Religious Life Diarmuid O'Murchu, Diarmuid Ó Murchú, 1991 **Religious Life** Loan Le, 2016-06-22 Following the Second Vatican Council when each Religious Institute was encouraged to research its charism some Institutes experienced a tension between their charism and their mission or even difficulty identifying what their charism was This book is a study of the theological understanding of charism and of mission in relation to Religious Life within the Catholic Church While this topic has featured in much Roman Catholic theological literature since Vatican II there appears to be a dearth of in depth studies This book addresses this apparent lacuna It draws particularly on the work of two major theologians Jean Marie Roger Tillard OP and Sandra Marie Schneiders IHM who have reflected at length on charism and mission in the period leading up to Vatican II and on the implementation of its documents with respect to Religious Life The very significant contributions of Tillard and Schneiders on the topic provide Religious as well as others who want to know and understand Religious Life with an interesting and motivating insight into charism and mission in Religious Life Within the Roman Catholic Church a Year of Consecrated Life has just drawn to a close and this book forms a background and a response to Pope Francis Apostolic Letter to all Consecrated People on the occasion of the Year of Consecrated Life November 2014 which invited Religious to reflect on these aspects that are essential to the life they have chosen to live **A Concert of Charisms** Paul Kevin Hennessy, 1997 Essays that take various approaches to the tensions that have arisen since Vatican II concerning the original mission and charisms of a religious order and today's actual situations of living within a parish

Callen, 2017-06-27 Barry Callen is a church theologian in the finest sense In this book he once again brings the commitments nurtured by Pietist Anabaptist and Wesleyan theological streams into conversation with the issues and debates in contemporary church life and with the most formative voices in contemporary theology The result is a convincing reminder that Christian teachings about ultimate things eschatology are much more concerned with providing hope and direction for living faithfully in our present settings than they are with providing timetables for the future His exposition of the role of the church and sacrament in nurturing such hope is particularly helpful Randy L Maddox Professor of Wesleyan and Methodist Studies Duke University Divinity School In a day when fanciful end times speculations abound the church does well to give heed to voices that call us back to the fundamentals of biblical eschatology Barry Callen is such a voice As he so forcefully declares rather than focusing on dates and times God calls us to be faithful in the meantime Stanley J Grenz Professor Emeritus of Theology Ethics Baptist Heritage Carey Theological College and Regent College The doctrine of last things is important because faith would be empty if it could not hope for the coming of the kingdom of God What we have in eschatology are not so much secrets about the future as images of God's final purposes which are meant to impact our every action and judgment Here we have thanks to Barry Callen a responsible informed interesting and up to date account of our blessed hope Clark H Pinnock Professor Emeritus of Theology McMaster Divinity College **Today's Parish**, 1990 **100 Biblical Trailblazers: Life-Changing Lessons & Actionable Faith Hacks for Your Christian Journey** Dizzy Davidson, 2025-06-09 Would you like to know more and learn from the biblical account about groundbreaking leaders transformative life lessons and everyday spiritual strategies If so then this book is for you Discover the inspiring journeys of 100 Biblical Trailblazers who blazed a path of faith courage and divine wisdom In 100 Biblical Trailblazers Life Changing Lessons Actionable Faith Hacks for Your Christian Journey you'll dive into the lives of revered prophets heroes and leaders from both the Old and New Testaments This comprehensive guide isn't just a recount of history it's your personal roadmap to applying ancient life changing principles in today's world What This Book Offers Inspiring Real Life Stories Illustrations Explore vivid accounts and relatable examples that bring the journeys of biblical trailblazers to life helping you see how their struggles and triumphs can inform your own path Actionable Faith Hacks Practical Tips Discover daily habits spiritual guides

[Hope in Times of Crisis](#) Marina Ngursangzeli Behera, Michael Biehl, Risto Jukko, Kenneth R. Ross, 2025-06-06

The early twenty-first century has dashed hopes for a more peaceful harmonious and prosperous world order as many societies have been plunged into conflict and living conditions for many have become ever more precarious

Where can the imagination be found to meet such an unprecedented crisis

This book mines one hundred years of ecumenical reflection on mission affirming the strengths of this tradition

It does so in a spirit of metanoia repentance recognizing that churches and missions were often complicit in trends that have proved to be damaging

At the same time it draws on elements of renewal in thinking about mission cherishing of life environmental responsibility action for justice deepening of spirituality working from a basis in ecumenical Christianity to make common cause with people of all

faiths and convictions who share similar concerns While the book is unflinching in confronting the injustice and destructiveness of the prevailing world order its final message is one of hope proposing that a retrieval and renewal of the ecumenical vision holds the promise of a brighter future
