Faith and the Presidency From George Washington to George W. Bush Gary Scott Smith, 2006-10-12 Publisher description *Peace, Politics, and Religion* Jeffrey Haynes, 2020-12-14 Relationships between peace politics and religion are often controversial and sometimes problematic Religion is a core source of identity for billions of people around the world and it is hardly surprising that sometimes it becomes involved in conflicts At the same time we can see religion involved not only in conflict It is also central to conflict resolution peace making and peacebuilding Religious involvement is often necessary to try to end hatred and differences frequently central to political conflicts especially but not only in the Global South Evidence shows that religious leaders and faith based organisations can play constructive roles in helping to end violence and in some cases build peace via early warnings of conflict good offices once conflict has erupted as well as advocacy mediation and reconciliation The chapters of this book highlight that religion can encourage both conflict and peace through the activities of people individually and collectively imbued with religious ideas and ideals

When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality

in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ's executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars

value of mediation as a vital aspect of adult education in his commentary *Education for Democratic Citizenship and Intercultural Conflicts by Mediation* Dr Ren Lemarchand's cautionary discussion regarding the risks involved in mankind's willingness and even propensity to ignore some of history's worst atrocities follows in his article *Remembering Forgotten Genocides* Jamie L Hurst's paper *Holy Conflict the Intersection of Religion and Mediation* explores the junction where religion and mediation meet focusing on the unique challenges and opportunities this crossroads brings to bear In her piece *Identity Reconsidered* Zarr n Caldwell describes the cost of narrowly construed identity formations and puts forward the idea that the teachings of the Bah Faith on nested identities might offer some new ways of approaching peacebuilding Similarly in their work *Storytelling as a Means for Peace Education Intercultural Dialogue in Southern Thailand* Erna Anjarwati Allison Trimble describe their research conducting peace storytelling as a means to encourage social reconciliation between Thai Buddhists and Malay Muslims youth And finally Lanhe S Shan presents an in depth assessment of the long term outcomes following the implementation of unfortunate conflict mitigation strategies and offers suggestions for improved results in *Analysis of Tito's Policies on Ethnic Conflict the Case of Kosovo* This journal is not meant to be a bastion of declarative wisdom rather it is intended to be a conduit a medium for vibrant exchange and discussion of its contents is vital to its purpose We want your input your ideas your thoughts and your insights You will find plenty to discuss every quarter in the articles book reviews Living Together Movement updates social media buzz and Photos from the Field here and in the issues ahead

Social Justice Goes To Church: The New Left in Modern American Evangelicalism Jon Harris, 2020-10-06 The infusion of social justice into the gospel may well be the most dangerous problem facing the church today Yet it is going unnoticed in far too many circles *Social Justice Goes to Church* can serve as a wake up call Samuel C Smith Ph D Chair and Graduate Program Director Department of History Liberty University In order to understand why so many evangelicals recently support left leaning political causes it is important to know a little history In the 1970s many campus radicals raised in Christian homes brought neo Marxist ideas from college back to church with them At first figures like Jim Wallis Ron Sider and Richard Mouw made great gains for their progressive evangelical cause But after the defeat of Jimmy Carter the religious right stole the headlines Today a new crop of mainstream evangelicals has taken up the cause of the New Left whether they know it or not As pro life evangelicals rush to support movements like BlackLivesMatter and MeToo it is important to realize they are walking in footprints already laid down Their mission may be more successful but it is not new To understand where the evangelical social justice movement is heading it is vital to understand the origins of the movement

Social Justice Goes to Church The New Left in Modern American Evangelicalism answers from a historical perspective the vital question Why are American evangelicals moving Left The great injunction to the Church was to preach the Gospel to the world while not being of the world Social justice neatly reverses this trend preaching the ways of the world into the church That is not its only critical reversal The Gospel is about freedom from guilt and sin and bondage Social justice seeks above all to apportion guilt and sin and bondage enslaving entire demographics and requiring that they kneel before man in attrition How important that a book of this nature should enter the fray right now I applaud Mr Harris for his excellent work in providing the practical means of identifying and repelling this fraudulent force this ideological interloper this dangerous false teaching Douglas Kruger Author of *Political Correctness Does More Harm Than Good How to Identify Debunk and Dismantle Dangerous Ideas*

War on Sacred Grounds Ron E. Hassner, 2025-05-15 In *War on Sacred Grounds* Ron E Hassner investigates the causes and properties of struggles over sites that are both venerated and contested and proposes ways for managing these disputes Holy places can create the potential for clashes not only between competing religious groups but

also between religious groups and secular actors Hassner illustrates this complex violent dynamic through a series of case studies including the conflict over Jerusalem and competing Hindu and Muslim claims over Ayodhya He also analyses successful compromises that reduced conflict in Jerusalem in 1967 and in Mecca in 1979 In this updated edition of *War on Sacred Grounds* Hassner reevaluates his findings and conclusions and surveys ongoing conflicts over holy sites *Religious Leaders and Conflict Transformation* Nukhet A. are involved Finally the commonalities and differences between these religions are examined with an eye toward further applications in peacemaking and conflict resolution **Agree to Differ** UNESCO,Tudor Rose,2015-05-11 The International Decade for the Rapprochement of Cultures IDRC builds on the strong momentum created by and the achievements of both the International Decade for a Culture of Peace and Non Violence for the Children of the World 2001 2010 and the International Year for the Rapprochement of Cultures 2010 It is to be understood as a commitment for addressing the urgent need to take into account and clearly demonstrate new articulations between cultural diversity and universal values The rapprochement of cultures implies that international security and social inclusion cannot be attained sustainably without a commitment to such principles as compassion conviviality hospitality solidarity and brotherhood which are the corner stones of human coexistence inherent in all faiths and secular ideologies The current surge of flaring conflicts acts of violence and intolerance demands urgent actions Peoples and nations have to join forces for the development of a universal global consciousness free from racial ethnic and social prejudices The United Nations have proclaimed the period 2013 2022 as International Decade for the Rapprochement of Cultures to address these global challenges with UNESCO as the lead agency for the United Nations system **Report of the WHO and Religions for Peace global conference** World Health Organization,2023-04-20
