

RELIGIOUS EXPERIENCE

Its Nature and Function In the Human Psyche

**The First John G. Finch Symposium
on Psychology and Religion**

WALTER HOUSTON CLARK, Ph.D.

H. NEWTON MALONY, Ph.D.

JAMES DAANE, Th.D.

ALAN R. TIPPETT, Ph.D.

With a Foreword by

LEE EDWARD TRAVIS, Ph.D.

*Dean, Graduate School of Psychology
Fuller Theological Seminary
Pasadena, California*

The emphasis on the nature and functioning of individual religious experience is of great contemporary interest. This book is built around basic lectures that comprise a direct and clearly worded introduction to the study of religious experience.

Lord Jesus Christ Larry W. Hurtado, 2005-09-14 This outstanding book provides an in depth historical study of the place of Jesus in the religious life beliefs and worship of Christians from the beginnings of the Christian movement down to the late second century Lord Jesus Christ is a monumental work on earliest Christian devotion to Jesus sure to replace Wilhelm Bousset's *Kyrios Christos* 1913 as the standard work on the subject Larry Hurtado widely respected for his previous contributions to the study of the New Testament and Christian origins offers the best view to date of how the first Christians saw and revered Jesus as divine In assembling this compelling picture Hurtado draws on a wide body of ancient sources from Scripture and the writings of such figures as Ignatius of Antioch and Justin to apocryphal texts such as the Gospel of Thomas and the Gospel of Truth Hurtado considers such themes as early beliefs about Jesus divine status and significance but he also explores telling devotional practices of the time including prayer and worship the use of Jesus name in exorcism baptism and healing ritual invocation of Jesus as Lord martyrdom and lesser known phenomena such as prayer postures and the curious scribal practice known today as the *nomina sacra* The revealing portrait that emerges from Hurtado's comprehensive study yields definitive answers to questions like these How important was this formative period to later Christian tradition When did the divinization of Jesus first occur Was early Christianity influenced by neighboring religions How did the idea of Jesus divinity change old views of God And why did the powerful dynamics of early beliefs and practices encourage people to make the costly move of becoming a Christian Boasting an unprecedented breadth and depth of coverage the book speaks authoritatively on everything from early Christian history to themes in biblical studies to New Testament Christology Hurtado's *Lord Jesus Christ* is at once significant enough that a wide range of scholars will want to read it and accessible enough that general readers interested at all in Christian origins will also profit greatly from it

Spiritual Direction and the Encounter with God William A. Barry, 2004 Is what we call the encounter with God merely a depth experience of the psyche or does it have a specific theological character In this revised edition of his best selling book William Barry shows how it is possible to understand an encounter with the Triune God in this world and how that process can be interpreted and aided by a spiritual director Using the insights of John Macmurray and John Smith Barry describes

how a relationship with God develops and how one can discern whether a particular experience is from God or not This understanding of religious experience comes from a theology of community communal discernment and ministry in the church This book will be helpful to spiritual directors educators and theologians as well as all educated seekers desiring a deeper relationship with God In this revised edition the author has added reflections on God s presence to suffering and evil and to evildoers updated the bibliography and freshened his examples for the 21st century reader *Gnosis* Dan

Merkur,1993-10-05 *Gnosis* traces the use of powerful gnostic visionary techniques from Hellenistic Gnosticism and Jewish merkabah mysticism through Muhammad the Ismaeilis and theosophical Sufism to medieval neoplatonism and renaissance alchemy Writers Directory NA NA,2016-03-05 Psychiatry and the Cults John A. Saliba,2018-09-24 Originally

published in 1987 this title was compiled in response to the concern in some segments of society about the presence of new religious movements in the West in the second half of the twentieth century There are lots of psychological questions surrounding cults and the influence they have over their members These questions have been operative in the accumulation of this annotated bibliography which was intended primarily as a reference guide for psychiatrists and counsellors who advise cult members ex cult members and their bewildered parents and lawyers who use psychiatric arguments in the courts

