rich blend of thought A creative interdisciplinary collection written by world renowned philosophers scientists and theologians *The Evolution of Rationality* renders fitting tribute to pioneering scholar mentor J Wentzel van Huyssteen Contributors John Hedley Brooke Delwin Brown Philip Clayton Jean Clottes F W Dobbs Allsopp David Fergusson Niels Henrik Gregersen David Lewis Williams George Newlands Richard Robert Osmer Arthur Peacocke Kenneth A Reynhout Holmes Rolston III Michael Ruse Calvin O Schrag F LeRon Shults Christopher Southgate Michael L Spezio Mikael Stenmark Jerome A Stone Ian Tattersall Roger Trigg Keith Ward Wesley J Wildman

Religion in a Liberal State Gavin D'Costa Malcolm Evans Tariq Modood and Julian Rivers, Is This God's Country? Robert Audi, 2024 Why think America is God's country What is a religion Religion as an engine of law making Ethics and democracy why should a religious nation tolerate irreligion Public education why shouldn't public education endorse the religious values of the nation Religion democracy and economic liberty why can't owners of a business run it as they like Healthcare in America why should government be allowed to override religious preferences The civic responsibilities of citizens do unto others a moral and religious standard Can we integrate morality politics and religion Civil discourse as a challenge for citizens and government Can America be Christian **Religion in the Public Schools** Michael D.

Waggoner, 2013-04-10 Since September 11 2001 the profile of religion's role in our global society has increased significantly Religion has long been a force in people's lives as numerous studies and polls show yet we continue to struggle with understanding differing religious traditions and what they mean for our common life There are few places where Americans can meet together to learn about each other and to share in the common construction of our futures One such place for many is public education The purpose of this book is to illustrate the complexity of the social cultural and legal milieu of schooling in the United States in which the improvement of religious literacy and understanding must take place Public education is the new commons We must negotiate this commons in two meanings of that term first we must come to mutual understandings and agreement about how to proceed toward a common horizon of a religiously plural America second we must work our way through the obstacles in these settings in practical ways to achieve results that work **Religion in the**

Religious Ideas in Liberal Democratic States Jasper Doomen, Mirjam van Schaik, 2021-07-29 Religious Ideas in Liberal Democratic States adds new context to the ongoing debate over the scope of religious freedom drawing from a variety of perspectives to discuss the meaning of religion itself within a democratic state This book argues that categorizing religion as a solely private affair is too narrow an interpretation and questions whether ideas like freedom human dignity and equality can be truly actualized in a neutral and secular state Contributors explore the impact of religion acknowledged or not on legislation human rights and group rights through legal historical and sociological lenses Scholars of constitutional law jurisprudence international law and political science will find this book particularly useful

Philosophy of Religion for a New Century Jeremiah Hackett, Jerald Wallulis, 2004-04-30 Philosophy of Religion for a New Century represents the work of nineteen scholars presented at a conference in honor of Eugene T Long at the University of South Carolina April 5 6 2002 This volume is a good example of philosophy in dialogue there is both respect and genuine disagreement First an account of our present situation in the Philosophy of Religion is given leading to a discussion of the very idea of a Christian Philosophy and the coherence of the traditional concept of God The implications of science and a concern for the environment in our concepts of God are carefully examined A discussion follows on the possibility of speech about God and silence about God Since much of modern European philosophy is concerned with the Death of God theme the positions of Nietzsche and some of his twentieth century interpreters are presented There are presentations on Feminist Approaches to Philosophy of Religion and Comparative Religion is examined in relation to cultures and the demands of rationality The volume concludes with a critical dialogue on the relation of Religious Discourse to the Public Sphere Developing global awareness has led to significant change in the Philosophy of Religion One dimensional approaches have given way to honest dialogue The traditional boundaries between the secular and the religious have shifted and new approaches to traditional problems are required This volume presents examples of these new approaches

S. A. Lloyd, 2013-08-31 This volume demonstrates the enduring relevance of the philosophy of Thomas Hobbes for the political and social problems we face today

Negotiating Religion François Guesnet, Cécile Laborde, Lois Lee, 2016-08-25 Negotiating religious diversity as well as negotiating different forms and degrees of commitment to religious belief and identity constitutes a major challenge for all societies Recent developments such as the de secularisation of the world the transformation and globalisation of religion and the attacks of September 11 have made religious claims and religious actors much more visible in the public sphere This volume provides multiple perspectives on the processes through which religious communities create or defend their place in a given society both in history and in our world today Offering a critical cross disciplinary investigation into processes of negotiating religion and religious diversity the contributors present new insights on the meaning and substance of negotiation itself This volume draws on diverse historical sociological geographic legal and political theoretical approaches to take a close look at the religious and political agents involved in such processes as well as the political social and cultural context in which they take place Its focus on the European experiences that have shaped not only the history of negotiating religion in this region but also around the world provides new perspectives for critical inquiries into the way in which contemporary societies engage with religion This study will be of interest to academics lawyers and scholars in law and religion sociology politics and religious history

Religion in the Classroom Jennifer Hauver James, Simone Schweber, Robert Kunzman, Keith C. Barton, Kimberly Logan, 2014-11-13 Dilemmas surrounding the role for religious beliefs and experiences permeate the school lives of teachers and teacher educators Inspired by the need for teachers and students to more fully understand such dilemmas this book examines the relationship between religion and teaching learning in a democratic society Written for pre service and in service teachers it will engage readers in thinking about how their own religious backgrounds affect their teaching how students religious backgrounds influence their learning how common experiences of school and classroom life privilege some religions at the expense of others and how students can better understand diverse religious beliefs and interact with people from other backgrounds The focus is specifically on classroom issues related to religious understandings and experiences of teachers and students and the implications of those for developing democratic citizens Grounded in both research and personal experience each chapter provides thought provoking evidence related to the role of religion in schools and society and asks readers to consider the consequences of varied ways of responding to the dilemmas posed

Religious Commitment And Secular Reason Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religious Commitment And Secular Reason has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religious Commitment And Secular Reason has opened up a world of possibilities. Downloading Religious Commitment And Secular Reason provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religious Commitment And Secular Reason has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religious Commitment And Secular Reason. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religious Commitment And Secular Reason. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religious Commitment And Secular Reason, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Religious Commitment And Secular Reason has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