The Ecstatic Imagination Daniel Merkur,1998-01-01 Presents the first comprehensive survey of the varieties of psychedelic experience since 1975 *Psychedelics and Spirituality* Thomas B. Roberts,2020-08-04 Reveals how psychedelics can facilitate spiritual development and direct encounters with the sacred With contributions by Albert Hofmann Huston Smith Stanislav Grof Charles Tart Alexander Sasha Shulgin Brother David Steindl Rast and many others Includes personal accounts of Walter Pahnke s Good Friday Experiment as well as a 25 year follow up with its participants Explores protocols for ceremonial use of psychedelics and the challenges of transformingentheogenic insights into enduring change Modern organized religion is based predominantly on secondary religious experience we read about others extraordinary spiritual encounters with God but have no direct experience ourselves Yet there exist powerful sacraments to help us directly experience the sacred to help us seek out the meaning of being human and our place in the universe and to help us see the sacred in the world that surrounds us In this book more than 25 spiritual leaders scientists and psychedelic visionaries examine how we can return to the primary spiritual encounters at the basis of all religions through the guided use of psychedelics With contributions by Albert Hofmann Huston Smith Stanislav Grof Charles Tart Alexander Sasha Shulgin Brother David Steindl Rast Myron Stolaroff and many others this book explores protocols for ceremonial and spiritual use of psychedelics including LSD psilocybin ayahuasca and MDMA and the challenges of transformingentheogenic insights into enduring change It examines psychoactive sacraments in the Bible myths surrounding the use of LSD and the transformative ayahuasca rituals of Santo Daime The book also includes personal accounts of Walter Pahnke s Good Friday Experiment as well as a 25 year follow up with its participants Dispelling fears of inauthentic spirituality addiction and ill prepared

encounters with the holy this book reveals the potential of psychedelics as catalysts for spiritual development a path through which faith can directly encounter God's power and the beginning of a new religious era based on personal spiritual experience

Toward a Christian Clinical Psychology Louis Hoffman, 2015-10-01 I have known Professor Newton Malony for more than forty years I have great respect for the way his mind works and the wise positions he takes He is at once stimulating and creative historically thorough and futuristically insightful I highly recommend any encounter with substantive material from his mind and pen

Neil Clark Warren Founder and Chairman eHarmony.com former dean School of Psychology Fuller Theological Seminary Newton Malony is an internationally recognized pioneer in the application of religious principles to clinical practice and research He is capable like few others of bridging professional differences and arriving at reasonable conclusions

Allen E. Bergin Professor of Psychology retired coauthor *Spiritual Strategy for Counseling and Psychotherapy* For Newton Malony psychology exists in the service of religion With the histories of the Christian church and psychology as his backdrop Malony holds fast to his religious values throughout this book making a case for the relevance of Christianity to a broad range of issues in clinical psychology

Gordon Nagayama Hall Professor of Psychology University of Oregon author *Multicultural Psychology* Newton Malony was a major force in reinventing the psychology of religion during the second half of the twentieth century This book highlights his contribution to clinical psychology in Christian context Malony's ideas go a long distance and this book is a wonderful collection and culmination of them

Raymond F. Paloutzian editor *International Journal for the Psychology of Religion* coeditor *Handbook of the Psychology of Religion and Spirituality* This excellent collection of Malony's contributions to the integration of Christian faith and clinical psychology provides a rich and indispensable resource for scholars and students interested in psychology and the religious quest Writing over many years about complex matters of emotional health and spiritual life he has given us a gift that is accessible enjoyable and deeply relevant

Winston E. Gooden dean School of Psychology Fuller Theological Seminary What a treat it is to recommend this really solid collection that represents more than four decades of creative engagement with key issues in applied and professional psychology effective ministry in the context of the local church and some really fascinating musings by a senior spokesperson in the field

Richard Butman Professor of Psychology Wheaton College coeditor *Modern Psychotherapies A Christian Appraisal*

How on Earth Did Jesus Become a God? Larry W. Hurtado, 2005-11-02 In *How on Earth Did Jesus Become a God* Larry Hurtado investigates the intense devotion to Jesus that emerged with surprising speed after his death Reverence for Jesus among early Christians notes Hurtado included both grand claims about Jesus' significance and a pattern of devotional practices that effectively treated him as divine This book argues that whatever one makes of such devotion to Jesus the subject deserves serious historical consideration Mapping out the lively current debate about Jesus Hurtado explains the evidence issues and positions at stake He goes on to treat the opposition to and severe costs of worshiping Jesus the history of incorporating such devotion into Jewish monotheism and the role of religious

experience in Christianity's development out of Judaism The follow up to Hurtado's award winning *Lord Jesus Christ* 2003 this book provides compelling answers to queries about the development of the church's belief in the divinity of Jesus *Radical Grace* J. Harold Ellens, 2007-10-30 The esteemed editor who brought us the acclaimed set *The Destructive Power of Religion* turns his attention here to a similarly powerful yet positive side of religion how our concept of God can fuel healthy body and mind This book contends that all health mental and physical is shaped for good or ill by our spiritual theological and psychological notions about the nature of God and by the way we form an outlook on life as a result of these notions Across history a large percentage of people have believed that God is a threat an attitude Ellens describes as sick gods created through pathological beliefs or sick gods that make sick people But Ellens grounds his brighter perspective in this text on God as a source of unconditional grace and goodwill then illuminates the effect this perspective has on people who have incorporated it into their minds and lives Ellens shows that people with firm faith in God's radical grace are psychologically strong and healthy His offering of psychology interfacing with theology is reminiscent of Carl Rogers teaching on unconditional positive regard and its ability to heal suffering persons All readers he explains can benefit by this understanding that can inspire spiritual and psychological healing whether for ourselves family friends or clients in counseling or therapy *Images of Oliver Cromwell* Roger Howell, 1993 Oliver Cromwell has been both applauded and reviled and his memory invoked in periods and in countries other than his own This complex historiography has left us today with many different versions of Cromwell as man general and statesman of which the conflicting images are the subject of this book Available in paperback for the first time this classic study is based on the unfinished magnum opus of the leading scholar of seventeenth century history Roger Howell 1936-89 It includes chapters by a team of leading international experts on a broad range of subjects originally planned by Howell himself It includes Howell's studies of the reactions to Cromwell in the Restoration period and in the eighteenth and nineteenth centuries Added to these are reprints of his essays on psychohistorical approaches to Cromwell and on Cromwell's contribution to English liberty Further historiographical portraits of the Protector are offered in chapters which consider Cromwell and the Glorious Revolution Carlyle's Cromwell Irish images of the Protector American interpretations and the comparisons made between Cromwell and the twentieth century dictators **An Introduction to Psychology of Religion** Robert W. Crapps, 1986 Developed in almost thirty years of classroom experience this book is designed to introduce students and other readers to the psychological study of religion Robert W Crapps deals with the major questions and figures that have dominated the psychological study of religion over the past century dividing the discussion into four parts Two chapters in part one suggest the problems and possibilities for the psychological study of religion in light of the nature of religion and the scientific method Part two sketches the contributions to the study of religion of three intellectual currents in contemporary psychology psychoanalysis behaviorism and humanistic psychology part three explores the relationship between religion and human development while part four directs attention to

religious lifestyles and that weave differentiated parts of human experience into a cohesive whole Publisher description

Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Religious Experience Its Nature And Function In The Human Psyche full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of

Religious Experience Its Nature And Function In The Human Psyche eBooks, including some popular titles.

FAQs About Religious Experience Its Nature And Function In The Human Psyche Books

What is a Religious Experience Its Nature And Function In The Human Psyche PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religious Experience Its Nature And Function In The Human Psyche PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religious Experience Its Nature And Function In The Human Psyche PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religious Experience Its Nature And Function In The Human Psyche PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religious Experience Its Nature And Function In The Human Psyche PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
